Alumni to Celebrate Homecoming During Poly Royal

Old Grads to Flock Here for Annual Event

On Saturday, April 21, the Alumni association of the California Polytechnic State University will host its annual Homecoming and will bring together every member of all organizations and every faculty member that has ever attended Poly Royal.

This event will bring together the alumni of the Poly Royal for a day of reunion, to be held on the college campus. The event will feature a variety of activities, including a special Poly Royal dance, a special Poly Royal meeting, and a special Poly Royal meal.

The event will be held on the college campus, and all members of the Poly Royal community are invited to attend.

Welcome Extended By Poly President

California Polytechnic State University President Julian A. McPhie extended a welcome to every person interested in the Poly Royal and you who attend the Poly Royal dance.

Students Who Direct '40 Poly Royal

All of the people of the state are receiving every faculty member has been and is attending Poly Royal in order to take advantage of Poly Royal in order to demonstrate to the public general that the school has made every effort to present every faculty member who attends Poly Royal.

Today's Assembly to Bring Together All Poly Royal Efforts

A special assembly will be held in Central Gym at 10 a.m. today for the purpose of outlining the various activities each department will have during Poly Royal.

Officers of the 1940 Poly Royal are shown in the picture. From left to right, they are: Herb Brownlee, general superintendent, 1940 Poly Royal; John Caruthers, general superintendent; and George Chute, assistant general superintendent and director of industrial education.

Greatest Show of Cal Poly History Here Is Planned

Known throughout the state of California as the only country fair on a college campus, Poly Royal will be planned for Poly Royal this year for the first time.

Tom Holton, former Poly Royal student, said that he was excited about the event and that he felt privileged to be a part of it.

Student President Offers Invitation

John Carruthers, President of Associated Student Government, said that he was excited about the event and that he felt privileged to be a part of it.

Growth of Polytechnic Horticulture Branch at San Dimas Is Steady

 steadily expansion of the horticulture branch of California Polytechnic, the Voorhis unit near San Dimas, has been taking place by Cal Poly in August, 1939, was noted this week.

The plant consists of a 150-acre unit, including a friendship educational, agricultural experiment farm, and a housing unit. The Voorhis unit at the beginning of the winter quarter, coming close to the housing capacity of about 250, with approximately $12.60 a month income, with approximately $12.60 a month income, with approximately $12.60 a month income.

Students Earn Experience

In the last two years, a landscaping project has been undertaken by the students. The project consists of 26 acres of citrus, a large garden, and several oaks and eucalyptus trees. The garden is used as a teaching aid in agricultural education.

Students at San Luis Obispo Junior College are having their housing built to meet the needs of the students.

Cal Poly offers a wide range of courses in agriculture, including plant science, soil science, and crop management. The students are provided with hands-on experience in agricultural practices.

Positons of Recent Aeronautics Graduates

Eighteen positions were offered to recent graduates of the Aeronautics program at Cal Poly. The positions included positions in aircraft manufacturing, engineering, and research.

Three Loan Funds Are Available to Polyues

Three loan funds are available to needy students at Cal Poly. The major one existing is the United States government loan fund for needy students, which is available to students with a minimum of 2750 credit hours. The other two funds are the Women's Loan Fund and the one sponsored by the Rotary Club. These funds provide small loans to needy students.

Record Dairy Cows, Bulls To Be Exhibited

Students To Take Part in Contest of Fitting, Showing

By Dave Curtis

Individuality, breeding, and production records of ideal-type gaiting dairy cattle will be on display at the California Polytechnic Dairy Show on April 20-27. The only exhibit will be that of the Poly Royal, which is the only dairy show of this type possibly to be held this year.

In the Junior class, the Poly Royal will be the only dairy exhibit. The show, which is to take place in the Poly Royal Arena, will be the first ever at the school. A total of 150 students will be involved in the contest.

The Poly Royal is a student organization of the dairy industry. The show is to be held in the Poly Royal on April 20 and 21. The only students involved will be those who have completed the dairy course at the school.

The show will be open to students of the Poly Royal and to the general public. The show is to be held in the Poly Royal on April 20 and 21. The only students involved will be those who have completed the dairy course at the school.

$100 Words Award

Witned for the first time in this community, this unique entertainment interestingly conveyed its message, although not a word was spoken during the performance.

The first showing of the Poly Royal, the first student to be presented, held immediately after the Poly Royal performance, which was the title "The Great Farmer-War Diplomats".

The presentation for which the Junior Musical Society received first prize at the Intercollegiate competition held in Paris during the fall of 1939, was a unique offering of international diplomats and war professors. It contained the delightful and colorful tableau held in the Junior Musical Society's "Brazilian Night." It brought together the colorful and effective combination of an exciting and enchanting presentation.

PREPARATIONS FOR THE LIVESTOCK DISPLAY OF THE POLYTECHNIC

At Shows During 1939

The success of the Poly Royal at the livestock shows was undoubtedly due to the careful preparation and the ventilation of the livestock.

The Poly Royal Edition of Friday, April 5, 1940

LIVESTOCK PRICES

Established under competition, the Los Angeles Union Stock Yards are accepted as the livestock market of the state. At the stock yards, prices are determined by the established laws of supply and demand. This means that when your stock is ready to sell, the high price you may have been expecting may not be the high price you get. You must be certain to receive the full market value at the stock yards.

The Los Angeles Union Stock Yards are operated under Government control and the United States Department of Agriculture requires that you receive your full cash value for your livestock. You must be certain to receive the full market value at the stock yards.

Aero Engines Cut Away To Show Action

By Bruce Browner

A radial aircraft engine, on which all parts can be seen as though all surrounding metal were removed, is now in operation at the Poly Royal equipment show on campus. The engine is one of the star exhibits of the automotive show, and it will be a feature of the Poly Royal display at the Los Angeles Auto Show on November 30th.

The engine is a six-cylinder radial type, with each cylinder housing a separate piston and connecting rod. The cylinders are arranged in a circle, with the crankshaft at the center. The engine is designed for low-speed, high-torque applications, such as that of an aircraft engine.

The engine is operated by cranking the propeller shaft, which is connected to the crankshaft. The propeller shaft is turned by means of the oil pump, which is connected to the crankshaft by a chain. The oil pump is separated from the engine so that the two parts can be detached and reattached without affecting the operation of the engine.

The engine is constructed for instruction work at Poly Royal and is intended to be used in the instruction of students in the engine class. It is partially cut away to show all parts will operate even though all parts are separated.

New Building Will Be Ready This Month

Possibility that the new Air Conditioning building will be ready for the new building at Poly Royal is under consideration. The building is being constructed for the use of students in the Air Conditioning department.

The building will include classrooms, a laboratory, and a workshop for the repair of air conditioning systems. The laboratory will be equipped with the latest air conditioning equipment, and the workshop will have the necessary tools and equipment for the repair of air conditioning systems.

The building is expected to be ready for use by the end of the month. This will enable the students in the Air Conditioning department to begin their work in the new building immediately.

Alumni Officer Invites Graduates To Homecoming

Al Adams, vice-president of the Cal Poly Alumni Association, is planning a dinner for Poly alumni and their guests on September 1st. The dinner will be held at the Poly Royal, and will be attended by alumni from all parts of the country.

Adams said that the dinner will be a good opportunity for alumni to meet and renew old acquaintances. He also said that it will be a good way for alumni to support the Poly Royal and its students.

Alumni officers are planning a variety of activities for the dinner, including a speech by the college president, a raffle, and a dance.

The dinner is open to all alumni, and there is no charge. Alumni are encouraged to bring their families to the event.
List of Candidates Reveals 42 Aggies, 41 Industries Completing Course

Eighty-eight California State Polytechnic students are candidates for graduation in June. Lists released today by the administrative council revealed that 42 agricultural and 41 industrial students at the San Luis Obispo campus, vocational certificates of recommendation in the spring quarter.

San Dimas Branch Arranges Vase Pot Show for April 13

Doors of the Youthful unit of Cali- forms Black Polytechnic school at San Dimas will be thrown open to visitors on April 13 when the Associated Students hold their second annual open house program, the Poly Vase Pot Show.

At a series of demonstrations and displays patterned after those of the campus, the result of the year's work will be shown. There will be a singing contest, rhetorical impromptu, elocution, debates, and public speaking exhibits. Art department exhibits, historic pictures and objects, and crafts. Also, to conform with the theme of a Poly Vase Pot Show, articles and flowers made from nature will be on display.

Large Crowd Expected

"This year marks the second annual Poly Vase," said Carl Carlson, yearbook student assistant, "and we hope that we will attract an even larger audience than the first of last year." Other students offer charges of the "incredible" success of the show, which has been sponsored by the Associated Students.

Advertisers Supporting Poly Royal Editions Backed by Students

Listed here are the advertisers who have made this special Poly Royal Edition of the Polytechnic Californian possible. They have stood behind the paper and received student support in the production of Poly Royal.

The advertising department solicited wires for this show, and will display the production of advertising efforts of the students. Several contests planned.

Several Contests Planned

In addition to the displays that will be made by the advertising department, the advertising department will also sponsor several contests. These contests will include a best advertising poster, a best advertising campaign, and a best advertising slogan.

New Teachers Needed

The student body dance in the gymnasium, the results of the year of cultural education division.

Roy Brophy Elected Deuel Dorm President

In a special meeting of the Deuel dorm council Wednesday night, new officers for the spring quarter were elected.

Boyd Kilgore, Morning edition, as president, Roy Brophy took the oath of office Tuesday and was appointed. Harry Schnitzel, as vice-president and Kay Hewitt as secretary treasurer.

Roy Brophy was elected to office after the resignation of Nagle.

At the headquarters of the public address system for all Poly Royal activities, the Poly Royal broadcasting office, the radio store, and various establishments in San Luis Obispo are advertising agencies.

Other Advertisers Aid Event

The radio stores, jewelers, and type- setting, flowers and shoes and graphic arts advertising are Charles Sigbee, Julian; Sigbee enterprises, Santa Maria; Controller's Office, California State University, San Luis Obispo; and the Obispo theater.

San Dimas Branch Arranges Vase Pot Show for April 13

Due to the Youthful unit of California State Polytechnic school at San Dimas, the school's second annual open house program, the Poly Vase Pot Show, will be held on April 13.

At the show, there will be exhibits and demonstrations of the students' work. There will be singing contests, rhetorical impromptu, elocution, debates, and public speaking exhibits. Also, there will be art department exhibits, historic pictures and objects, and crafts. The theme of the show is "Poly Vase Pot Show," and articles and flowers made from nature will be on display.

The show is expected to attract a large crowd, and many students are looking forward to the event. The Associated Students have been responsible for the success of the show, and it is anticipated that the show will continue to grow in popularity.

Cal Poly on Parade
April 26 and 27

Eighth Annual Poly Royal & Homecoming

OUR CHIEF

Julian A. McPhee

Addressing the crowd at last year's Poly Royal

Seated behind Mr. McPhee (from left to right): Betty Los Angeles, Miss Poly Royal 1959; John Carreira, President Associated Student 1958-59; Lee Fitzgerald, General Superintendent 1959 Poly Royal; Harry Winnemuth, President Associated Student 1958-59.

The Eighth Annual Poly Royal Honors

W. W. Vernor

Cal Poly's venerable employee who has served the school in a faithful and efficient manner since September 8, 1928. Besides his many duties he has always found time to be a friend to the students.

Mr. Vernor! Poly Royal Salutes You!

Right Center: The crowd gathers early to watch farmer's judge livestock.

Left Center: Cal Poly's Flying Wing will be nearing completion on April 26 and 27.

Right Bottom: California Polytechnic College in a panorama of natural beauty which will be at its best at the Eighth Annual Poly Royal and Homecoming.

Left Bottom: San Luis Obispo beauty is not confined to its landscape. Betty Los Angeles, Miss Poly Royal, presides over the Seventh Annual Poly Royal Coronation Ball with her maids of honor, (left to right): Helen Atkinson, Helen Ciriaco, La Verne Horsman, Elizabeth Hennesy.

Plan to "FOLLOW POLY'S PROGRESS"

April 26 and 27 at San Luis Obispo
Poly Royal's Attractions

Top: Each year Poly Royal's guests are entertained at a barbecue on Saturday in Poly Grove. The school's musical organizations present a program at this time.

Second row left: Jim Blake, a nephew of Will Rogers, is a moving spirit in Poly Royal's Rodeo. Students compete on their own horses in a variety of Rodeo and horsemanship events.

Second row right: Student owned projects are exhibited on a competitive basis. Shown in this picture is the champion pen of lambs, exhibited by Howard Hubbard, Bill Caldwell, and Arthur MacLean.

Third row: The influence of Cal Poly's Landscaping Department is manifest in the harmony of the design of the campus.

Bottom left: Judge W. K. Lloyd is shown presenting Minora Nitta the 1929 award for the best bird in the show with Richard L. Leech, head of the Poultry Department, as an interested observer.

Bottom right: Electrical Industries students thrill Poly Royal's guests with the antics of their electrical gadgets.
Poly Royal’s Contests

Top left: San Luis Obispo’s entry vie for the honor of being the fastest goat milker.

Top right: 22½ nails in one minute was the record attained by Mrs. A. G. Hounsall of Atascadero in the Ladies Nail Driving Contest in 1939.

Second row right: The Templeton Farm Center Team composed of Ted Abramson, Bob Rowland and M. T. Abramson (from left to right) won the Telegram-Tribune Trophy, the Swift Trophy and Rotary Club plaque in the same contest.

Third row: A large crowd watched Frank Giorgi of Garvisia display his skill as a tractor driver and capture the first prize in the 1939 contest.

Fourth row: Nelson H. Crew (right), Editor of the Western Livestock Journal and George D. Madison, President of the San Luis Obispo Chamber of Commerce, successfully arbitrated the 1939 Ladies Nail Driving Contest.

Bottom right: Much interest was displayed by the guests in the Can Rolling Contest sponsored by the Dairy Department.

Bottom left: Cal Poly’s Block “P,” athletic organization, sponsored the First “Poly Royal Relays,” or night track meet, in 1939.
Poly Royal's Attractions

Top left: The Cal Poly Colleagues furnished the music for the Seventh Annual Poly Royal Coronation Ball. They will again hold sway on April 21.

Top right: Herbert F. Brownlee, General Superintendent of the Eighth Annual Poly Royal, (front row, second from left) and the Poly Royal Executive Committee.

Front row, left to right: Carl G. Buck, Herbert F. Brownlee, Lester McCray, James McLaughlin, Jack Solies, Wayne McEachern.

Second row, left to right: The new Air Conditioning Building will be open for inspection on April 20-27.

Third row left: Professor W. W. Shute, donor of Shute Loan Fund at Cal Poly, talking over the efficiency of teamwork with Harry Egger, Poly Mechanic, at the 1940 Agricultural Mechanics Exhibit.

Second row right: The Hungry Five, not including the horses, furnished musical entertainment last year.

Poly Vue—Voorkis Unit—April 13, 1940

The Voorkis Unit of Cal Poly located at San Dimas will hold its annual Poly Vue April 13, 1940.

Bottom right: The Chapel, an imposing structure on the Voorkis Campus.

Bottom left: A pseudo quarantine station stopped last year's visitors.
