

Name _____ Team _____

The Amazing Library Race – HCS 110

You will form teams of 4 or 5 people. Please select a name for your team. Each team member will turn in his/her own worksheet, but you will be working together during lab. There are **five legs of the race**, and they are to be worked on one at a time. The answers for each leg must be completely correct before you can go on to the next one. The team that finishes the race first will win a prize.
