## TRUSTEES SESSIONS SLATED TOMORROW, THURSDAY

Public sessions of the June meeting of the Trustees of the California State Colleges, scheduled for tomorrow and Thursday (June 1-2) in the Library's curriculum area, will be open to members of the campus faculty and staff. Meetings of the board's various committees are slated throughout the day tomorrow and Thursday morning, with a general session planned for Thursday afternoon.

### PRESIDENT REMINISCES, 25-YEAR EMPLOYEES HONORED DURING STAFF CLUB LUNCHEON

Last Thursday's (May 26) Staff Club Luncheon meeting was the occasion for presentation of 25-year awards to three long-time members of the Cal Poly faculty and staff. Presented by President Julian A. McPhee, who also presented his traditional message to the campus faculty and staff during the meeting, the awards went to Robert E. Kennedy, administrative vice president for the college; C. Paul Winner, associate dean, admissions and records; and Spelman Collins, a member of the Animal Husbandry Department faculty.

President McPhee, whose address before the Staff Club each spring has become a tradition, used his remarks to reminisce on his tenure as president of the college.

### DR. JOURARD STATES CAMPUS LECTURES

Nationally known psychologist and lecturer Sidney Jourard will address three different audiences during his visit to campus tomorrow and Thursday (June 1-2). Announced by Dr. Glenn G. McRae of the Counseling and Testing Center, the programs at which Dr. Jourard will speak include a formal lecture presentation in the Air Conditioning Auditorium, tomorrow evening, beginning at 7:30 p.m.; a discussion for interested members of the faculty and staff at 9:00 a.m., Thursday, in the Architecture Gallery of Engineering West; and a groups-in-action presentation for students and faculty and staff, alike, at 1:30 p.m., Thursday, also in the Architecture Gallery.

Dr. Jourard, a professor of psychology at University of Florida is concerned with increasing the individual's awareness of self through self-disclosure in group activities and the implications this disclosure might have for the educational processes in all disciplines. Members of the faculty and staff are especially invited to attend all three programs. There will not be an admission charge.

### COMMUNITY WILL HONOR PRESIDENT MCPHEE

A community-wide testimonial dinner, scheduled for tomorrow (Wednesday, June 1) evening, will honor Cal Poly President Julian A. McPhee, who will retire next month after 33 years as head of the college.

The dinner, being sponsored by the San Luis Obispo Chamber of Commerce, will take place at the Elk's Club in San Luis Obispo, beginning at 7:30 p.m. Many leaders of local communities, as well as members of the Trustees of the California State Colleges, are expected to gather to honor the president.

While facilities for the affair are limited, a few tickets remain and may be purchased at the Chamber of Commerce office, 862 Marsh Street, San Luis Obispo.

### FACULTY, STAFF REMINDED TO HAVE PERSONAL MAIL SENT TO HOMES

The campus General Office and mail system clerks have again asked members of the college staff and faculty to have their personal mail sent to their homes rather than to their campus address. In a reminder issued last week, General Office Supervisor Kathryn Rowland said the necessity of handling personal mail causes both delays in delivery of official mail and over-burdening of the campus mail system.

ANDERSON, HYER NAMED TO STATEWIDE SENATE; LOCATION OF COUNCIL MEETING CHANGED

Election of Warren Anderson and Edgar Hyer as the San Luis Obispo Campus' representatives to the statewide Academic Senate of the California State Colleges and another change in location of its June 7 meeting were announced last week by the Faculty-Staff Council. The San Luis Obispo Campus' other senator, Robert Mott, head of the Physical Education Department, is presently in midst of his term.

The F-SC's next meeting, scheduled for next Tuesday (June 7) at 3:15 p.m., will take place in the Staff Dining Room. Previous announcements had been that the meeting would take place in the Air Conditioning Auditorium.

### W O W GROUP ASKS FOR "INVITATION TO THOUGHT" ASSISTANCE

Students making plans and arrangements for the myriad of events that make up traditional "Week of Welcome" activities, held the week prior to start of classes each fall, have issued an invitation to members of the college faculty and staff who may be interested in acting as resource advisors for discussion groups being planned as part of WOW's Invitation to Thought.

The Invitation to Thought activity, planned for Sunday, September 18, at 6:30 p.m., involves a general session for all students during which students are introduced to the more serious aspects of campus life and given a preview of Cal Poly's faculty-student relationship. A second part of the program involves individual discussion groups designed to give each new student a chance to express himself in an informal situation. This is the program for which resource advisors are needed.
