STRANGE CIRCUMSTANCES BRING CAL POLY ALUMNUS, NEWS ARTICLE TOGETHER IN SAIGON

Would you believe that a feature story on the retirement of Julian A. McPhee, former president of Cal Poly, is being circulated in Saigon, Viet Nam? James Moore, a second lieutenant in the United States Army and March, 1966, graduate of the Technical Journalism Department who is currently stationed in Viet Nam, last week sent a copy of a newspaper article he acquired in a rather strange fashion to a friend on the college staff.

Having sent his laundry out to be done at a local shop in Saigon, Lt. Moore discovered, much to his surprise, that upon return it was wrapped in pages of the (Sunday, June 5, 1966) Fresno Bee. The pages contained a feature article written by a former classmate of Moore's and former student at Cal Poly, Wayne Cox, covering the retirement of President McPhee. Cox has been a reporter for the Fresno newspaper for the past three years.

In Moore's own words, "It's unbelievable how small the world is."

NOBLE NAMED TO STATEWIDE COMMITTEE

Glenn A. Noble, head of the Biological Sciences Department, has been named to the statewide Ad Hoc Editorial Committee on Distinguished Teaching Award Publications, according to an announcement received last week from the office of Chancellor of the California State Colleges Glenn S. Dumke.

A veteran member of the college faculty, Dr. Noble was recommended as a member of the committee by Vice President and Chief Executive Officer Dale W. Andrews. Dr. Andrews reported last week that the purpose of the newly-appointed committee will be to review and screen materials which have been submitted for consideration under the Distinguished Teaching Awards publications program of the state colleges.

First of several meetings of the committee is scheduled for March 28 at the Chancellor's Office in Los Angeles.

SALE OF SPRING QUARTER PARKING PERMITS CONTINUES

Parking permits for the Spring Quarter are still available and may be purchased from the State Cashier, located on the lower level of the Administration Building, according to an announcement from the Business Management Division. The announcement suggests that permits for Spring Quarter parking be purchased early in order to avoid having to stand in line to make purchases after the quarter begins.

Enforcement of all campus parking regulations will resume with the start of classes for the quarter, March 30.

BALLOTS FOR FACULTY-STAFF COUNCIL ELECTIONS TO BE DISTRIBUTED

Ballots for the election of new members to the college Faculty-Staff Council will have been distributed through the various departments of the college by the end of this week, according to information released by the council's Elections Committee last week. Quoted below in its entirety, the committee's statement reads:

"By the end of this week, your Elections Committee (Noble, chairman; Andreini; Fuller; Hapgood; Rickard; and Seeber) will have distributed the ballots for elections to membership on the Faculty-Staff Council. The ballots will be given to each department head who is requested to see that each member of his department receives one. We make this request because there are many departments which do not have representatives on the council. According to the council constitution (p. 8, 1st para.) "The ballots will be distributed to each faculty and staff member . . . " All members of the faculty and staff are eligible to vote.

"Ballots must be received in General Office I, Administration Building, by Monday, 3 April.

"Elections for membership to the Consultative Committee for selection of the Dean of Engineering will be held after the Faculty-Staff Council elections have been completed (5 April)."

FILMS OF RECENT "HI MOUNTAIN ENDURO" SLATED FOR STAFF CLUB LUNCHEON

Films of the annual Hi Mountain Enduro motorcycle competition will be featured when Lloyd Dietrich and several members of the Poly Penguins student motorcycle club present the program for this week's Staff Club luncheon meeting. Starting time for the meeting, which is planned for the Staff Dining Room, will be 12:00 noon.

The Hi Mountain Enduro is an annual competition, sponsored by the Poly Penguins, which puts the emphasis on skill rather than speed and which takes place in mountainous terrain rather than on a track or roadways. The student club, a recognized affiliate of the American Motorcycle Association, has as one of its purposes the education of motorcyclists in the safe and courteous use of their vehicles.

TOPIC FOR MEETING OF C S E A CHAPTER ANNOUNCED

"Diamonds Are a Girl's Best Friend" will be the topic when Rudy Silva, a San Luis Obispo jeweler addresses the luncheon meeting of Chapter 97 of the California State Employees Association scheduled for tomorrow (Wednesday, March 15), starting at noon in the Staff Dining Room.

Silva sees the diamond as one of the best investments one can make against inflation, according to Howard Rhoads, program chairman for the CSEA Chapter. Rhoads, also a member of the Crops Department faculty, points out that members and guests will want to be sure to attend tomorrow's meeting just in case Silva decides to give away samples. He promises that the talk will be both entertaining and informative.

DEADLINE FOR ARTICLES APPEARING IN NEXT WEEK'S STAFF BULLETIN IS FRIDAY NOON

SCHEDULE FOR BAND TOUR, ADDITIONAL DATES ON MUSIC TOUR ANNOUNCED

The completed schedule of performances for the annual tour of the college Concert Band and two additional concerts for the annual Music Tour were announced last week. Both tours are slated to begin early next week and conclude the evening of April 1 in widely separate parts of the state.

Eight performances in seven Central and Northern California cities were included on the schedule for the Concert Band, which was announced by William V. Johnson, a member of the Music Department and conductor of bands for the college. After opening performances at Vandenberg Air Force Base and Cabrillo High School, Lompoc, March 28, the itinerary for the band will take it to El Cerrito, Vallejo, San Bruno, Santa Cruz and Clovis before it ends.

Highlights of the 70-member band's 1967 tour are expected to be evening concerts being planned at Vandenberg AFB, March 28; Franklin Junior High School, Vallejo, March 30; Santa Cruz High School, March 31; and Clovis High School, April 1. Also included in the tour itinerary are assembly appearances at El Cerrito High School and Capuchino High School in San Bruno and a special afternoon concert scheduled in Clovis.

The two additional appearances for the Music Tour have been announced for La Jolla High School, the morning of March 28, and for Santana High School, Santee, the afternoon of March 29. Also announced was a concert at Mesa College, San Diego, the afternoon of March 30, which had been inadvertently left off the tour schedule announced earlier this month.

This year's Music Tour, 26th in a series which began in 1941, will open March 27 with performances at Westchester High School in Los Angeles. Before it ends with an evening appearance scheduled for April 1, in the Civic Theater of the San Diego Community Concourse, the 60 members of the tour party will have given 18 concerts in eight different Southern California cities.

Campus music groups included in the Music Tour party will be the Men's Glee Club; the Collegians, a stage and dance band; the Majors and Minors, a 12-member vocal group; and the Collegiate Quartet. All four organizations are under the direction of Harold P. Davidson, head of the college Music Department and originator of the tour series.

EARLY DEADLINE ESTABLISHED FOR MARCH 28 "BULLETIN"

Noon, next Wednesday (March 22), has been established as deadline for receipt of copy intended for the March 28 issue of Staff Bulletin in the Public Relations Office Cause for the change in deadline, which will be in effect for that issue only, is the holiday schedule during the Easter and end-of-quarter periods.

VISIT OF ACSCP INSURANCE REPRESENTATIVE ANNOUNCED

Brice Fulgham, statewide insurance representative of the Association of California State Colleges Professors, and Robert Sanders, chief of the Health Benefits Division of the State Employees Retirement System, are scheduled to visit Cal Poly Friday (March 17), according to information received last week.

Their visit will provide a chance for all members of the college faculty to get some answers to insurance questions that may have been bothering them, according to Laurance H. Carr, a member of the Physical Sciences Department faculty and representative of the campus ACSCP chapter.

TODAY'S "BOOKS AT HIGH NOON" LUNCHEON IS LAST FOR WINTER QUARTER

J. Murray Smith of the English and Speech Department faculty will be the reviewer when the Books at High Noon group meets at noon, today (Tuesday, March 14), for its final meeting of the Winter Quarter. First program of the Spring Quarter for the book review series is expected to take place April 4.

Michael Kirby's Happenings will be the topic of Smith's review. Of the book and "happenings," he says, "They are a curious art form, which may have already passed. They have occurred both indoors and outdoors, but not in California."

40 INCLUDED IN CAST FOR DANCE CONCERT

A cast of 40 students is scheduled to perform during the annual Dance Concert which is being planned for this (Tuesday, March 14) evening in the College Theater. Scheduled for 7:30 p.m., the concert is being staged by the women's section of the Physical Education Department under the direction of Sharon Kerr, a member of the department's faculty.

Miss Kerr, who announced plans for the concert last week, said that its program presently includes a variety of dance forms, including modern, ballet, abstract, folk, and comedy. Admission for the program, to which the public is invited, will be free.

INTEREST SECTION MEETINGS SLATED FOR CAL POLY WOMEN'S CLUB MEMBERS

Activities of four special interest sections of the Cal Poly Women's Club have been scheduled for the next two weeks, according to a calendar of activities released by the club last week. Included were meetings of the club's Home and Garden; Bridge; Newcomers; and Book, Music, and Art Sections.

Home and Garden Section -- Tomorrow (Wednesday, March 15) is the date of the next meeting of the CPWC's Home and Garden Section. Being planned for that gathering, during which members of the section will entertain their husbands, is gourmet buffet and recipe exchange. The meeting will take place in Room 129 of Dexter Memorial Library, beginning at 6:30 p.m.

Newcomers Section -- Mrs. Nelson Smith will demonstrate cake decorating during the meeting of the Newcomers Section of the club which is being planned for Thursday (March 16) evening. The meeting is scheduled for the home of Mrs. Peter Molnar, 1633 Santa Rosa, San Luis Obispo, beginning at 8:00 p.m.

Bridge Section -- Monday (March 20) evening has been established as the date of the next meeting of the club's Bridge Section. Announced for 8:00 p.m., the meeting is scheduled to take place in Room 129 of Dexter Memorial Library on campus.

Book, Music, and Art Section -- Jewelry making will be the topic when the CPWC's Book, Music, and Art Section gathers for its next meeting. Planned for the evening of March 28, starting at 8:00 p.m., the meeting is scheduled to take place in the home of Mrs. James Culbertson, 115 Del Norte Way, San Luis Obispo.

DEADLINE FOR ARTICLES APPEARING IN NEXT WEEK'S STAFF BULLETIN IS FRIDAY NOON

JAPANESE FILM SCHEDULED FOR C U FINE ARTS SERIES SHOWINGS

The Island, a film made in Japan under the direction of Kaneto Shindo, will be the next presentation of the College Union Fine Arts Film Series for 1966-67. Separate showings are being planned for Friday (March 17) evening, beginning at 7:00 and 9:30 p.m., in the College Theater. Admission will be \$.50 per person.

The first feature-length film by Shindo to be released in the United States, The Island is a small masterpiece in all its simplicities, according to advance notices. The film's cast consists of a farmer, his wife, and two small sons. Its story is of their struggle as the sole inhabitants of a small island. Its backgrounds are the land and the sea, and its sounds are the natural sounds of activity and a musical score. There is no dialog.

WHO . . . WHAT . . . WHEN . . . WHERE ? ? ?

William R. Gibford, Animal Husbandry, has been appointed to the Board of Directors of the 16th District Agricultural Association by Governor Ronald Reagan. Announced in Sacramento late last month, his appointment to the board, which is responsible for staging the annual San Luis Obispo County Fair, is for a term of four years.

T. M. Rickansrud, Physical Sciences, was one of those who retired from membership on the Board of Directors of the 16th District Agricultural Association late last month. A past-president of the board, Rickansrud had been a member of the board, which produces the annual San Luis Obispo County Fair, for eight years.

Miles Johnson, English and Speech, is author of a recently-published book. Entitled The Government Secrecy Controversy, the new volume deals with the government-press controversy over the government's manipulation of information and news during the Eisenhower, Kennedy, and Johnson administrations.

Byron E. Harrison, Agricultural Education, attended and participated in meetings of staff of the California Bureau of Agricultural Education which took place in Los Angeles, February 27-March 1.

Leon Osteyee, head of Mechanical Engineering, served as a member of a panel of engineering educators who met early this month to screen applications for funds to purchase laboratory equipment for the National Science Foundation. The committee held its deliberations in Burlingame.

James V. Stechman, Animal Husbandry, attended combined meetings of the American Society of Range Management's Youth Council on Education and Section Planning Council held in Santa Barbara, late in February.

David H. Montgomery, Biological Sciences, is editor of the recently-published Summer, 1967, edition of the Directory of Marine Sciences Programs and Facilities on the Pacific Coast. Contained in the directory is descriptive information on the 42 marine science facilities located on the Pacific Coast which offer college-level programs.

Leo Sankoff, Poultry Industry, attended meetings of the Board of Directors of the Western Poultry Congress and Junior Poultry Congress, held March 3, in Fresno.

DEADLINE FOR ARTICLES APPEARING IN NEXT WEEK'S STAFF BULLETIN IS FRIDAY NOON

BASEBALL CONTESTS HIGHLIGHT CAMPUS SPORTS SCHEDULE FOR THE WEEK

Four home baseball games, two each for the freshman and varsity nines, are at the top of the sports calendar for this week. Also included on the slate is a journey by the freshman and varsity track and field teams to compete in the Hancock Relays, which will take place in Santa Maria, Saturday (March 18) evening beginning at 7:00 p.m.

The diamond action for the week begins tomorrow (Wednesday, March 15) afternoon, when the Cal Poly freshman baseballers host Cuesta College in a tilt billed for a 2:30 start on the campus diamond. The frosh club winds up its activity for the week Saturday morning when it hosts Hancock College in a game announced for 11:00 a.m., also on the campus diamond.

Coach Bill Hicks' varsity baseball team will confine its play this week to the weekend. Friday (March 17) afternoon the Mustangs will host San Francisco State College in a game slated for 2:30 p.m., while Saturday afternoon will find them playing host to California State College at Hayward, also at 2:30 p.m. Both varsity games will take place on the campus diamond.

Highlights of last week's limited schedule of sports activity included the seventh-place finish recorded by Coach Vaughan Hitchcock's varsity wrestlers in the NCAA national College Division tournament, which took place in Wilkes-Barre, Pa.

PLACEMENT CALENDAR -- INTERVIEWS ON CAMPUS THIS WEEK

VERITRON WEST, INC., Chatsworth. C. J. Rawson, executive vice president and general manager, and E. W. Emmerich, director of engineering, will interview seniors in ME and WM. (3/14)

CASTRO VALLEY UNIFIED SCHOOL DISTRICT. William L. Crozier, director of certificated personnel, and Bill Wilde, elementary school principal, will interview teaching candidates for positions in K-6, and secondary positions in math, science, home economics, girls' PE, and educable mentally retarded. (3/14)
