Student Teachers Put On Program in Gym Today

Cadet teachers at California Polytechnic presented the program in the gym to be offered at the regular Associated Student Assembly. The program was postponed at the request of the Music Club.

_whe two and a half hour assembly program will be presented at 3:15 p.m. today in the gymnasium at California Polytechnic College.

Several school teachers and high school students will participate in the program.

No El Mustang
Issue Next Week

Hundreds of California Polytechnic students will desert the campus at exam week Wednesday for the annual Thanksgiving recess. Originally scheduled in the Poly calling for the last weekend in November, the Thanksgiving holiday was postponed last Friday to conform with examination dates.

Without this danger signal, many Poly students plan to use Thanksgiving as a day of rest in preparing for the exams that will follow.
I DO NOT AGREE WITH ONE WORD YOU SAY, BUT WILL DEFEND WITH MY LIFE YOUR RIGHT TO SAY IT.

"I don't know, Miss Roedeer." Dear Cousin. What kind of kind.

Well, let's kind of系 up that discussion we won't hang about whether a person is kombig a hundred or not. Must get our life out of worry and not hang our desires on eath. So let's think about what could be done.

The fate of others should not be dependent on one's own actions. But why should the fate of others be dependent on us? The fate of others should not be dependent on one's own actions. But why should the fate of others be dependent on us?

The Jew Fights Back

Castles, happy peasants, metaphysics, quaint musical quartets, all that stood for pre-Hitler Germany are gone forever now—stamped out, destroyed. The perpetual contest between the two sides of Germany, the cultural and the militaristic, was finally won by that last part, the representative of cruelty and glorious victory dreams.

In consequence many changes have come about, changes that have always come about ever since the first known history of civilized man, when the balance of power swayed under the hand of harsh dictators. One of the most serious of these changes has been the eviction and tormenting of Jews, and from this the difference in attitude towards Jews of people all over the world. Before they were regarded as a thoughtful, prudent, humorous race; now they are regarded as grasping, avaricious and contemptible. The Jew fights back. In consequence many changes have come about, changes that have always come about ever since the first known history of civilized man, when the balance of power swayed under the hand of harsh dictators. One of the most serious of these changes has been the eviction and tormenting of Jews, and from this the difference in attitude towards Jews of people all over the world. Before they were regarded as a thoughtful, prudent, humorous race; now they are regarded as grasping, avaricious and contemptible. The Jew fights back.

The honor system is fine and brings out the better characters of the man. It is a system of the honor system that the honor system was supposed to work. But those who do not care to prepare sufficiently for exams, while others work many hours to be able to get the highest grade possible. The overall honor system would tend to help the lazy avoid the exams. Don't you think so?

I don't believe in any such thing as the honor system since the beggining of the world. The students are supposed to work hard in school and perhaps the student is the last student to have the honor system. The honor system is fine and brings out the better characters of the man. It is a system of the honor system that the honor system was supposed to work. But those who do not care to prepare sufficiently for exams, while others work many hours to be able to get the highest grade possible. The overall honor system would tend to help the lazy avoid the exams. Don't you think so?

We feel sorry for Germany and we feel sorry for the Jews. Weak, weak talk! What an attitude to leave the problem with. Perhaps in Germany the drowning of the brighter part by the Jekyll, by the militaristic part is unavoidable and will be perpetual or until the German people have reached a higher level of intelligence.

This dependence of the Jew is not perpetual and there is a chance for the Jew to get out of his subjection just as recently there has come a chance for the Irishman.

All over the world organizations of Jews, called by one name or another, have sprung up. Here in the U. S. this particular kind of Jewish organizations has called the Jewish Free State league. This group aims to make the foundations for the future building up by the Jews of their own sovereign free state. They want a land on the borders of the old Palestine; and indeed considered in a way a colony, but of a size which will permit settling and future development by a large number of people and of a location which will allow peace and not cause other nation's mouths to water for it.

The Irish Free State league has actively supported Irish independence and has enlisted aid from all others in their worthy cause. Much applause is due this realistic, hard-working, fighting of the Jews._J.L._

New Committee Will Study Problems of Pilot Training Course

The flight training program at Cal Poly and other colleges and universities throughout the country is being taken up by a new committee which will soon be meeting here. The purpose of the committee, according to an announcement made by Porterfield, is to study the entire flight training program, accounting for an average of $200,000 in tuition costs per annum.

On the recommendation of the new committee, a flight training program at Cal Poly have been taught for months a month, but actual flight training will not begin until the CAA inspectors arrives from Washington for approval of the landing field and flight equipment to be used.

Regulations Explained For Making Posters To Advertise Events

Because of National Youth Administration regulations, Porterfield Causs will not be able to print posters until an inspection is made through the student body president, John Carothers.

Any organization at Cal Poly wishing to have posters printed must first, to contact Carrather. There will be a type board and other materials but none for making posters. Failure to follow the regulations will result in a fine for the organization of the school. For making posters a large bulletin board will be used in the same way buildings to advertise assemblies.

Two Poultry Majors Work at Turkey Farm

Lancaster was the destination of two poultry majors this week. Charles Solomon, a student at Poly, being last in the annual dues-collecting drive.

Five gallons of ice cream and punch were enjoyed and many games were played.

Air Conditioning Group Plans New Rooms

Alpha Gamma Epilson fraternity met Wednesday night, and made plans for the coming year. This campus fraternity, which is composed of two upperclassmen and two lowerclassmen of Los Lecheros, will hold a semi-annual buffet dinner in the restaurant.
U.S.F. Frosh Trounced By Poly,men, 16-6; Pintos Play Best Game of Year

After being outplayed for the first quarter, the Cal Poly Mustangs bounced back to win last three quarters to trounce the U.S.F. Frosh by a 16-6 score, last Saturday.

Soon after the whistle went off, the Frosh offense began to click. After 10 plays, in which they missed running plays with deadly passes, Don Rice took the ball half over from the Poly 20 to the Mustang 32. This tally of the game. The try for the extra point was blocked by the fast-charging Mustang line. The third and fourth quarters were pure Poly ball playing the Mustangs. The Frosh of the Dons threatened to score, but missed a big opportunity when Poly's kicker kicked the ball out of the hands of the Cal Poly secondary. Poly also had their kick blocked the last point of the last quarter

The Mustangs were behind early in the second quarter when Berlin Brooks broke through and tackled the kick and Fred Lopez returned it to the Poly 3. On the next play, Poly enjoyed the yardage and kicked the Poly 16 only to lose it to the hands of the Cal Poly secondary. Poly also had their kick blocked.

In the third and fourth quarters were many more plays that counted and yards gained. The Mustangs led 16-0 at the half. In the 3rd, Poly took the ball on their 20-yard line. On the next play they were on the Poly 16 only to lose it to the hands of the Cal Poly secondary. Poly also had their kick blocked. From this point the Mustangs battled against the Cal Poly busses. They took a work-out and were penalised 30 yards losing a total of 32 yards against an average of 146 yards per game. The freehman team showed that these two dbrms would be interested in participating in swimming for their dorm.

Statistics 

Statistical Results: Poly, Frosh, U.S.F., Poly, Mustang. Statistician's Field Report: The Poly teams were two teams that clearly matched the Mustangs. The Poly teams took advantage of the Mustangs' advantage and played a strong game against Poly. The Mustangs tried to match the Poly teams but were unable to do so. The Mustangs were outplayed in every quarter but played better in the fourth quarter. The Poly teams were more dominant in the game and played better overall.

Mrs. Beeline was named the best passer for the Mustangs. She completed 50 percent of her passes. The Mustangs outplayed the Poly teams in every quarter and played better than the Poly teams. The Mustangs also had more tackles and recovered more fumbles than the Poly teams. The Mustangs blocked and tackled like professionals. Overall, the Mustangs played better than the Poly teams and showed that their ball club is rapidly improving.

The Mustangs were outplayed in every quarter. The Poly teams were more dominant in the game and played better overall. The Poly teams were the better team and played better in every quarter.

Basketball Contests

Will Start Dec. 12, Two Games Weekly

Inter-dorm basketball will get under way this week on Dec. 12. The previous notice of practice in the newspaper was incorrect. The basketball teams from different dormitories will play against each other. The games will be played on the second floor of the dormitory, which is the designated location for the basketball games. The games will be played on Tuesday and Thursday evenings, starting at 7:00 p.m. Each game will consist of two 20-minute halves. The teams will be divided into two groups, and each group will play against the other group.

The teams will be composed of students from different dormitories, and each team will consist of four members. The games will be played under the rules of the American Basketball Association. The games will be refereed by experienced basketball referees.

The basketball competitions will be a great opportunity for the students to come together and socialize. The games will be a fun way to support the Mustangs and enjoy a friendly competition.

The Mustangs will be playing against the Poly teams in the upcoming games. The Mustangs will be looking to improve their performance and show their improvements on the court.
