MUSTANG GRAPPLERS' TITLE-WINNING TOURNEY PERFORMANCE ESTABLISHES HOST OF RECORDS

Records of almost every size and variety were smashed last weekend when Coach Vaughan Hitchcock's Mustang wrestlers won their second National Collegiate Athletic Association College Division championship in as many years national championship win succession during the seventh annual National Collegiate Athletic Association College Division Championship Tournament. The event, held in Men's Gymnasium on campus, was without a doubt the most prestigious event of its kind ever held in this part of California.

En route to its winning total of 127 points, the Mustang grappling team garnered 4 individual championships including Terry Hall at 115 pounds, John Woods at 167, Ken Bos at 177, and Tom Kline at 191. In addition, 152-pounder John Finch and 160-pounder Rick Arnold garnered second place medals; Steve Johnson at 145 pounds and Heavyweight Dennis Petracek placed third; and 130-pounder Jesse Flores copped fifth place honors. Nine members of the 11-man Cal Poly team placed and all 11 members contributed points in the title-winning effort.

Teams finishing behind the Mustangs in the top ten were Colorado State College, with 84 points; Northern Iowa University, 49; Portland State College, 44; Moorhead State College (Minn.), 35; Old Dominion College, Va, 33; East Stroudsburg State College Pa, 31; San Francisco State College, 31; State University College of New York at Oswego, 29; and South Dakota State University, 27. Mankato State College (Minn.), 21; Northwest Missouri State College, 19; University of California at Davis, 19; Wilkes College (Pa.), 18; and Western Illinois University, 16.

Other individual champions crowned during the two-day tournament were John Walter, SUCNY-Oswego, 123 pounds; Len Groom, Colorado State, 130 pounds; Paul Stehman, Northwest Missouri State College, 137 pounds; Chuck Seal, Portland State, 145 pounds; Carl Ragland, Old Dominion, 152 pounds; Joe Wiendl, Wilkes College, 160 pounds; and Kent Osboe, Northern Iowa, heavyweight.

Eight Qualify for University Meet

Among the tournament records established by the Mustang matmen en route to their impressive team victory in the national meet were the most team points - 127 (old record, 91, set by Cal Poly in 1968); most team championships - 3 - 1966, 1968, 1969 (old record, 2 set by Cal Poly in 1966 and 1968 and by Western State College (Colo.) in 1963 and 1964); most individual champions in tourney history - 10 (old record, 7, by Southern Illinois University and by Western State). In addition, the four individual champions in last week's tournament equalled the mark for the most title winners in a single meet set in 1963 by Southern Illinois.

The record-smashing tournament effort qualified eight Mustang wrestlers for the NCAA's University Division championship meet, which is scheduled for March 27-29, at Brigham Young University, Provo, Utah. Just how many members of the team will compete in that event will not be decided until later this week.

(Continued on Page 2)

SPEECH TOURNEY EXPECTED TO DRAW 150 ENTRANTS

Students from 25 colleges and universities located throughout the Western United States are expected to gather on campus for the Mustang Invitational Debate Tournament, Friday and Saturday (March 21-22). First in a projected annual series of such tourneys, the event will offer competition in debate, persuasive speaking, oral interpretation, and after-dinner speaking for an estimated 150 entrants.

According to Tournament Director Jack Haley, competition in the tournament will be divided into various divisions depending on the experience of entrants. The debate contests will involve 4 divisions and all other events will involve 3. First rounds of the tourney, which is being sponsored by the Speech Department, will take place throughout the day Friday. Final rounds are scheduled for Saturday morning and awards will be presented at one o'clock that afternoon.

Haley, who is forensics director and a member of the speech faculty, said the various rounds of competition would take place in the English Building; Music-Speech-Drama Building; Mathematics and Home Economics Building; Erhart Agriculture Building; Agricultural Engineering Building. The presentation of awards is to be held in the Staff Dining Room.

STAFF CLUB WINTER GOLF TOURNEY SLATED TOMORROW

The Cal Poly Staff Club's annual Winter Golf Tournament will take place tomorrow (Wednesday, March 19) at the Sunset Terrace Golf Course, Los Osos, according to an announcement from the club. Members of the club who plan to play will meet on the first tee at 9 a.m. Calway system handicaps will be used for the event. Those wishing to obtain further information about the tourney are invited to contact either Edward Jorgensen (Physical Education Department) or George Davies (Admissions Officer) by calling either 546-2604 or 546-2311 respectively.

In other Cal Poly Staff Club news all women who are members of the club have been invited to be guests of the staff club at the annual Ladies Day Luncheon to be held in the Staff Dining Room, beginning at 12 noon, April 2. Reservations will not be required.

MUSTANG GRAPPLERS' TITLE-WINNING PERFORMANCE (Continued from Page 1)

Prior to last week's College Division tourney, which saw 277 wrestlers from 70 colleges and universities meet in 343 matches, the Cal Poly team was ranked second among the nation's College Division teams and sixth among all teams by Amateur Wrestling News, a publication which rates college and university wrestlers and teams. The Mustangs' performance is expected to move them up at least one position on both charts.

Present indications are that the NCAA tourney, which also saw the Cal Poly grapplers become the first host team to ever win the national crown, would also establish records for both attendance and income. Near-capacity houses of about 2,700 saw action on 7 mats Friday afternoon and evening and bouts on 5 mats Saturday afternoon. Some 3,700 persons were on hand for the championship finals Saturday night. Paid attendance for all four sessions is expected to total nearly 9,000.

Cal Poly Report is produced by the Office of Information Services, Administration 210. Material should be submitted in writing prior to noon on Friday.

\$65,696 SHARE OF OVER-ENROLLMENT APPROPRIATION EARMARKED FOR CAL POLY

Cal Poly's share of the funds appropriated to help meet the costs of over-enrollment in the California State Colleges by the legislature will be \$65,696. That amount will be available to the college immediately and will help meet the college's needs for expected enrollment for the remainder of the 1968-69 academic year, according to Donald S. Nelson (Director of Business Affairs).

Notification of the college share of the monies appropriated AB 93, which Governor Ronald Reagan signed into law early this month, came in a communication received from H. E. Brakebill, CSC vice chancellor for business affairs.

Nelson pointed out that the \$65,696 allocated for Cal Poly from the appropriation is the same as that requested last fall. The original request for the state colleges was \$575,000 for support of instructional functions. An additional \$325,000 was funded by AB 93 to replace material and services fees which had been used for instructional services rather than for student services. Allocation of the latter funds to student services accounts is being delayed pending clarification of legislative intent on their use.

HOUSING DATA NEEDED FOR OFF-CAMPUS GUESTS

The increasing number of requests for campus facilities for meetings, institutes, short courses, conferences and other gatherings, makes it essential that arrangements for, and specific data on, all housing needs be provided at the earliest possible date, according to Ray Baker (Foundation Housing Manager). It is particularly important that any questionnaire or brochure which is being sent to prospective conferees by a member of the college staff, for an activity involving on-campus housing, provide for advance registration.

Information needed, in addition to total attendance, includes the number to be housed, men and women, and the specific dates. Without careful planning and reliable advance data, the Foundation Housing Office must try to cope with overlapping conferences and housing which simply may not be available on the desired dates, Baker noted.

TOUR OF HOMES PLANNED BY WOMEN'S CLUB

"Poly at Home" will be the title of a tour of homes planned for March 29 by the Ways and Means Committee of the Cal Poly Women's Club as a fund raising activity. Tickets for the event, which will be from 1 to 4 p.m., will be donations of \$1. Mr. John K. Allen is chairman for the event and Mrs. Glenn W. Salo is in charge of ticket sales.

As the title suggests, the affair will be a tour of the homes of several members of the women's club, according to Mrs. Allen. Although the homes that will be included in the tour will remain a surprise, until tickets are purchased, she promises a full afternoon enjoyment. The project chairman said "Poly at Home" will be the club's only fund raising project of the year. Monies gained will be used to assist in the education programs of Cal Poly students from low-income families.

Those interested in purchasing tickets or in getting further information are invited to contact either Mrs. Allen or Mrs. Salo.

SHORT COURSE ON AIR POLLUTION ANNOUNCED BY ENVIRONMENTAL ENGINEERING

A one-week short course on air pollution, which will bring together science and engineering faculty who are interested in air quality problems from high schools and community colleges throughout California, will take place on campus June 16-20. To be sponsored by the Environmental Engineering Department it will use representatives of local, state, and federal government agencies, as well as members of the Cal Poly faculty, in its staff of instructors.

Harold M. Cota of the sponsoring department's faculty said participants in the short course will have an opportunity to explore and discuss the broad scope of air pollution. "As the state and nation begin to formulate a strategy for achieving and protecting air quality, it is appropriate for the educational community to begin considering and evaluating its role in solving this socio-economic technological problem. We expect the institute to be a start in that direction," said Dr. Cota, who is coordinating arrangements.

A grant from the U.S. Public Health Service is expected to cover most costs for the week-long short course, including traineeships that will meet much of the expense of participation for persons who attend. Dr. Cota said final approval of the grant is expected momentarily.

LIGHT CALENDAR OF SPORTS ACTION SCHEDULED THIS WEEK

Coach Bill Hicks' varsity baseballers host Pasadena College in the lone event on the campus sports calendar this week. The game, slated for 1:30 p.m., tomorrow, (Wednesday, March 19) on the Baseball Diamond, is the final sports contest of the Winter Quarter. The next home event after that is not slated until March 26, when Coach Roy Hughes' Mustang golfers host California State College at Los Angeles in a California Collegiate Athletic Association match.

Although they may have taken a back seat to the Cal Poly wrestling team's participation in the NCAA College Division championship tourney on campus last weekend in terms of spectator interest, both the Mustang varsity track and field and baseball teams recorded victories last week. A full report on the Mustang wrestlers' triumph appears elsewhere in this issue of Cal Poly Report.

Team depth was the big difference when Coach Dick Purcell's thinclads trounced Cal State LA 113-32 in a dual meet held Saturday (March 15) on the campus track. That win evened the season won-lost record for the Mustangs at 1-1. The baseball varsity used strong pitching to record twin 4-0 victories over San Francisco State College when the two teams met in a doubleheader on campus, also on Saturday. Those wins give the Mustang diamondmen a 5-5 won-lost mark for the season.

JEAN SNOW SELECTED FOR "MAID OF COTTON" FINALS

Jean Snow, a 20-year-old English major known to her friends as Jinks, will represent Cal Poly in the California Maid of Cotton Contest to be held March 21-22 in Fresno. Miss Snow was chosen from a field of five candidates in a contest sponsored by the Crops Club. If she should win the state contest, she will represent California at the national Maid of Cotton competition in Nashville, Tenn. Some 15 candidates are slated to take part in the California contest.

COMING EVENTS -- COMING EVENTS -- COMING EVENTS

Final Examinations -- Continuing through Tuesday, March 18. Final Examinations for Winter Quarter for Cal Poly students.

Academic Holiday -- Wednesday through Sunday, March 19-23. Vacation between Winter and Spring Quarters for Cal Poly students and teaching faculty.

Cal Poly Staff Club Golf Tournament -- Wednesday, March 19, 9 a.m., Sunset Terrace Golf Course, Los Osos. Annual winter golf tourney. Members invited.

Institute on Government -- Wednesday, March 19, 9:30 a.m., and 1:30 p.m., Cal Poly Theater and Music, Speech, and Drama Building. Third annual Institute on Government for employees of various governmental agencies sponsored by Region 17 of the California State Employees Association. Tickets, \$1.

ROTC Commissioning -- Wednesday, March 19, 10 a.m., Music Speech and Drama Building Choral Room. Commissioning of Reserve Officers Training Corps cadets as officers in the U. S. Army; sponsored by Military Science Department. Public invited.

Cal Poly Women's Club Home and Garden Section -- Wednesday, March 19, 1 p.m., Madonna Inn, San Luis Obispo. Tour of facilities and accommodations of Madonna Inn. Members and guests invited.

Varsity Baseball -- Wednesday, March 19, 1:30 p.m., Cal Poly Diamond. Cal Poly vs. Pasadena College. Public invited.

Camp Fire Girls Grand Council Fire -- Wednesday, March 19, 7:30 p.m., Crandall Gymnasium. Annual honors ceremony for Camp Fire Girls of San Luis Obispo. Public invited.

Homicide Investigation Institute -- Thursday and Friday, March 20-21, Cal Poly Theater. Institute on criminal investigation for law enforcement officers; co-sponsored by Cal Poly, Cuesta College, and San Luis Obispo County Civil Service Commission. By resigtration.

Registration for Classes -- Monday, March 24, 10 a.m., to 5 p.m., and Tuesday, March 25, 8 a.m. to 4 p.m., Men's Gymnasium. Registration for Spring Quarter classes

Cal Poly Women's Club Book, Art, and Music Section Meeting -- Tuesday, March 25, 8 p.m., 165 Graves St., San Luis Obispo. Talk on "Crisis on Campus" by Dr. Donald W. Hensel during regular meeting in home of Mrs. O. J. Falkenstern. Members invited.

Classes Begin -- Wednesday, March 26. Spring Quarter classes begin.

Varsity Golf -- Wednesday, March 26, 1 p.m., San Luis Obispo Country Club. Cal Poly vs. California State College at Los Angeles. Public invited.

Cal Poly Women's Club Newcomers Section Meeting -- Wednesday, March 26, 8 p.m., 215 Highland Dr., San Luis Obispo. Mrs. James Rice will demonstrate cake decorating skills during meeting in home of Mrs. John West. Members invited.

Cal Poly Staff Club Luncheon -- Thursday, March 27, 12 noon, Staff Dining Room. Topic and speaker to be announced. Staff and faculty invited.

COMING EVENTS (Continued from Page 5)

International Council Film -- Thursday, March 27, 11 a.m., Cal Poly Theater. Film on Venezuela; sponsored by International Council. Public invited.

Inter-Varsity Christian Faculty Conference -- Friday through Sunday, March 28-30, Staff Dining Room. Conference of Christian faculty of colleges and universities throughout California; sponsored by Cal Poly Christian Fellowship. Faculty and staff invited.

Varsity Golf -- Friday, March 28, 1 p.m., San Luis Obispo Country Club. Cal Poly vs. University of Washington. Public invited.

Varsity Baseball -- Friday, March 28, 2:30 p.m., Campus Diamond. Cal Poly vs. Oregon State University. Public invited.

Varsity Tennis -- Saturday, March 29, 10 a.m., Tennis Courts adjacent to Men's Gymnasium. Cal Poly vs. University of Washington. Public invited.

Cal Poly's Women's Club "Poly at Home" -- Saturday, March 29, 1 - 4 p.m. Tour of homes of selected members of Cal Poly faculty and staff; sponsored by Cal Poly Women's Club as a benefit for its student assistance programs. Ticket \$1. Contact Mrs. Glenn Salo for further information.

Varsity Baseball -- Saturday, March 29, 1 p.m., Campus Diamond. Cal Poly vs. University of Washington. Public invited.

Varsity Track -- Saturday, March 29, 1:30 p.m., Track Field. Cal Poly vs. University of Washington. Public invited.

DEADLINES AND DATELINES

The college Records Office, Adm-222, will be open from 8 a.m. to 12 noon, Saturday (March 22) to receive Winter Quarter final grades from members of the faculty, according to F. Jerald Holley (Registrar).

PARKING PERMITS FOR SPRING QUARTER MAY STILL BE PURCHASED

Faculty and staff parking permits for the Spring Quarter are still available at the State Cashier's Office in the Administration Building. They may be purchased at the cashier's window located off the foyer on the lower level of the building. The cost is \$9. Enforcement of campus parking regulations is scheduled to begin the first day of classes, March 26.

MEETING OF STAFF SENATE SLATED TOMORROW AFTERNOON

The next regular meeting of the Staff Senate will be tomorrow (Wednesday, March 19) at 3 p.m., in Section B of the Staff Dining Room. Members of the college staff are invited to attend all meetings of the Staff Senate.

ATTENDANCE AT INSTITUTE ON GOVERNMENT AUTHORIZED BY GOVERNOR

Attendance of state employees at the third annual Institute on Government to be held tomorrow (Wednesday, March 19) in the Cal Poly Theater and the Music, Speech, and Drama Building, has been authorized by Governor Ronald Reagan, according to word received from the Office of the Chancellor, California State Colleges.

Cal Poly staff members who plan to attend must obtain advance approval from their supervisors for time off from regular work assignments, provided that coverage of the assignment, or rescheduling, can be accomplished. Since the institute occurs during an academic holiday, academic employees are free to attend without prior arrangement.

An outstanding group of speakers and panelists is slated to take part in the institute, which is being sponsored by Region 17 of the California State Employees Association. Keynote speaker on the institute theme, "Man - A Future in Public Service," will be the Hon. William P. Clark, Jr., recently-appointed judge of the Superior Court of San Luis Obispo County and former administrative assistant to Gov. Reagan. Judge Clark's address will come during the opening session at 9:30 a.m.

Discussion sessions on four different topics are scheduled for 10:30 and 1:30 p.m. Scheduled between the discussion sessions will be a luncheon served in the Student Dining Room. Tickets for the institute and luncheon combined are priced at \$2.85, and may be purchased at the theater tomorrow morning. Separate tickets for the institute or for the luncheon are priced at \$1 and \$1.85.

JUDGES, ATTORNEYS INVITED TO CAMPUS GATHERING

Attorneys and judicial officers from throughout Central California have been invited to participate in the two-day Homicide Investigation Institute to be held on campus Thursday and Friday (March 20-21) according to James E. Powell, district attorney for San Luis Obispo County. "The institute will provide an exceptional opportunity for both those who defend and those who prosecute homicide suspects," Powell said. "It will also be generally valuable to judges who are interested in the orientation being received by the modern police officer."

The institute will emphasize the team approach in crime investigation by the field detective or police officer who may occasionally perform preliminary investigation of the scene of a possible homicide. Experts will include attorneys, detectives, and medical officers well known in the field of law enforcement and investigation.

The institute, jointly sponsored by Cal Poly, Cuesta College, and the County of San Luis Obispo through the San Luis Obispo County Civil Service Commission, will focus upon the investigation of these and other crimes by field detectives and police officers. The honorable William M. Ketchum, assemblyman for the 29th district, will be the keynote speaker.

Some 400 law enforcement personnel are expected to attend the sessions, which will take place in the Cal Poly Theater. They will be welcomed by President Robert E. Kennedy of Cal Poly; Merlin E. Eisenbise, president of Cuesta College; and District Attorney Powell.
