Mustang Men Travel South To Ventura

Again linking to the road, this week finds the Mustangs of California Polytechnic College on the road against Ventura. 

At 2:30 p.m. tomorrow, the train will leave for Ventura. It will be a trip of about 100 miles. The team will arrive at Ventura at 4:30 p.m. and will be present at the Friday night football game between the Pirates and the Mustangs.

Drive Opens Soon To Sell Tickets for Special Train to Davis for Grid Game

More than 400 California Poly students and alumni have already purchased tickets for the special train to Davis for Grid Game. Get your tickets today.

Annual Poultry Club Barbecue Set for Tomorrow in Cafeteria

The annual Poultry club banquet will take place tomorrow night in the cafeteria. The event is open to all members of the student body.

Potential Mustangs - 1940 El Mustang Staff Listed

The 1940 El Mustang, which will be published next month, has two editors, John Carraburu and Louis Lowe, who will be in charge of the editorial content and Lowe the pictures. The staff consists of six members, as well as many students who will assist in the work necessary to produce the yearbook.

Charles Boggs, Wayne Lowke Chosen as El Rodeo Co-editors; Staff Meets

The student affairs council this week voted to make Charles Boggs and Wayne Lowke editors of El Rodeo, the student newspaper. Both students are active in student organizations.

Poly Stages First Amateur Show

Each Frosh Must Labor On Bonfire

Bonfire Program Friday Realed

The greatest football rally in Cal Poly history is scheduled to take place on Thursday, the annual Bonfire at 8 p.m. The program will include a variety of activities and competitions.

Sunday Sing Periods Will Continue As Regular Feature

Encouraged by a large, enthusiastic audience, the Poly Morale Boosters decide to continue the Sunday sing periods.

American Farmer Degree Awarded Former Student

Aldo Tognetti, a former student, was awarded the American Farmer degree by the American Farmers' organization. Tognetti was active in student organizations.

Charlie Boggs, Wayne Lowke Chosen as El Rodeo Co-editors; Staff Meets

The student affairs council this week voted to make Charles Boggs and Wayne Lowke editors of El Rodeo, the student newspaper. Both students are active in student organizations.

Names of Students Who Will Receive Pilot Course Listed

A short meeting of the club was held yesterday afternoon in charge of all arrangements to demonstrate the enthusiasm of the members.

Names of Students Who Will Take the Flight Program

The assembly will start with a talk by Assistant businees manager last year, C. S. Dooley, who served the last two years as assistant busineses manager. The assembly will conclude with a talk by Mr. Dooley, who will serve as businees manager this year.
The El Mustang staff wishes to extend its best wishes for a fruitful year to our fellow students in the freshman class. We wish them strength and courage in their studies and in all the problems which they will face. This class is the backbone of the future of Cal Poly, and we hope they will prove themselves to be a credit to the college.

Congratulations to the members of the freshman class, and to all the faculty and staff who have helped them along the way. We look forward to seeing how they will grow and develop in the coming years.

Question of the Week

"What About Hazing?"

"Hazing is a dam good thing when some brain power is used. We get rid of superstitious fellows as we go on. We're not afraid of a few fellows who may not like the rough stuff."

B. H. McMillan, president.

Conversely to the belief of some people, the traditional hazing of incoming freshmen is not being carried on in the usual way. The college has taken steps to discourage this practice, and the students are encouraged to express themselves in simple words.

The landscaping department this fall was intended to take some of the "strain" out of those who have come here expecting to "rule the roost." The students have been given a chance to take part in campus activities and to express themselves in simple words.

One of the chief purposes of an education at California Polytechnic is the development of a well-rounded man. To attain this end, more is required of the student than merely classroom work. Every college, not high school. You are the fellows who should start realizing this fact.

Remember that Cal Poly is trusting in you to carry the fineness of college, not high school. You are the fellows who should start realizing this fact.

Why Not Exercise Your Vocabulary?

For the many improvements about the campus the landscaping department is largely in the hands of its freshmen.

The freshman class and faculty members will be the new fishpond, to discuss. Its colorfulness when used once in a while is attractive. Will—well, we hope to see the improvement of the campus building. The freshmen have really taken off.

Remember that Cal Poly is trusting in you to carry the fineness of college, not high school. You are the fellows who should start realizing this fact.

Seven Poly Animals Will Be Shown At National Dairy Show

Seven of the best dairy animals at California Polytechnic are being exhibited in the National Dairy Show on Treasure Island in San Francisco. The showing of these animals is under the supervision of Charles Ball, Poly dairy headman. All of the animals have placed high in previous competition this year. Topping the list is the 1939 buttermilk cow of the Poly campus. This cow will be shown at the show in the junior class for cows. This cow was shown at the Poly fair and won second prize for aged cows at Pomona. The bovine star of this collection is a three-year-old Holstein Friesian bull owned by the Poly dairy unit. This Holstein bull will be shown at the Dairy Show as the first prize for aged bulls at Pomona.

1939 Animals on Exhibit

Another exhibit at the Treasure Island show will be Polytechnic Dairy Cooperative's herd of dairy cattle. The Poly herd is rated as one of the best in the United States. The Poly entourage will be shown in the junior class for cows. This cow was shown at the Poly fair and won second prize for aged cows at Pomona. The bovine star of this collection is a three-year-old Holstein Friesian bull owned by the Poly dairy unit. This Holstein bull will be shown at the Dairy Show as the first prize for aged bulls at Pomona.

Constitution Group Meets Wednesday To Complete Revisions

The constitution committee will meet Wednesday, Oct. 28, to complete the revisions of the Constitution for the Polytechnic Dairy Cooperative student body. The committee has been working in order to eliminate conflicts, to make the organization more practical, and to make it a more efficient and easier to understand organization. The present members of the committee are Julius A. McPherson, Harold G. Wilcox, Gene Thomas, Robert J. Mathews, and Isidoro J. Tingley. The committee will meet Wednesday at 7 p.m. at the Poly library. The Poly dairy students are assured of help with any questions they may have.

School Master's Club Invited To Cal Poly

As a result of the Poly dairy cooperative's agreement with the California Polytechnic student body, the Poly dairy cooperative will be invited to participate in the activities of the Polytechnic Dairy Cooperative student body. The Poly dairy cooperative has been working closely with the Polytechnic Dairy Cooperative student body in order to make the organization more practical and to make it a more efficient and easier to understand organization. The present members of the committee are Julius A. McPherson, Harold G. Wilcox, Gene Thomas, Robert J. Mathews, and Isidoro J. Tingley.

Activities of Gamma Pi Deltas Reported

Campus activities of all members of Gamma Pi Delta educational groups were being listed this week by James A. McPherson, secretary of the group. A request for this report was made at a recent meeting of the club by A. M. McPherson. The society discussed a date for a mixer trip to the Gold Coast, on their international exposition at Treasure Island, but since the opening of the exposition, they have agreed not on a date before the closing of the exposition on the 15th.

Possibility of other trips during the year was considered. John Carrington suggested that whenever the club members have a spare dollar or two that they use for travel, the club will be able to expand its activities.

Faculty to Cooperate In Student Assemblies

Faculty cooperation in promoting larger student attendance at student assemblies and other functions was stressed at a recent meeting of the Faculty to Cooperate. Faculty members were requested to read the student slips for dairy work and to be present at the slips at the Poly fair in Pomona.

Pirate End That Snags 'em

The Inter-Dorm basketball tournament will start around the last of this month. During the first week, Cal Poly students are asked to call a meeting of their respective dormitory to plan their schedules and find dorm mates to play with to provide teams of equal ability. Each dormitory is to have a team, or teams, with no more than two men. Those fellows who live in the same dorm have to have teams, but must represent some dorm in order to avoid complications. Three from each dormitory are to play and only three from any one dormitory are allowed to enter a team. The dormitories may have teams. For the most part, these teams will have students that live in the same dormitory, but if it is necessary, some students can be traded off. The teams will be disqualified. The dormitory tournament aims at being a big turn out for this basketball tourney. Some of the participants may make good material for the coming year.

Street Lights for New Units Discussed by Cafe-Dorm Committee

The matter of having street lights for the new dormitory structures on campus and downtown by the Poly has been brought up and discussed during the cafe-dorm committee meeting held last week in the cafe. Capt. C. J. Day said it is the matter up for标cal officers concerning the matter.

It is not known if the streets in the area of the dormitories will be improved. Other students are studying the idea to see if the Poly will be in a position to do anything about the proposition. It is being considered that the Poly will have permission from the town to do anything.

The Poly students are left to handle the decision. Bob George Raymond made the suggestion that the Poly students be informed about different kinds of materials to select. The Poly student body is 20 or 30 strong.

Monthly Based on a charge of $8.00 the dormitory structures will be built for a price of $200.00 or less. The Poly student body is expected to have the street lights installed in the area of the dormitories.

Weekly Based on a charge of $14.00 the dormitory structures will be built for a price of $200.00 or less. The Poly student body is expected to have the street lights installed in the area of the dormitories.

Dairy Student Set For San Francisco Trip

Final preparations were made and last minute details were settled this week by Los Lecheros, Poly dairy club. The Poly dairy club is headed by Leonard Raymond, Brown, and Alden Johnson. The Poly dairy club is made up of several students who are interested in dairy farming and who want to attend the UC Dairy Show in San Francisco. The dairy students are expected to be at the Dairy Show this year.

Mustang Reserve May Meet San Luis Jaysee Team Here Nov. 1

Wednesday, Nov. 1, will probably be a period of some of the greatest rivalry seen in San Luis Obispo for many a moon. On that night there is expected to go down in history as a great night for both the Mustang reserve and San Luis Obispo explosionary varsity.

Coach Red O'Daniel and Coach CIMROG of the Mustangs are making arrangements now for the battle of the century. The J. C. boys would not want to be beaten in their own home by any team, while the Mustangs would be just as anxious to win a defeat would be no disaster.

Mustangs and Pirates Battle in Ventura

(Continued from page 1)

time is set for tonight. No special means of transportation for Poly students to the game has been arranged. The Mustangs and Pirates are expected to be at the game.

The Cal Poly starting lineup for the game follows:

E, Bob Danielson (44), 180.
F, John Stombaugh (40), 165.
C, George Radnich (22), 160.
RH, George Silva (13), 160.
