Blackout Committee Announced

The Cal Poly blackout committee is now fully organized and has been named as follows:

Committee: Josephine Underwood, chairman; John E. Burchard, second; Louis V. Fontana, third; Edward R. Martin, fourth; and Edith B. Williams, fifth.

The blackout committee was established by request of the California State Highway Patrol and is charged with the task of keeping the campus free from any kind of traffic congestion.

CPT Continues Ground School

Although many regulations which govern the training of the student pilots at the California Polytechnic Institute have been changed recently, the ground school program has not been altered.

The CPT ground school program includes lectures and discussions on the various subjects which are to be covered in the flight training program. The lectures are given by instructors who have been approved by the CAA and are selected from the best available.

Corpus Christi Graduates Two Former Poly Student

John V. Hansen, California Polytechnic Institute, has graduated from the United States Naval Training Station, Corpus Christi, Texas, with a degree of B.S. in 1942.

Carl Beck Hurt in Auto Crash

Carl "Bud" Beck, a former polytechnic student, was killed in an automobile accident near San Luis Obispo.

Mystery About SB Refund

No one seems to know what has happened to the SB refund.

Poly Glee Club Demonstrates New Style Assembly

The Poly Glee Club demonstrated a new style assembly at the Polytechnic Institute last week. The assembly was well received by the students and was considered to be a success.

New Short Courses To Be Offered To Poly Students

The administration of the California Polytechnic Institute is now resuming full operation of the new short courses which were suspended last year due to the war.

The courses are available to all polytechnic students and will be held at various times throughout the year.

Attention Faculty Club Advisers

The staff of the California Polytechnic Institute is now resuming full operation of the new short courses which were suspended last year due to the war.

The courses are available to all polytechnic students and will be held at various times throughout the year.

Only 16 Poly

Poly Mobilizes—Introduces New Defense Training Courses

During the last week of December, the Polytechnic Institute announced the introduction of new defense training courses which are to be held on the Polytechnic grounds throughout the year.

The courses are designed to prepare polytechnic students for service in the armed forces and to provide them with valuable training in various fields of engineering and science.

Book-of-the-Month Club Selections At Poly Library

The following books—all of which were chosen by a special committee—were special selected for Poly students.

1. "Dairy Barn In the Dark" by Robert McKim. 
2. "Who Was the Riddle" by Lewis M. Briscoe.
3. "Hershel and the Dragon" by Max Brand.

These books are available in the Poly Library at the time of this writing.

Dairy Barn In the Dark

By Robert McKim

"Dairy Barn In the Dark" is a story of a man who has been working in a dairy barn for many years. He has been working hard and doing his best to make the barn a better place. One day, he is called by the farmer to come up to his house. When he arrives, the farmer tells him that he is going to give him a raise. The man is very happy to hear this news. He has worked hard for many years and this is his reward. He thanks the farmer and goes back to the barn. From that day on, he works even harder to make the barn a better place.

Cohen Tells Story of Early Struggle to Start El Mustang

It is a story of the struggle to start El Mustang. cocktails, and a word of advice to the would-be entrepreneur.

Once again it is back to school for most of you. The facts and figures are in. The enrollment is 11,000. We are one of the lucky school systems in the country that has a program for you. The program is called "El Mustang." It is a program that is designed to give you the best education possible. It is a program that is designed to give you the best education possible. It is a program that is designed to give you the best education possible. It is a program that is designed to give you the best education possible.

It is not a matter of infraction of rules and regulations, but rather it shows the absence of common decency and an inability to get along with other people in this world.

The war has seriously affected the education of 10,000 college students. It has affected the education of 10,000 college students. It has affected the education of 10,000 college students.

THE CALIFORNIA POLYTECHNIC EL MUSTANG
Seven Alumni At University Of The Air

While almost everyone California Polytechnic at the Naval Air Station, San Diego, made flights in various parts of the Pacific Ocean, a number of Southern California Pacificists spent the Christmas holiday at the Naval Air Station, San Diego, and Navy personnel were seen here recently in the California Polytechnic group.

Six California Polytechnic students who were stationed at Corpus Christi, Texas, and Port Isabel, Texas, visited the station and were entertained. The Polytechnic group consisted of about 100 people.

Early Vo Ag Boy Is Success

An early Vo Ag student is one of the very successful farmers here. He has made a large很满意 of the milo crop and the potato crop and the sorghum crop and the soybean crop, all of which are used for animal feed.

He has made a large number of stock hogs and a dozen or more head of cattle. He has also made a large number of sheep and a number of goats.

The student is now one of the successful farmers on the farm. He has made a large number of stock hogs and a dozen or more head of cattle. He has also made a large number of sheep and a number of goats.

Poly Ex-Scouts Can Still Join Emergency Corps

Pamphlet Polycare have just been printed and are ready to be given by the Emergency Corps. The Corps are being called by the County Council of America in order to prepare the Poly Ex-Scouts to aid in the emergency situation. They will be issued to Poly Ex-Scouts during Poly's next call to duty. The pamphlet will be given to Poly Ex-Scouts who have not served overseas and who are not currently serving in the United States Army. The pamphlet will include information on the history of the Corps and its role in the war effort.

FARM MECHANICS TO BE IMPORTANT IN THIS WAR

Agriculture is one of the most important industries in America. It is a vital part of the economy and plays a crucial role in the nation's food security. The war has increased the demand for agricultural products, and farm mechanization has become more important than ever. This trend is expected to continue as the nation shifts towards a war economy.

Co-education Popular In Poll

The idea of co-education has been gaining popularity in recent years. This is due in part to the changed social attitudes and the increasing acceptance of women in higher education. The poll conducted by the Cal Poly Foundation showed that a majority of the students favored co-education, with the majority of the votes going to the option of mixed-sex education.

POLYTECHNIC EL MUSTANG

Official Notices

Dean Oscar L. Lauterberg, President of the California Polytechnic Institute, has announced that Poly will not require students to attend co-education classes during the current semester. This decision was made after careful consideration of the students' opinions and the current social climate.

POLYTECHNIC EL MUSTANG

Two New Colleges

New colleges are being established across the country to meet the increased demand for higher education. These new colleges are responding to the need for more educational opportunities and are working to address the challenges of the modern world.

A measure of the voter's basic doubts manifested in the "For Defense Combination" campaign is due to the fact that the majority is less than a few days away from taking over activities of former military plants. Because of the war, defense work has become a major priority, and the voters are being asked to support the "For Defense Combination" campaign in order to ensure the continuation of defense work.
