SAN LUIS OBISPO -- Students from 47 California counties are included on the 2002 President's Honors List released by Cal Poly.

The approximately 850 undergraduates listed earned grade point averages of 3.5 or better (out of a possible 4.0) during any three quarters of the 2001-2002 academic year, which began with summer quarter 2001 and ended with spring 2002. Only those enrolled in 12 or more units of study are eligible.

Cal Poly, part of the 23-campus California State University system, offers 62 bachelor's degrees, 25 master's degrees, 50 minors and eight credential programs.

Nearly 18,000 students are expected to enroll this fall in Cal Poly's colleges of Agriculture, Architecture and Environmental Design, Engineering, Liberal Arts, Science and Mathematics, the Orfalea College of Business and the University Center for Teacher Education.
