### SALE OF SPRING QUARTER PARKING PERMITS BEGINS

Parking permit decals for the Spring Quarter are now available and may be purchased from the state cashier located on the lower level of the Administration Building. The Business Management Division, which announced availability of the permits last week, suggested that early purchases of the decals would avoid the necessity of having to stand in line for those who wait until after start of the quarter to do so.

Enforcement of campus parking regulations for the Spring Quarter will begin the morning of March 29.

### LOCAL OFFICIALS WILL JOIN FOUNDERS DAY GUESTS (Continued from Page 1)

Prator, president of San Fernando Valley State College; Dr. William Dusel, vice president of San Jose State College; and C. O. McCorkle, dean of the college at Cal Poly's Kellogg Campus.

In addition to members of the campus Executive Council and various members of Cal Poly's administrative staff, local educators who will be guests include Dr. Merlin Eisenbise, president of Cuesta College, and Dr. William Watson, superintendent of schools for San Luis Obispo County.

Plans for the day have been made by a combined student, faculty, and staff committee which is responsible for planning and coordinating events connected with observance of Cal Poly's 65th Anniversary. Troutner, a member of the Crops Department faculty, is chairman of the overall committee. ### ITINERARY FOR 25TH MUSIC TOUR ANNOUNCED

Performances in 10 different Sacramento and upper San Joaquin Valley cities have been scheduled for the 25th annual concert tour of four music groups which represent Cal Poly's San Luis Obispo Campus. Slated to open the morning of March 21 with a concert at Downey High School, Modesto, the week-long tour will close March 25 at Woodland High School, where a concert, as well as a dance performance by one of the groups, is planned.

In addition to concerts for students at high schools in Oakdale, Manteca, Stockton, North Sacramento, Fair Oaks, North Highlands, West Sacramento, and the two previously mentioned cities, another performance is being planned at Sierra College in Rocklin, and two public concerts have been scheduled. The two public concerts, at Ceres High School and Del Campo High School in Fair Oaks, will be the evenings of March 21 and 24, respectively.

Music groups traditionally included in the traveling party include the Men's Glee Club; the Collegians, a stage and dance band; the Majors and Minors, a 12-member vocal group; and the Collegiate Quartet. Including some 60 members, the four organizations annually tour a different part of California, performing before high school, college, and public audiences under direction of Harold P. Davidson, head of the Music Department, who initiated the tours in 1941.

### VIETNAMESE NEWSMAN SCHEDULES CAMPUS ADDRESS

Tran van Dinh -- chief Washington correspondent for the Saigon Post and former acting ambassador of Viet Nam to the United States -- will give an address tomorrow evening (March 9), in the Little Theater on campus. Planned for 8:00 p.m., the program during which he will speak is being sponsored by the student College Union Forum Committee.

Few observers of contemporary Asia have the depth of knowledge van Dinh has acquired in his studies and personal experience. He is the son of a Vietnamese scholar who taught him Chinese literature and ideograms and was educated at Quoc Hoc College and Hanoi University. He considers himself, besides a journalist and diplomat, a poet and artist and is an accomplished linguist.

Tickets for the forum program, during which van Dinh will speak, will be sold at the door and will be priced at \$.50 for students and \$1.00 for the public.

### ARCHITECTURAL ACCREDITING BOARD TEAM PRAISES CAL POLY DEPARTMENT

Praise for the San Luis Obispo Campus' Architecture and Architectural Engineering Department came recently from members of a four-man team representing the National Architectural Accreditation Board. Their comments came during a conference with Vice President Dale W. Andrews, which concluded their recent three-day accreditation visit on campus.

Among the department's praiseworthy assets, according to the NAAB team, were the spirit of the department head, the faculty, and students; the degree of dedication of members of the department's faculty; instructional facilities; and outstanding graduates.

The team, which included Deans Robert Dietz, FAIA, and Walter Sanders of the Universities of Washington and Michigan, respectively, and architects Linn Smith, FAIA, and Davies Wilcox of Michigan and Texas, respectively, closed its stay in San Luis Obispo with a dinner meeting with Homer Delawie of San Diego; Charles Luckman, FAIA, of Los Angeles; George V. Russell, FAIA, of Los Angeles; Frank Greer of Santa Barbara; and Raphael Soriano, FAIA, of San Francisco. All among California's more successful architects, members of the latter group are all familiar with Cal Poly and its success as a training ground for successful young architects.

Outcome of the NAAB team's visit will not be known until after close of the academic year.

### PLANS FOR POLY ROYAL FLOWER SHOW NEAR COMPLETION

Plans for the Ornamental Horticulture Club's Flower Show, scheduled during 34th annual Poly Royal festivities on campus, April 29-30, are nearing completion, according to information issued by the club recently. Entries in the show, which are open to the public, can be made any time before 10:00 a.m., April 29.

Suggestions made by members of the club for those planning to enter the flower show include proper care of plants by fertilization and spraying, and watering to insure that plants are in premium condition for the show.

Other events to be sponsored by the OH Department club during this year's renewal of Poly Royal include an outdoor landscape show; student demonstrations and exhibits; filmstrip showings, floral window displays; and tours of department greenhouses and other OH facilities.

#### STAFF CLUB SLATES TALK BY PEDERSON

Willard Pederson, head of the English and Speech Department, will be the featured speaker during the Staff Club luncheon meeting, Thursday (March 10), beginning at noon, in the Staff Dining Room. Pederson, who holds both the bachelor's and master's degrees in English literature, will speak on "The Football Business -- Then and Now."

A football and basketball coach at Colorado Western State, Mount Union, and Marshall Colleges prior to becoming a member of the Cal Poly faculty in 1961, Pederson has a widely varied background as an athlete, military officer, and teacher. He was a Navy frogman during World War II and earned three Silver Star medals and the rank of lieutenant commander before it was over.

As an athlete, "Pete" became the only all-American footballer in Colorado Western history and went on to play professional football with the Green Bay Packers and professional basketball with the Oshkosh All-Stars. He was a member of both teams when they won national championships during the 1939-40 season. Pederson was also a Golden Gloves boxing champion and later won 13 fights as a professional before becoming coach of Mexico's olympic boxing team just before WW II.

Pederson, whose favorite writers are Chaucer and Shakespeare, has always insisted on teaching during some time of each year throughout his coaching career.

NEW FACULTY, STAFF FAMILIES INVITED TO BECOME FOREIGN STUDENT HOSTS

Families of newer members of the college faculty and staff are invited to participate in Cal Poly's Host Program for International Students, according to information received last week from the office of Dean of Students Everett M. Chandler.

Under the plan a family welcomes a newly-arrived foreign student, or forms a continuing friendship with a foreign student. The student may be invited into the home for meals, included in family outings and activities, or invited to attend community events as part of the family, etc., hopefully at least once a month.

Many international students who arrived on campus last fall and winter have not yet met an American family and those interested in learning more about the host program are invited to use the blank form provided below to let the committee know of their interest. After clipping and completing the form, it should be sent through campus mail to - "Host Committee, Foreign Student Office, Campus."
