IT'S NOT TOO LATE YET

According to Ed Densmore Beach, who is in charge of two topics, "A Windy Day On The Outskirts" by Lou Beamer and his friends, the thing is to find out how old the old pool is. Just an interesting story told with music. What an imagination!

Mustangs win over N.Y.A.'s in Arroyo Grande tourney

Cal Poly's varsity basketball squad advanced to the finals in the annual Arroyo Grande tournament by virtue of a 21-19 win over the Mustangs on Tuesday night. The contest did not show much in the way of basketball with numerous free throws being called on both teams. The contest ended a six-game winning streak for the N.Y.A. squad.

The game started out slow with both teams feeling each other out and the first quarter ended with Poly in the lead by a 5-4 score. The second quarter also saw the low brackets with a 9 for Poly and a 5 for the California Polytechnic.

Both teams showed the effects of a long varsity season with the N.Y.A. having competed in 37 games compared to 5 for the Poly. The Mustangs were batting for 25 losses for the season.

The game ended an exciting finish with both teams feeling each other out and a final quarter which saw Poly lead by 2 points, followed by Petersen, the Mustangs, with 7 points. Forsyth and Matthews led the N.Y.A. with 8 points each, followed by Smith with 4 points.

Poly is scheduled for its last game of the season and the final championship round game with the victory over N.Y.A. when the squad wins the play-off title at Arroyo Grande. The Mustangs won over N.Y.A. on Friday night and will play last night in the high school gym. The Mustangs will play their last season game on Wednesday night when a point game will be in the Poly gym against Loyola University.
