

CATALOG/COURSE REVIEW: Following the practice implemented in previous years, summaries of all course or catalog proposals sent by the Academic Senate Curriculum Committee to the Senate for consideration are posted on the web. Every senator is expected to review these proposals as well as the accompanying recommendations of the Curriculum Committee. The URL for the proposals appearing on the March 17, 2022 consent agenda is provided here:

These items are found in the [Status of Proposals](#), Proposals Outside of the Catalog Review Cycle.

The Senate Chair (or designee) will invite representatives from the concerned departments and the Academic Senate Curriculum Appeals Committee to be present at the meetings where pulled proposals will be discussed. Following discussion in the Senate, the Academic Senate Curriculum Appeals Committee will make the final decision to approve, disapprove, or return the items to committee (at any level) for further development. Items not removed from the Consent Agenda are considered approved on the meeting date of the Consent Agenda."
