Poly Band To March
Tonight in Parade
Heralding Christmas

The 20th Christmas season will open officially in San Luis Obispo Friday evening, when the Poly band will march down downtown streets in which the California Poly football game is participating.

Christmas trees have been erected in the principal business houses. In addition, there will be wooden structures to represent Santa's different workshops and present the display. Colored lights have been hung from these structures over the main intersections.

All through the city the lights are to take part in the parade and provide a colorful picture of the Christmas season.

125 Poly Future Farmers
Crowd Dining Hall for
Thanksgiving Banquet

More than 125 Future Farmers of America and guests attended the Thanksgiving banquet of the organization, held in the Poly dining hall.

The Rev. Ralph C. Strong, head of the community church in Atascadero, delivered the principal speaker, talked on the value of an education along the lines of a definite vocation.

 Elves, soldiers and 26 lines of banners to augment the good show. The program of music, which included the singing of "O Christmas Tree," was under the direction of Capt. J. C. Deuel and C. E. Knott with the help of the Philomathia, an all Poly men's glee club.

Fullback Joe Soroka
Makes Record of Four
Out of Four Placekicks

Joe Soroka, valuable reserve fullback on the California Poly football team, has a record of placekicking which cannot be matched this year.

Chosen all-state high school fullback for the Poly football team, Soroka has made four successful kicks out of four tries. Three of them were from 30 yards and one from 50 yards.

This season on the Poly team Soroka has made four placekicks from 30-50 yards. Three of these kicks were successful, while the fourth was a punt.

Score 5-7. Eight minutes into the game.

That was the tense moment in the Balboa stadium in San Diego Friday night as the Poly Mustangs left Frank Fittin in complete charge of the game. The Mustangs were up 5-0 and the Poly Trojans had just performed an 18-point comeback to take the lead.

Then the Mustangs' offense began to click. In a 56-yard drive the Mustangs gained seven first downs and over a thousand yards in the process, and converted to make the score 5-7. As the game reached the end of the first half, the Mustangs' offense gained momentum and drove Poly's defense to the one-yard line, where they scored a touchdown and kicked the extra point.

The second half was a continuation of the same trend. The Mustangs' defense held Poly scoreless, while their offense continued to dominate. The final score was 5-7, with the Mustangs having scored two touchdowns and the Trojans one.

The Mustangs' victory was a result of a strong offense and a solid defense. The offense was led by quarterback Frank Fittin, who threw two touchdown passes and ran for another. The defense was led by linebacker John Smith, who recorded three tackles and a sack.

The Mustangs will now move on to the next round of the playoffs, where they will face a tough opponent in the upcoming weeks. The Poly Trojans, on the other hand, will have to regroup and prepare for their next game.

聚能的化学原理

海洋中蕴藏着巨大的能量，其中特别引人注目的是海洋的热力。海洋是一个巨大的热库，它的温度变化非常缓慢，但是却可以储存大量的能量。这些能量在人类的能量需求中起着重要的作用。例如，海洋的热力可以用来发电，可以用来加热房屋，也可以用来生产食物。海洋的热力还可以用来制造工业产品，也可以用来制造药物。海洋的热力是一种非常宝贵的资源，它的开发和利用对于人类的未来具有重要的意义。
