NARU Celebrates Navy Day With 72-Hour Liberty

Just 170 years ago some poor "swabie" like yourself was fighting for his country as you are doing and have done overseas. On that Navy Day long ago there was no NARU and probably few if any naval personnel were granted the 72 hours liberty the men here will receive 26 Friday 1945 to 29 Monday 1946.

For this bit of extra liberty the trainees may thank their admirable commanding officer, O. D. Weigel, Lt. U. S. N. R. Lt. Weigel knowing that many of them were in combat at this time last year, while Navy Day was being celebrated, figured it would be a fine gesture to give his sailors a chance to enjoy this year's Navy Day.

Poly's trainees thank Lt. Weigel for his consideration of their last year's effort in winning a victory over Japan.

Of course all is not well in order that the Marines might feel the power of our half-tamed Mustangs, the football team will be unable to enjoy a full 72 hours. The coach has been somewhat considerate and let the heroes have from the termination of practice Friday until 2:30 of the same night. Enough to take in a show and, of course, no beer.

Wishing all you NARU men a week-end of women, song, and... you know what. The staff hopes to meet you at the Santa Barbara field to see the Green and Gold white-wash the Marine Green.

Sophs Elect Officers

Starting out with a bang, the Sophomore class elected Archie Ahrendes president, Don Pruble vice-president, and Jim Morris secretary-treasurer at their regular meeting last Thursday, Oct. 24. President-elect Ahrendes appointed two committee men to attend the Sophomore Initiation next week, and the other to plan possible activities between now and Christmas.

Farm and Education Leaders Here for FFA Convention

Fred L. Smith, Ventura, president of the state board of education, will be the principal speaker at the annual banquet of the 17th state Future Farmers of America convention at Cal Poly today and tomorrow.

Smith, who is a national leader in Lion's club work, is a businessman and owns thousands of acres in several farms. He will receive at the banquet the honorary Farmer State farmer emblem voted him at the state FFA convention last year and which has not yet been presented. He will be introduced by Julian A. McPhie, state director of vocational education and president of the college.

Eugene E. Starkey, 18-year-old state Future Farmer president, will also bring national representation to the meetings at which he will be in direct charge. A few days ago Starkey, a full-time Tehama county dairyman with his own herd of 84 high-producing cows, was elected a second national vice president of the FFA, representing 40,000 farm boys in the state.

What's Doin'

Oct. 28 to Nov. 1

Fri. 36 — Future Farmers of America, California Convention. Moving Picture — "Pan American." A. C. Auditorium. 7 p.m. Men's Glee Club Dance. 8 p.m. El Corral.

Sat. 37 — Future Farmers of America Convention continued. Cal Poly vs. Goleta Marines. 2 p.m. Santa Barbara Stadium. Santa Barbara.

Tues 30 — Employee Party. 7 p.m. Monday Club. S.A.C. Meeting. 7 p.m. Wm. 205.

Thurs. 1 — Publications staff. (Turn to Page Four)

Gyrenes Given 30 Point Edge

By C. H. TUCKER.

The Mustangs will pit their football talents against the powerful Goleta Marines at the Santa Barbara State College Stadium tomorrow night. The Marines, led by the brilliant passing of Quarterback Chuck Horvath, The Mar­ines took Fresno State last week-end with a 8-0 victory credited to Horvath's 40-yard pass on the fourth down which provided the only score of the game. When Fresno threatened to net pay dirt, Horvath came through again to intercept a pass and stop the onrush.

Poly's hope for a second victory was shattered when blocking back Hal Novak decided to take a bit of unauthorised liberty which resulted in his transfer from Cal Poly to Treasure Island. Two other players, Louis Markley and Hal Winkle, are also in somewhat the same status with the exception that they were not hit quite as hard and will be restricted for the reminder of their stay at Cal Poly. This means that they will not be able to travel with the team either to Santa Barbara or Tucson, Arizona, for the games. Markley was a substitute guard while Winkle was working at the blocking back spot.

Coach Henderson has been busy switching his players around to provide the greatest power available. With these changes we find former center Morris Baudouin in the fullback spot to alternate with Vern Fye. Baudouin played fullback while in high school and looks very good in that position. Along with this change we have Keenan moving from guard to center with Saver sliding into the guard position. Saver formerly played the tackle slot and since this latest change has been doing some very fine work and should give the Marines a good deal of trouble on line plunges.

Another change was made when Pete Nachtwey was switched from end to the quarterback spot which

REPORTERS

EL MUSTANG RESUMES PLACE IN STUDENT LIFE

This issue of El Mustang marks the beginning of a second era in the publication of a weekly paper by the students of Cal Poly. It was in September, 1942, that the publication department laid on the shelf for the duration of the war two student publications and in the same motion created a new magazine, the Mustang Roundup. The magazine has been published continuously during the war and has become a real part of the publications program of the students. Resumption of the publication of our weekly paper is the first milestone on the road to complete restoration of all student publications, including, some-time in the future, our yearbook, El Rodeo.

The purpose of El Mustang is to bring a closer relationship among students and, between students and faculty. It will be our policy to print all the news worth printing, and to furnish news worth reading. We shall report events to come, and review activities that have passed. In this way, El Mustang will keep students and faculty informed with accurate information of the various activities.

The Mustang Roundup will continue as a monthly magazine. However, the need had to be a publication that would circulate at more frequent intervals. It is for the satisfaction of this desire that we undertake the editing of El Mustang.

The publication will be written and edited by a staff of students under the supervision of Bob Kenneth, journalism instructor. Contributions of news articles will be gladly received by the staff. Students desiring experience in the field of publications will be welcomed. Any student who has either worked on a school paper, or who desires to do so, should report to the El Mustang office, room 204, Administration Building.

El Mustang is dedicated to the students and faculty of Cal Poly. Their cooperation throughout the year will help to make this a successful publication. It is the aim of El Mustang to provide an outlet for self expression, and to enlighten Cal Poly students of activities before they happen. The success of El Mustang is the ultimate success of the entire student body.—L. G.

VITAL STATISTICS

HATCHED

ACCM and Mrs. R. E. Craig wish to announce that something new has quite definitely been added; namely, a brand new baby girl, weight seven pounds, ten ounces. As yet, no name has been chosen for the young lady.

MARRIED

Ball and chain catches ex-BTO. Robert G. Duncan, EM1c, of Platoon B-1, better known to all hands as "Buddy," married Miss Margie Blake, a local girl, in Little Rock, Arkansas, immediately after their reception. The bride and groom left for their honeymoon. They plan to reside locally upon their return.

DETACHED

Another note from Platoon B-1 to the bride and groom. "Hip's" home town. The ceremony was held in the University of Arizona, which was the Cathole in accordance with the faith of both, will be performed sometime this week. The best wishes of Platoon B-1 to the bride and groom.

MOVIE SCHEDULE

The following films will be shown at the Cal Poly Auditorium each Friday night starting at 7 p.m.:

26 October: "Pan-Americana"
7 November: "Gay Senorita"
14 November: "Back to Bataan"
21 November: "I Love a Band Leader"
18 November: "Night Club Girl".

REMAINING GAMES

Following the Marine game at Santa Barbara Saturday night, Poly will play its last home-game against Winter Field, Sunday afternoon, Nov. 4. Last game of the season will be the long trip to Tucson, Ariz., where the Mustangs will play the University of Arizona on Nov. 10 in a night game.

PENDING TO VETERANS

For those students now enrolled under Public Law 16, the instructors have received a form regarding their attendance and grades standing. These forms are to be filled out and returned to the registrar's office immediately. They will then be submitted forward to the Veterans Administration, according to C. Paul Winner, registrar. He said that this procedure would be repeated every six weeks.

BORROWERS PLEASE RETURN

Will the scholar who borrowed the Eureka from the ticket taker at the dance last Friday night, please contact Kenneth Evans, Room 24, Chase Hall.

CINCH NOTICES OUT SOON

Cinch notices are due in the recorder's office from all instructors at 6 p.m. Tuesday, Oct. 30. Students receiving D or E grades at the end of the mid-term ending Oct. 26, will receive a notice of their low standing, but will not be called before the Grade Standing committee. Students receiving F grades will be called before the committee soon.

MORE HOUSING AVAILABLE

Any married student in need of housing should contact Major Deuel in Administration room 112. At the present time there are many full and part time jobs awaiting Cal Poly students. For those students not able to contact Major Deuel personally, he will keep a list of work opportuni ties posted on the post office bulletin board.

HELP WANTED

Students interested in any phase of publication work, writing, editing, photography, cartooning, feature writing, etc., are needed to work on EL MUSTANG and the Mustang Roundup. Staff meetings are held at 4:30 p.m. on Thursdays in the Administration Publications office, Room 204, Administration building.

Official Notices

EL MUSTANG

Saturday noon luncheon at the Sequoia Hotel, Team members were admiring the class of the beautiful, blonde cashier from St. Jud's, Friday afternoon. The surprise of the day at Fresno two weeks ago occurred during the Saturday noon luncheon at the Sequoia Hotel. Team members were admiring the class of the beautiful, blonde cashier from St. Jud's, Friday afternoon. The surprise of the day at Fresno two weeks ago occurred during the
Harvest Dance Success
Cue for Monthly Affairs
By WOODALL
The annual Harvest Dance was gaily celebrated by many trainees and civilians, with their glamorous escorts and attended by a few faculty members and 'wives, last Friday evening, October 10, in the gymnasium. The dance was sponsored by the Freshman class, which was on by the indomitable Dave Ingham. (It was casually mentioned that Dave and "brains and brawn," and the freshman the moral support.)

Vice Presy Plans Social Schedule
Dave Ingham, vice president of the student body, today outlined some of his plans for future social events at Poly.

I'm thinking of running a big dance every three or four weeks and alternating with a jive-box dance in between when there is nothing else scheduled," Ingham stated.

Asking for the cooperation of everyone, Ingham said, "Give me some ideas to work on and we can run some swell shindigs. Stop me anytime, anywhere and tell me any ideas you have. Keep your eyes peeled for our future dates and we'll be seeing you then."

World War II Victory Medal Authorized
An Act of Congress approved July 6, 1945, authorized and directed a medal to be awarded to persons who have served on active duty in the Armed Forces of the United States or the Government of the Philippine Islands during World War II. The President of the United States has approved the designation of this medal as the World War II Victory Medal. All persons who are now serving, have served or shall have served and whose services have been honorable in the Armed Forces at any time during the years ending with a future date to be announced later, are hereby declared eligible for the World War II Victory Medal. This medal may be awarded posthumously and shall be presented to the next surviving kin.

World War II Victory Medal is not available at the present time. Appropriate instructions for the issuance of this medal will be promulgated at a later date. However, all personnel who are eligible for this medal in accordance with the above are hereby authorized to wear the ribbon of the medal, to take precedence next after the area campaign medals of this war.

Poly Hens Told 'Win or Bust!'
The California Polytechnic's entry in the Fifth California Official Breeders' Association at Modesto has been progressing well but not quite up to previous years' standards. The contest, which is open to all 35 White Leghorns and Dryden Pollys Breeding Farm, will be in first place in the Missouri class of an entered group of animals for a total cost of 614.87. Poly entries are placed at seventh and eighty with a possible chance of gaining ground in the remaining three weeks.

Poly's entries for the sixth test which opens November 1 are being groomed by Richard Leach. "I'm thinking of running a big dance every three or four weeks and alternating with a jive-box dance in between when there is nothing else scheduled," Ingham stated.

Among notable present were Mr. and Mrs. Davy Davidson (hot band leader), Al Bennett, accompanying Harry James' Band. Harry James' Band consisted of great strands of stars extending from all parts of the gymnasium into one large star placed in the center of the gym. A constant inter-play of lights was used on the pulsating group of dancers.

Standardization Men Aid Inspection Class
The Inspection Department spent the entire day Oct. 3 discussing standardization problems with Harry Koester, supervising inspector, and Henry Jerome, inspector, of the California State Department of Standardization.

The discussion, arranged by Weir Fetterman, started at 8:30 a.m. and lasted till 6 p.m. During the day, Cereda demonstrated the procedure of inspecting fruits and vegetables. All members are now looking forward to their trip to Los Angeles Nov. 3 for Commissioner's Examinations.

INSTRUCTION STUDENTS MEET
At the regular meeting of the agriculture instructors last Thursday, Oct. 18, the following officers were elected: president, Charles Metz; vice president and reporter, James W. Williams; secretary-treasurer, James Bellotte.

POLY PHASE REORGANIZED
Several weeks ago, the switch was thrown on to what promises to be one of the biggest clubs on our campus. Yes sir! The Electrical Department's own Poly Phase Club started the old current flowing in the right direction when they elected as the executive board: Milton Brown, president; Ken Lucas, vice president; Olin Porter, secretary-treasurer; and a representative to the S.A.C., Leon McAdams.

Guard Enlists, Too
Enlistment in the National Guard has been authorized by the War Department, effective immediately.

Enlistment will be for three years, and will be under the military authorities of the several states. Enlistment cannot be made, however, by men still in active federal service in the armed forces.

GLEE CLUB TO DANCE
Playing the theme of Halloween, members of the Glee club will hold their first dance of the season tonight, October 26, in the El Corral at 8 o’clock. Although some dancing partners will be provided, members are requested to bring their own dates. Decorations and music for the occasion are under the supervision of band students. Club officers are preparing the food which will be served. B. A. C. M. Adams, head of the music department.

Boots & Spurs Elect Officers, Plan Year
Planning to cut down all previous years and with the largest potential club in quite some time, the Boots and Spurs club of Cal Poly recently held its first meeting for the purpose of electing officers.

Elected were President Brad Arrington, Vice President Russell Lancaster, Secretary-Treasurer Paul E. Smith, and B. A. C. Member Aders Harders.

The club held its second meeting Wednesday, October 17. The meeting was opened by Mr. Benson, who told members that all arrangements for the buying of animals for their future barbecues have been outlined to date. Benson then turned the meeting over to Brad Arrington, the newly-elected president. Lancaster announced a report on Poly's pumpkin, given by Lieutenant Charles Wood, who stated that Poly's pumpkin will be ready to be eaten in the sixth annual test.

Crops Club Elects Officers, Plans Party
At the last meeting of the crops club an election of officers was held. When the smoke cleared, Bob Garvey awoke with a gavel and new officers were elected vice president, and Max Leach, secretary-treasurer. After the election, plans were made to meet at Mr. Doughtery's home for the very near future for "tea" and Grummetts.

At the earlier meetings, the club was joined by the Agriculture Department student, who gave us some highlights on agriculture in some of the Pacific Islands.
Quartet Makes Two Public Appearances

Cal Poly's varsity quartet made two public appearances in the past week to represent the college and the music department. Most recent appearances of the quartet, comprised of Trainee John Godfrey, Ken Teal, Bill Wagner, and Jim O'Brien, was before the All-County Victory Bond Kick-Off Dinner at the Masonic club Wednesday night.

On Tuesday night, the quartet plus Dick Pabet, trumpet soloist, entertained at a potluck supper of the Music section of the Cal Poly Women's club. Women of the music section brought their faculty husbands to the party, which was held in the charming home of Mr. and Mrs. H. P. Davidson.

Pabet presented "Trumpet Rhapsody" arranged by Harry James. The quartet sang "Out of the Blue" and "New Orleans Blues." "Who Did?" "Love's Old Sweet Song" and "Nut Brown Sweet"

After refreshments, the quartet joined in and helped out on singing.

Swimming Pool Open Sunday, Co-eds Swim

For those uninformed on the campus, rumors have been circulating to the effect that on every Sunday afternoon between the hours of 2 and 5 the campus is invaded by strange animals known as La Femmes, garbed in costumes of utmost brevity, who portray their aquatic abilities in the Cal Poly pool. Also around at this time are quite a few men, but more can be accommodated if they are Cal Poly students (Trainees or civilians), employees, faculty, and their guests.

Last Sunday, October 21, Vernon Love, lifeguard, had the pleasure of safeguarding a select group of co-eds, including Misses Mandy Powers, Carol Bower, Lorraine Evans, Jo Ann Joughin, Jo Ann Martinson, Doris Spillers, Pat Gill, and Joyce Belwert.

Young Farmers Hear Agriculture Commissioner Duties

A brief and welcomed respite in our cramming for mid-term exams was provided last Tuesday evening by one of the semi-monthly meetings of the local chapter of the State Bureau of Agricultural Education. As guest speaker for the evening we had the pleasure of hearing Mr. Drake, Director of the office of Agricultural Commissioner. He enlightened us as to the usefulness of his office to the potential farmers of California.

GAME CAPTAIN ... Jim Hut- to, 185 lb. tackle, is the hard- charging man on the team, and has earned the honor bestowed upon him by Coach Ron- ald Hendrickson for the Marine game to be played in Santa Bar- bara Saturday night.

SWITCHED TO GUARD ... Eri- ner Haver, 175 lb. starting tackle, has been switched to guard position where he has been doing outstanding work during scrimmage this past week.

Navy PT Classes Start Football Competition

Broken bones and bruised bodies are the call of the day since football has started during P.T. classes. Teams of six and seven men each have been chosen and have been playing each other round robin for the past week. Real inter-PT-platoon competition started last Friday.

Chief Caven has charge of the morning group, and Chief Brown is responsible for the afternoon session. Chief Caven has hopes of playing the winning team of each session in a post-season game since inter-PT-platoon football will start next week.

Industrial Students Visit Hancock Field

Industrial students journeyed to Santa Maria by school bus two weeks ago to attend the open house program at the Hancock Field celebrating the recent acquisition of that flying school by the University of California. Students were accompanied by M. C. Martinson and Roy Metz, of the Aero department; Dave Cook and John Hyer, Electrical department. Visitors had an opportunity to inspect five war- weary planes just purchased by USC from government surplus commodities. In addition to these five planes, a B-25, B-26, B-29, P-38, P-47 and a P-31, the field was lined with 50 or 75 training ships used by the army in training pilots at Santa Maria.

Young Farmers Sponsor Assembly Honoring FFA

In honor of the state-wide FFA convention being held here Friday and Saturday, the local chapter of the California Young Farmers' Association sponsored an assembly yesterday for the purpose of informing the entire student body of the importance of the State FFA program.

Speakers at the assembly included Byron McMahon, chief of the bureau of agricultural education; George P. Couper, assistant to the chief, and Weir Fettes, assistant supervisor. Student Pres. H. Daniel presided.

Leaders Attend FFA Convention Here

(Continued from page one) High school vocational agriculture classes in the 11 Pacific region states.

It is expected that the total registration will include about 200 including 40 agriculture teachers. Every delegate is a chapter officer and any county president of their respective local FFA groups.

Recognising the opportunity to show the hospitality to these future young farm leaders, many of them prospective freshmen if they do not have to enter military service, California Polytechnic college will conduct a tour of the campus and provide entertainment for the visitors.

Six boys, each outstanding in his geographical region of the state, will be named "State Star Farmer" winners. The latter will receive a $100 check from the National Future Farmer Foundation and a wrist watch; engraved Book will receive engraved plaques.

Engraved certificates will be presented to those present of 114 chapters which have been given "Master Chapter" rating. A gavel engraved with the State Farmer degree. Other certificates will be presented to about 25 local chapters with the president and one of the chapter chairman.

What's Doin'
