‘Click it or Ticket’ monitoring begins
University Police are participating in this year’s “Click it or Ticket” seatbelt safety campaign. Police will be out May 9-15 monitoring the number of drivers that don’t buckle up. During the campaign, May 16-June 5, officers will issue tickets to drivers who don’t wear seatbelts, no matter how short the on-campus drive. From June 6-12 police will again monitor drivers to see if seatbelt use rates are up. Surveys show that 90 percent of Californians wear their seatbelts. The annual campaign is aimed at the 10 percent who don’t. For more details about the “Click it or Ticket” campaign, contact University Police Department Crime Prevention Officer Larry Ponting at ext. 6-6678.
