Cal Poly's Alpha Gamma Rho Fraternity Holding Homeless Care Package Fundraiser

SAN LUIS OBISPO —The Cal Poly Chi Chapter of Alpha Gamma Rho is holding a philanthropy event through the end of fall quarter to aid the homeless population of San Luis Obispo. All proceeds raised during the donation period (Nov. 10 through Dec. 2), will be spent on gathering care packages for the homeless community of San Luis Obispo.

With winter approaching quickly, the brothers of Alpha Gamma Rho want to help ensure that the homeless have sufficient warm clothing, plenty of food to eat, and the opportunity to enjoy the pleasure of receiving a gift during the holidays.

On Dec. 6, the brothers will dress in holiday-themed costumes and distribute the care packages to homeless residents in San Luis Obispo. The fraternity chapter's goal is to raise \$1,500 to put toward packages.

Donors should look for donation boxes that will be located on the checkout counters of many local businesses. Donors also can visit the "donate here" tab on the fraternity chapter's Facebook page: www.facebook.com/AGRcarepackagefundraiser, or contact President Garret Rowley at growley@calpoly.edu, Philanthropy Chair Brad Kurtz at bckurtz@calpoly.edu, or Fundraiser Coordinator Matt Lockwood at mlockwo@calpoly.edu.
