Cal Poly's Horticulture and Crop Science Department will hold tours of the Leaning Pine Arboretum and a spring plant sale April 27.

Students will offer arboretum tours at 9:30 a.m. and 1:30 p.m. The 5-acre arboretum features plants from Australia, South Africa, the Mediterranean basin, California and elsewhere, and offers many ideas for Central Coast gardeners.

The department is also holding a spring plant sale from 8 a.m. to 3 p.m. at the arboretum. Landscape shrubs, flowering perennials, annual color, succulents, herbs, ornamental grasses and more will be available.

Admission and parking are free. All proceeds support the development and advancement of the Leaning Pine Arboretum. For details, call the department at 756-2888.

To get to the arboretum, use the Highland Drive entrance to campus on Highway 1. Turn left on Via Carta (the third stop sign) and follow the signs to the parking area.
