GOVERNOR TO VISIT CAMPUS

State Chamber Sponsors Dinner at Poly

On Friday evening, Nov. 4, California Polytechnic will be host to the guests of the State Chamber of Commerce for a banquet in the Poly cafeteria. It will be one of the events marking the fifty year anniversary of the PolyPhone News. This gathering of California dignitaries will be the biggest in years, as the State Chamber of Commerce not only is the host of the event but also the guest of the PolyPhone. It is the largest event between northern and southern California in the history of the PolyPhone News.

The PolyPhone will be a publication of the State Chamber of Commerce for its fiftieth anniversary. This publication will be supplemented by the PolyPhone News, which will be distributed to the Southern California area.

California Polytechnic College, San Luis Obispo, California, Friday, November 4, 1938

Julian A. McPherson

Coupes Tells of National F. A.

The National Future Farmers convention in Kansas City was the subject of an interesting talk given by Mr. George P. Coupes of California State Polytechnic. Mr. Coupes is a member of the PolyPhone News staff. He is also a member of the American Association of Agriculture and Industrial Education.

The convention was held at the Kansas City Convention Hall, where over 3,000 members of the National Future Farmers Association were present. The convention lasted for four days, during which time several important topics were discussed.

One of the most important topics was the future of agriculture in the United States. According to Mr. Coupes, the future of agriculture in the United States is very promising. He said that the future of agriculture in the United States is very promising.

The Poly Royal officers are:

President: Harry Wineroth Jr.
Vice President: Robert Bell
Secretary: Hugh Goold
Treasurer: Harold Gibson

The Poly Royal is the student body publication to aid in the realization of greater things for the school and the student body.

There are eleven Odets who are completing their senior year. It is the practical side of agriculture that is the aim of this group. These students have been outstanding men in their studies and will make good students in the field of agriculture.

The varsity is composed of Legend, first tenor; Thimpson, second tenor; Rostoks, baritones, and Paul Johnson, bass. The Collegian is composed of Bert Davis, first tenor; J. D. Davis, second tenor; Alvin Leis, tenor; George Smith, lead; and Charles Wilson, bass.

They are still hitting it off. Some of the old steady goers are getting married. Our hats are off to the real thing. We hope to see some of you at the real thing. We hope to see all of you at the real thing.

Dick Harris Heads High School Alumni Association

Time out for a little advice to Dick Sparks. If you must make a survey of the Blue Pacific, stay on the pavement, they usually charge $10 for low service. Some of the old steady goers are still hitting it off, such as Hank and Betty, Jim and Peggy, Ray and Margaret, Harry and "Our Well," and the rest. Above is the beautiful administration building at the southern branch. This and many more fine buildings were donated by Mr. Charles Vodrie.

**FRUIT NOTES**

The Fruit department has also been off the air, now they are located in the small room adjacent to room 106 and 109 in the Ag. Ed. Building. The first project of the year will only house the Fruit and Crop Science department. It will also contain a new room for the Cal Poly Art. This room is a duplicate of a high school ag. room and is intended to give the students a chance to get some real experience in industry. It will be typical of the quarters that they will have when they become Ag. teachers.

The students that have been put in and taken out of the field in the back of the new building have not been a bother to the students, but they served a definite purpose. That of showing the Fruit class students how to look after the trees. The trees that are usually quite a few feet away were placed in the room so the students could see the trees. The trees are lined up from where they looked at them. They learned how to contour an orchard so that it could be irrigated. A hose and pipe was provided so that the students could use the contour, the horses never arrived and consequently the boys had to pull the plow themselves from the reports received they did rather well.

**COMING DANCES**

Here are the dates for school dances to come so all you fellows can tell your girl friends to keep them open. On Nov. 16th the Ag. Society will have the San Jose vs. Cal Poly game at our home field. Then on the 10th of November the Aeroclub will have their dance for the year and following that on the 10th of December the Air-Conditioning Club has their chance to display their decorations. This will be the last dance before Battle Creek vacation.

Remember the fun that was had last year? Well, Friday night of the week and every Friday night afterwards the Collegiate sponsors the Jell-O Gym. Bring the girl friend and have a ball.

For the first six months of 1938, gifts to educational institutions netted $5,956.18 from the total of a similar period of last year.
