COLLEGE TEACHING SEMINAR SERIES RECOMMENDED

The Faculty-Staff Council has recommended, and President Robert E. Kennedy has endorsed, establishment of a college teaching seminar series on a regularly-scheduled meeting basis, possibly for the 1968 Fall Quarter. The recommendation and the president's endorsement include the principle that faculty members who attend on a regular basis will receive credit for one equivalent unit of workload.

President Kennedy has asked Academic Vice President Dale W. Andrews to take the lead in implementing this teaching seminar series through the Academic Council of the college.

COMMITTEE FOR SELECTION OF CANDIDATES FOR ADMINISTRATIVE VICE PRESIDENT ORGANIZED

The Committee for the Selection of Candidates for the Position of Administrative Vice President has been elected and has held an organizational meeting, according to Dean of Student Personnel Everett M. Chandler, its chairman. He said the committee suggests that members of the college faculty and staff who wish to make application for the position submit their papers to the Office of the President. Since the committee wants to carry out its assignment as expeditiously as possible, it is suggested that campus applicants submit their papers by April 1, 1968.

SALE OF PARKING PERMITS FOR SPRING QUARTER CONTINUES

Parking permits for the Spring Quarter may still be purchased from the State Cashier located in the foyer on the lower level of the Administration Building. The Business Management Division suggests that the permits be purchased early to avoid the necessity of standing in line to purchase them after the Spring Quarter begins. Enforcement of campus parking regulations will begin March 28, the first day of classes.

NEW RESEARCH PUBLICATIONS AVAILABLE ON CAMPUS

Copies of two new publications of research interest to members of the college faculty have been received on campus, according to Russell K. Anderson of the Animal Husbandry Department, chairman of the College Research Committee. Both available in the Faculty Reading Room of Dexter Memorial Library, they are "Research in Community Health" and "Research, Research Training Grants and Fellowship Programs of the Division of Community Health Services." Both were made available to the college by the San Francisco Office of the United States Public Health Service.

LEGAL OPINION ON CONCURRENT JURISDICTION

Chancellor of the California State Colleges Glenn S. Dumke has asked that Legal Opinion L68-61 be made available to faculty and students of the individual colleges. This opinion discusses the legal aspects of concurrent jurisdiction problems arising out of incidents on state college campuses.

The summary opinion, as issued by Norman L. Epstein, chief counsel for the state colleges, reads in part:

"... it is plain that the issue of concern focuses on acts committed by a student or, conceivably, a faculty member, which at once disrupt the educational process in some way, and constitute criminal conduct.

Opinion

"It is our opinion that both the college and the civil authorities may take such action as is authorized by law against students or college personnel charged with such conduct. Their doing so does not place the person charged 'twice in jeopardy' for the same offense, since the offenses are to different interests and jurisdictions. Neither jurisdiction is obliged to stand aside and take no action on account of an apparent violation of its own rules until whatever proceedings may be brought by the other have been exhausted. Our analysis also discusses some of the considerations involved in a policy of college abstention in this area."

Copies of the entire legal opinion are available in the offices of the deans of the instructional schools, the Faculty Reading Room of the library, and the Office of the Director of Personnel Relations, Room 110, Administration Building.

FACULTY-STAFF COUNCIL AND S A C ISSUE STATEMENTS ON DISRUPTIVE STUDENT ACTIONS

The Faculty-Staff Council of the college, on February 13, 1968, and the Student Affairs Council, on January 30, 1968, adopted resolutions concerning disruptive student actions.

The position statement of the Faculty Staff Council is as follows:

"The council condemns violence or the threats of violence against persons or property or any acts of coercion which result in the interruption or are designed to interrupt the educational process or lawful operation of California State Polytechnic College, San Luis Obispo.

"Enforcement of campus rules on student conduct is essential to preserve the campus as a place of freedom in which the rights of individual students are recognized and protected. The right to dissent affords no excuse to disrupt college operations or to interfere with the rights of fellow students.

"Students have the right on campus to meet with representatives of the government of the United States, and of other public agencies and of any or all private industry on a nondiscriminatory basis for interviews in connection with planning their future public or private service or employment. These rights shall be protected.

FACULTY-STAFF COUNCIL AND S A C (Continued from Page 2)

"The council is sensitive to the rights of the students to debate current issues, to protest policy and to dissent. These rights, in accordance with pertinent college rules as to time, place, and manner, must also be protected.

"It is expected that the leadership of the president, the judgement of the faculty and the good sense of the students will maintain the college campus as a place of order in balance with freedom. In any event, the council recognizes that it is desirable for the college, as far as possible, to provide for its own internal security. The decision as to the need for additional outside law enforcement should be that of the president."

The student Affairs Council resolution was as follows:

- "1. The Council unqualifiedly condemns violence or the threats of violence against persons or property, or any acts of coercion which result in the interruption or are designed to interrupt the educational process of lawful operations of any State College.
- "2. Vigorous enforcement of campus rules on student conduct is essential to preserve the campus as a place of freedom in which the rights of individual students are recognized and protected.
- "3. Students have the right on campus to meet with representatives of the government of the United States, and of other public agencies and of all private industry on a nondiscriminatory basis for interviews in connection with planning their future public or private service or employment. These rights shall be protected.
- "4. The S.A.C. expects that the leadership of the president, the judgement of the faculty and the good sense of the students will maintain the college campus as a place of order in balance with freedom.
- "5. The S.A.C. is sensitive to the rights of the students to debate current issues, to protest policy and to dissent. The rights, in accordance with pertinent college rules as to time, place and manner, must also be protected. But the right to dissent affords no excuse to disrupt college operations or to interfere with the rights of fellow students."

President Robert E. Kennedy has endorsed the principles in the two resolutions which he says have already proved useful in explaining the point of view of the college toward student demonstrations.

"In my opinion the statements are most appropriate," Dr. Kennedy said. "Judging from the high degree of cooperation and fair-minded tolerance displayed by the faculty and staff during the demonstration on the occasion of the recruitment visit by representatives of Dow Chemical, the statements truly represent the feelings of the faculty and staff of this college.

DEADLINE FOR ARTICLES APPEARING IN NEXT WEEK'S STAFF BULLETIN IS FRIDAY NOON

COMING EVENTS -- COMING EVENTS -- COMING EVENTS

Books at High Noon -- Tuesday, March 12, 12:00 noon, Staff Dining Room. Lewis W. Lewellyn of the staff of the Counseling and Testing Center will review Ira K. Stephens' book "The Hermit Philosopher of Liendo" during final luncheon program of the Winter Quarter for the series. Public invited.

Cal Poly Women's Club, General Meeting -- Tuesday, March 12, 7:30 p.m., Theater. Cal Poly's combined Men's and Women's Glee Clubs will provide the program for a general meeting of the women's club's membership. Members and guests invited.

Cal Poly Staff Club -- Thursday, March 14, 12:00 noon, Staff Dining Room. Dr. Howard Brown, head of the Ornamental Horticulture Department, will describe his department's programs during last regular luncheon meeting of the club for the Winter Quarter for the program series. Faculty, staff, and guests invited.

Cybernation and Man -- Thursday, March 14, 3:00 p.m., Room 116, Business Administration and Education Building. Meeting of those interested in possibility of developing a continuing campus program on the problems of cybernation and man, as well as the broader aspects of human ecology. Faculty and staff invited.

Lecture on Urban Problems -- Thursday, March 14, 8:00 p.m., Architecture Gallery, Engineering West Building. Architect Clinton Ternstrom of Los Angeles will speak on "Urban Problems and Technological Education" during program sponsored by the School of Architecture. Public invited.

Symphony Concert -- Thursday, March 14, 8:00 p.m., Theater. Initial evening concert for the 27-member Cal Poly Little Symphony Orchestra under direction of Clifton E. Swanson of the Music Department faculty. Sponsored by the Music Department. Public invited.

Space Science Lecture -- Thursday, March 14, 8:00 p.m., West Student Dining Room. Address on "Space and its Effect on Men" by space scientist Theodore Gordon of Douglas Aircraft Company. Sponsored by the Applied Sciences and Engineering Councils. Public invited.

Varsity Baseball -- Friday, March 15, 2:30 p.m., baseball diamond. Cal Poly vs. San Francisco State College. Public invited.

Final Examinations -- Saturday, March 16, through Thursday, March 21. Winter Quarter final examinations for all students.

C C A A Gymnastics Championship Meet -- Saturday, March 16, 7:30 p.m., Men's Gymnasium. Annual gymnastics championship meet of the California Collegiate Athletic Association sponsored by Cal Poly. Public invited.

Club Rugby -- Sunday, March 17, 2:00 p.m., athletic field. Cal Poly Rugby Club vs. University of California at Santa Barbara. Public invited.

Cal Poly Women's Club, Bridge Sections -- Monday, March 18, 7:30 p.m., Room 129, Dexter Memorial Library. Regular meeting of the club's Bridge and Beginning Bridge Sections. Members and guests invited.

Varsity Baseball -- Tuesday, March 19, 2:30 p.m., baseball diamond. Cal Poly vs. Oregon State University. Public invited.

COMING EVENTS (Continued from Page 4)

Varsity Baseball -- Wednesday, March 20, 2:30 p.m., baseball diamond. Cal Poly vs. California State College at Hayward. Public invited.

Camp Fire Girls, Grand Council Fire -- Wednesday, March 20, 7:30 p.m., Crandall Gymnasium. Annual Grand Council Fire sponsored by the Natoma Council of Camp Fire Girls' Central District. Public invited.

End of the Winter Quarter -- Thursday, March 21. Last day of the Winter Quarter.

Spring Vacation -- Friday, March 22, through Tuesday, March 26. Academic holiday for students.

Varsity Golf -- Friday, March 22, 1:00 p.m., San Luis Obispo Country Club. Cal Poly vs. University of California at Santa Barbara. Public invited.

TELE-LECTURE AND SELF-STUDY FOREIGN LANGUAGE PROGRAMS

Attention of the college faculty and staff is called to tele-lecture and self-study foreign language study services which are available to them in the Language Laboratory located in Room 220 of Dexter Memorial Library.

The tele-lecture service (utilizing long distance telephone), offers the opportunity for faculty to bring their students into contact with outstanding authorities in their various fields who could not otherwise be brought to campus. This arrangement makes it possible for a group of up to 40 students to both listen and talk directly to the lecturer, so that it can be used for lectures, discussions, seminars, or consultations with these authorities.

A number of these tele-lectures have been conducted on campus in the past three years and students and instructors have found each one to be a stimulating experience as well as a direct aid to the instructional program. Information about this facility and the procedure involved is available from Robert Boothe of the English and Speech Department faculty who may be reached by telephone by calling 546-2585. Departments may handle the cost of any services used through the Visiting Lecturer Fund allocated to their respective schools. The average cost of a station-to-station call for this purpose is \$15 to \$20 per lecture.

The second service consists of a series of eight self-study foreign language courses which are available to faculty and staff, as well as students, for use in the Language Laboratory. Each course includes recorded dialogs for oral practice, a text, and a common usage dictionary which are available in French, German, Spanish, Italian, Russian, Japanese, Portuguese, and modern Greek. The courses are of two types, one being fairly comprehensive and the other being designed primarily for the traveler.

Those interested may use these self-study courses during any hours the lab is open, which is usually from 8:00 a.m. to 5:00 p.m. daily, including the noon hour. Information about these courses may also be obtained from Boothe or one of the assistants on duty in the language facility.

DEADLINE FOR ARTICLES APPEARING IN NEXT WEEK'S STAFF BULLETIN IS FRIDAY NOON

FACULTY ACADEMIC PROCESSION RECOMMENDED FOR 1968 COMMENCEMENT

President Robert E. Kennedy has endorsed resolutions passed by the Student Affairs Council and the Faculty Sub-Council of the Faculty-Staff Council recommending that the Commencement exercises next June include a faculty procession in academic regalia. Dr. Kennedy has asked Dean of Students Everett M. Chandler to ask the Commencement Planning Committee to include plans for the procession in their planning for the Commencement next June.

The resolution adopted by the Student Affairs Council on the matter was as follows:

"WHEREAS; There is a well known close faculty-student relationship at California State Polytechnic College, and;

"WHEREAS; The graduating class of June, 1968, expressed a desire for a faculty procession at their Commencement, and;

"WHEREAS; Because of this close faculty-student relationship a faculty procession would increase the meaningfulness of Commencement for graduating seniors, and;

"WHEREAS; Many students who will participate in the Commencement Exercises of June, 1968, have expressed a sincere desire for a faculty procession, and;

"WHEREAS; Many administration and faculty members will be required to wear their regalia at President Kennedy's inauguration, be it therefore

"RESOLVED; That the Senior Week Activities Committee, on behalf of the Graduating Class of 1968, hereby request that a faculty procession be included in the Commencement Exercises of June, 1968, and be it further

"RESOLVED; That this resolution be sent to the President of the College and the Faculty-Staff Council."

The Faculty Sub-Council of the Faculty-Staff Council adopted the following resolution:

"Whereas an academic procession with full regalia is a standard part of the graduation experience and whereas the students of California State Polytechnic College, San Luis Obispo, have requested an academic procession in the graduation ceremonies. Be it therefore resolved that the Faculty Sub-Council go on record supporting an academic procession with full regalia and be it further resolved that the attendance of faculty in the academic procession in full regalia be voluntary except that each instruction department and the library shall be represented.

"All members of the instructional departments and the library be encouraged to attend the academic ceremony.

"That each faculty member in attendance accept an obligation to remain after the ceremony to be available to meet with students and parents.

"That a re-evaluation by this committee be made the following year as to the success of the above procedures."

WHO . . . WHAT . . . WHEN . . . WHERE ? ? ?

Robert Gordon, Ornamental Horticulture, represented the American Institute of Floral Design at the annual convention of the Florists Telegraph Delivery Association which took place in East Lansing, Mich., early this month. While there, he extended an invitation to florists to attend both a short course and a symposium on floral design which will be held on campus this summer.

Ronald W. Hall, Technical Arts, addressed a meeting of the San Luis Obispo County Chapter of the California Automotive Wholesalers Association held in Paso Robles last week. He described the Technical Arts Department's programs and how they prepare students to enter the field of automotive sales and service.

John R. Healey, head of Journalism, spoke to high school journalism teachers at a meeting held in conjunction with the Tri-Counties area write-off competition for high school students in Santa Maria early this month. The program was sponsored by the Journalism Education Association.

Gene E. Brendlin, manager of the Cal Poly Foundation, and Don Wilson, chief of the California Bureau of Agricultural Education, have returned to their respective duties after an inspection visit with members of the Cal Poly/AID project instructor team in Thailand. While in that Southeast Asian nation, they were guests at a "Cal Poly-style" barbecue hosted by members of the instructor team, which is under the leadership of Warren T. Smith, former dean of the School of Agriculture.

Some 50 members of the Fresno Club of Printing House Craftsmen toured the Printing Technology and Management Department recently. Guided on the tour by Roderick W. Carruthers, head of the department, and C. Herald Gregory and Guy Thomas of the department's faculty and staff, they also received information on the department's curriculum and visited the Shakespeare Press museum of printing equipment and type.

Five Cal Poly students have been elected to membership in Phi Kappa Phi national honor society, according to an announcement from the campus chapter of that group. They are Charles M. Benedict of Chatsworth, a senior biological sciences major; William Dale Creighton of Weldon, a senior crops production major; Jeanne L. Johnson of Bakersfield, a senior agricultural business management major; Bernard M. Speckman of San Carlos, a senior electronic engineering major; and Mrs. Ivalyn A. Thomas of Huntington Park, a graduate student in education.

Robert J. Hooks, Animal Husbandry, and James A. Klaustemeyer, Crops, were judges for home farm program competition of the California Association of Future Farmers of America in different parts of the state recently. Dr. Hooks judged the competition in Alameda County while Klaustemeyer was judge in Ventura County.

David L. Sanders, a senior majoring in architecture, has won a \$250 cash award for his winning entry in the 1968 Reynolds Aluminum Prize competition for students of the School of Architecture. He won the campus competition for his design of a portable aluminum living unit, which has been entered, along with those of winners from other schools of architecture throughout the nation, in competition for the \$5,000 national Reynolds Aluminum Prize for Architectural Students.

Philip Page, who retired last year after having been dairy herdsman on campus since 1944, and W. B. Woodburn, retired manager of the Dairy Council of California, were named honorary members of Los Lecheros, the campus dairy club, during the annual meeting of that group held last Saturday (March 9) evening in San Luis Obispo. Page was responsible for management of the college-owned herds of Holstein-Friesian, Guernsey, and Jersey dairy cattle.

MEASUREMENTS FOR CAPS AND GOWNS SLATED THIS WEEK

Measurements for caps and gowns for use by members of the faculty during the inauguration program for President Robert E. Kennedy will be taken tomorrow, Thursday, and Friday (March 13-15). M. E. Farley, manager of El Corral Campus Store, which is making the caps and gowns available, said the measurements will be taken between the hours of 1:30 and 4:35 p.m. in Section B of the Staff Dining Room. He added that one other opportunity for those who are unable to make their requests this week will be provided next week.

Members of the faculty who placed their orders for special academic garments earlier, as well as those making their requests this week, will be able to pick up their caps and gowns April 1-2, between 9:00 and 11:00 a.m. and 1:30 and 4:00 p.m. in the same location. Payments for those ordered earlier may be made at that time. The caps and gowns for which measurements will be taken this week are being provided by El Corral without charge.

STAFF CLUB GOLF COMMITTEE SLATES TOURNEY FOR MARCH 22

Preliminary planning for a tournament to be held March 22 at the Morro Bay Golf Course was being completed last week by the Golf Committee of the Cal Poly Staff Club. William W. Armentrout of the Education Department, chairman of the group, said last week that the academic holiday event will begin at 12:00 noon. An entry fee of \$.50 will be added to the \$2.00 green fee to provide for prizes.

COLLEGE UNION BUILDING GROUND BREAKING CEREMONY POSTPONED

Postponement of the ground breaking ceremony for the Julian A. McPhee College Union Building, which had been planned for the morning of March 28, was announced last week. Further information regarding the new date for the event was not available at the time of this writing, but will be included in a forthcoming edition of "Staff Bulletin."

VIETNAMESE ASSOCIATION SEEKS CLOTHING, FUNDS FOR REFUGEE RELIEF

Donations of usable clothing and money to be used in refugee relief projects in their homeland are being sought by members of the Cal Poly Vietnamese Association this week (March 11-15). Collection boxes for donations are located in the various campus residence halls, the patio of the Student Dining Room, the courtyard near the main entrance of Dexter Memorial Library, and the kiosk area between the Engineering East and Mathematics and Home Economics Buildings.

HOLIDAY SCHEDULE FOR CAMPUS NATATORIUM ANNOUNCED

Recreational swimming activities at the campus natatorium will be closed for the academic holiday and final examination periods beginning Thursday (March 14). The regular schedule for such activities will resume March 24.
