USE OF NEW STANDARDS FOR ACADEMIC DISQUALIFICATION WILL BEGIN

Following announcements of last spring, new standards for academic disqualification will be put into effect at close of the Fall Quarter, according to Everett M. Chandler dean of students. The new standards were adopted by the Office of the Chancellor of the California State Colleges as uniform for all state colleges and will apply to grades earned either at Cal Poly or to the total of all college work attempted.

Instead of using grade point average to determine a student's status, the new regulations are based on the number of grade points earned. For the student who has a "C" (2.0) grade point average, the number of grade points will be two times the number of units attempted. A student with a GPA higher than 2.0 will have earned more than twice as many grade points as the units attempted.

Conversely, the student who has fewer grade points than twice the units attempted is below a 2.0 and his academic status is in jeopardy.

As the chart below indicates, disqualification becomes mandatory when a student drops a certain number of grade points below a 2.0 depending upon his class level. Class level is now determined by the total number of college credit units completed and is no longer based on the number of units remaining to be completed for graduation.

Class Level	Probation	May Be	Will Be
	Only	Disqualified	Disqualified
Freshman (0-44½ units completed)	½-6½	7-22	22½-more
Sophomore (45-89½ units completed)	½-6½	7-22	22½-more
Junior (90-134½ units completed)	½-6½	7-13	13½-more
Senior (135 units or more completed)	½-6½	7-8½	9 or more

If a student who is on probation (i.e., he has already been below a 2.0 for one quarter or more) falls more than 7 grade points below a 2.0, he may be disqualified by his academic division dean. If he is not disqualified at this time he will remain on academic probation for another quarter and his record will be reviewed again at that time. If a student on probation falls more than the maximum number of grade points below a 2.0 for his class level, he will be disqualified.

MEETING OF ENTIRE FACULTY AND STAFF WILL NOT BE HELD THIS WEEK

It had been announced at the Faculty-Staff Council meeting on Oct. 26 that there possibly would be a meeting of our entire faculty and staff today (Tuesday, Nov.9). Arrangements for this meeting have not been finalized and such a meeting will not be held at this time.

"REFLECTIONS OF A PRESIDENT" WILL BE THEME OF 58TH HOMECOMING

Fifty-eighth annual homecoming festivities at the San Luis Obispo Campus, announced for Nov. 19-21, will have "Reflections of a President" as their theme and recognize President Julian A. McPhee as he nears completion of 33 years as president of Cal Poly, according to announcements which have been mailed to alumni throughout the nation.

Opening event of the three-day Homecoming calendar will be the traditional bonfire and rally, planned to take place in parking lots located near Grand Avenue on campus, the evening of Nov. 19. A Rally Dance, slated for Crandall Gym, will follow and construction of floats for the Homecoming Parade, scheduled for 10:00 a.m. the following morning in downtown San Luis Obispo, will begin later in the evening and continue through the night.

Open houses in all of the San Luis Obispo Campus' instructional departments will begin activities on Nov. 20, at 9:30 a.m., and continue through 12:00 noon. The parade will begin at Johnson Avenue and Marsh Street; follow its traditional line of march to the judges stand, which will be located on Osos Street on steps of San Luis Obispo County Courthouse; and disband shortly thereafter near the intersection of Osos and Mill Street.

A luncheon, honoring alumnus of the year Verner A. Mize will take place in the Staff Dining Room on campus beginning at 11:45 a.m., and will be followed by the traditional Homecoming Game between Cal Poly's football varsity and that of University of California at Santa Barbara, at 1:30 p.m., in Mustang Stadium.

Later that afternoon, a social hour for alumni will take place at the Elks' Club in San Luis Obispo. The annual Alumni Dinner, scheduled for 6:00 p.m., also at the Elks' Club, has been announced as a "Bing Bloom choice barbequed beef extravaganza" and is expected specially to honor President McPhee.

Topping off the day will be the traditional Coronation Ball, planned to begin at 9:00 p.m., in the Men's Gymnasium on campus. An annual highlight of the ball is crowning of the Homecoming Queen, expected to take place at 10:30.

The Old Timers' Breakfast, announced for the Staff Dining Room, on campus, the morning of Nov. 21, will conclude the festivities.

NOV. 30 IS DEADLINE FOR SOCIAL SECURITY ELECTION

Recent federal and state legislation has made it possible for state employees who in 1961 chose not to take part in the federal Social Security program to have another opportunity to select coverage under Social Security if they so desire. Eligible members of the college faculty and staff who desire to transfer to Social Security have until Nov. 30 to file the transfer request form, which must be completed and mailed by the employee himself to the Board of Administration, State Employees Retirement System, Post Office Box 1953, Sacramento, 95809.

Personnel who are eligible to take part in the current election received a transfer form and official summary information brochure along with their October pay warrants which were issued Nov. 2. The brochure outlines all the various considerations an employee should give attention to while making their choice.

In particular SERS wishes to make a special point of the employees's responsibility in returning his form to the above address on or before Nov. 30.

SUPPLEMENTAL CHECKS FOR SUMMER QUARTER DUTY DUE SOON

Members of the college faculty who were on summer overtime assignment after July 1 during the Summer Quarter should begin receiving checks for amounts of the 10 percent pay raise, due on the time worked during the summer, in the next two or three weeks, according to an announcement made by campus Personnel Officer Milton Piuma last week. His statement reads:

"The ten percent raise granted July 1 to the instructional staff was applicable to those who were on assignment during the first and second parts of the Summer Quarter after the July 1 date. It is anticipated that checks for the additional amounts will become available (through the State Controller's Office) in the next two or three weeks.

"The delay has been occasioned by the campus Payroll Department's having to document every individual increase both for the first and second parts of the Summer Quarter after July 1. Processing of regular monthly warrants and merit increases have been receiving first priority."

DR. WALKER APPOINTED ACTING PRESIDENT OF SACRAMENTO STATE

Dr. Stephen L. Walker, academic vice president of Sacramento State College, has assumed administrative supervision of that college following resignation last week of Dr. Blair F. Mayne as acting president, according to an announcement from the office of Chancellor of the California State Colleges Glenn S. Dumke.

Dr. Mayne, who recently suffered a heart attack, will return to Sacramento State's faculty after a three-month recuperative period. Dr. Walker has been a member of the college's faculty for 18 years. He served as lecturer, professor of education, dean of instruction, and as dean of the college for seven years, prior to becoming academic vice president last year.

COLLEGE UNION GROUP SCHEDULES ART EXHIBIT

An invitational art exhibit, featuring both local and Southern California artists, will take place in the campus Library Friday, Saturday, and Sunday (Nov. 12-14). Purpose of the exhibit, which will be open from 8:00 a.m. to 5:00 p.m., Friday and Saturday, and from 2:00 to 6:00 p.m., Sunday, is to further acquaint and interest members of the college student body in original art works of many types.

Sponsored by the student College Union Fine Arts Committee, the exhibit will include paintings, ceramics, metal and wood sculpture, batik, drawings, water colors, and photography. Among artists expected to have work on display are Arne Nybak, Jim Evans, and Robert Clark, all of Cambria; Erna Bowman, Roger Bailey, Bernard Dusek, and Dr. Bernice Loughran, all members of the Education Department faculty; Robert Reynolds, a member of the Audio-Visual Department staff; Don Koberg, an instructor on the Architecture and Architectural Engineering Department faculty; and Jack Augsberger and James Hubbell.

Dr. Loughran will speak on abstract and non-objective art during a program planned for 2:00 p.m., Saturday, in the Library's Bibliography Room. Both the exhibit, which will be in the Library's Reference Room, and Dr. Loughran's lecture, which will be followed by a reception in the Library Patio, are admission free and open to the public.

COLLEGE SPEAKERS BUREAU REGISTRATIONS CONTINUE

Plans for establishment of a Cal Poly Speakers Bureau as part of activities for the soon-to-be-announced observance of Cal Poly's 65th anniversary are continuing and those desiring to register are invited to do so at their first convenience, according to Keith Nielsen, who is coordinating the bureau in conjunction with the campus Public Relations Office. Nielsen, a member of the English and Speech Department faculty, said yesterday that all members of the faculty and staff who wish to are invited to register as speakers.

He emphasized that participation in the bureau will be entirely voluntary and that those who register as prospective speakers will retain their prerogative of saying "no" to any invitation they do not care to accept.

Registration with the bureau will primarily be for convenience of statewide and community groups and the anniversary observance Task Force Committee so that they may be aware of the caliber and variety of professional skills available. Prospective speakers, whether or not they are registered with the bureau, may still accept engagements on direct invitation from off-campus groups as well as those tendered through the bureau. A speakers bureau brochure will be prepared and distributed to civic, alumni, and other organizations, both throughout the state and in local communities.

Those interested in registering are asked to detach and complete the form provided as an attachment to last week's Staff Bulletin and return it through campus mail to: Speakers Bureau, Room 210C, Administration Building. Inquiries for further information or copies of the registration form may be directed either to Nielsen, (546)2556, or the Public Relations Office, (546)2576.

STAFF CLUB WILL NOT HOLD LUNCHEON MEETING THIS WEEK

There will not be a luncheon meeting of the Staff Club Thursday (Nov. 11) due to Veterans' Day. Next luncheon meeting of the club, planned for Nov. 18, will be announced in the Nov. 16 edition of Staff Bulletin.

COLT GRIDDERS WIND UP BEST SEASON IN RECENT YEARS; MUSTANGS WILL JOURNEY TO SANTA CLARA

College football action of campus interest will focus on Coach Sheldon Harden's varsity after close of the freshman eleven's 1965 season last week. This weekend will find the Mustangs in Santa Clara, where they are slated to meet a strong University of Santa Clara team in a contest announced for 8:00 p.m., Saturday (Nov. 13).

The varsity club rose to the occasion last Saturday and came ever so close to posting what would have undoubtedly been one of the fall's biggest upsets. California State College at Los Angeles, the nation's third-ranked college eleven had one of its toughest battles before it could manage a 7-3 victory over the Mustangs.

Success of the Colt team could be an omen of things to come for the varsity. The frosh closed their 1965 season with a 32-14 win over San Jose State College's yearlings last week to chalk up their fourth win of the fall. Their final 4-1 record is the best posted by a Cal Poly freshman club in the past several years.

DEADLINE FOR ARTICLES APPEARING IN NEXT WEEK'S STAFF BULLETIN IS FRIDAY NOON.
