Coeducation Delay Caused by Dorm Shortage

Coeducation at Poly may be delayed for two years due to the national housing shortage. The resulting priorities that are delaying the construction of the necessary housing and facilities here.

Said President McPhee, "I don't think we can have a sufficient number of dormitories now to accommodate the necessity for them and so we would need justification to hire a Kennedy of Waterman, as it is all ready set up here.

In the meantime, preparation is being made to handle the expected mammoth enrollment for next fall. At present the estimated student body figure is 1500 men. The county is being assured to secure the necessary buildings that can be moved to the campus to provide classroom space. Chiefly sought after are the students of the arts who will be offered to the new group, McPhee said that the girls would be offered to the new group, as it is all ready set up here.

With approximately three months planning behind Poly Royal, and less than one month before the "only country fair on a college campus" officially opens its doors to the huge throng of fair-goers, it is time for all students to become Poly Royal conscious.

Within this last month remaining before the opening of the fair, many responsibilities rest upon a large group of students. During this period departments will be organized and individual groups must make final plans for special events.

The work of the Poly Royal executive committee for the last three months will be in vain if the departments and individual groups fail to fully realize the importance of their enterprises. It is up to these groups to either make or break Poly Royal.

The executive committee members have put in many tiring hours preparing for a variety of events to interest the campus, and all of these events will be held for those so inclined, insurers of the campus will be conducted, and many other activities will be held for a variety of tastes.

With these great plans and with the anticipated large crowd of visitors, students have a high goal to aim at. Officials of Poly Royal have done more than the foundation work and it is up to us to build the remaining pillars to house our "better and bigger country fair on a college campus."

Honor Roll of Local Merchants
Every week in this column will be listed the business houses of San Luis Obispo advertising in El Mustang. It is an advertisement that helps make the publication of El Mustang possible. It is in behalf of the El Roden staff that all students will patronize these business firms.

Married Couples Move Into Units
Under the supervision of A. L. Codwell, sixteen married veterans and their families made the long awaited move to their new quarters in "Victory Village."

The six Still family and families are: Aam, Margarita, Grosvenor. C. E. Kennedy, Mrs. Dave Cook, Mr. and Mrs. W. H. Sheets, M. C. Sheets, D. W. M. Shutt, M. C. Shutt, Mrs. J. E. Smith. S. E. Smith, Mrs. W. C. Smith, Mrs. J. E. Smith, Mrs. J. E. Smith, Mrs. J. E. Smith, Mrs. J. E. Smith, Mrs. J. E. Smith, Mrs. J. E. Smith.

"These units" are 15 portable houses and 50 trailers of one and two bedrooms. All units are equipped with electric wires except personal linen and dishes. Milk and ice will be delivered and students wives will have access to the pottery sales room twice weekly.
Sports Roundup

By Bill Roth

This week and the following two issues of this paper, I am going to try to give you a thumbnail sketch of the Poly baseball team.

First of all, before I start, I think these fellows deserve a lot of credit for the work they are doing to give you, the student body, a winning team. Since the beginning of the season, the baseball team has had nothing but bed breaks. The latest blow came last week when Bob Vanvesna, our star third baseman, had to leave school. All year long Bob has been hitting the ball good and last week he was rallied on by Major Deuel to pitch. Bob’s inclusion from the playing field will be surely missed by all. But enough of this crying around. Don’s absence from the playing called on by Major Deuel to pitch. Bob’s presence will complete equally well in baseball.

But enough of this talk. We are going to be playing in all of the games. Do you do a job of some of our ball players.”

Jewett Looking For More Boxers

The leather was flying last Wed-

nesday afternoon with Coach Luey Jewett and Frank “Ruggs” Dou-

ghty taking all the harder. Surely seven fellows were interested in this sport. Maybe the time and place was inconvenient for most of us, so a slightly different arrangement is going to be tried. Sign-up sheets are going to be placed in all ven-

tions for those students wishing to participate in this sport. If a number of students sign up, Coach Jewett, working in conjunc-

tion with the block “PP”, will try to develop a suitable boxing team to participate at our fun nights and other sports events.

We will have to find teams in boxing when we enter the C. A.

A next year, so now is the time to get started. Coach Jewett will go out to perfect a good boxing team providing he has a sufficient number of boys to work with.

Football Outlook for Coming Season Bright

With body contact already under way, spring football has been built up to a much higher level than it was last year. According to Coach, Howie O’Daniel, the turnout has been picked up. Forty-eight aults have been given out in date and about thirty to forty men have been out daily. The boys have been having a little scrimmage every day with every body taking part.

When Howie was popped with the question of what eleven men looked best out there, he just laughed. He said the boys were coming along great, but he would not begin to try to name the next eleven men out there. He did however, mention some of the fel-

low that looked good so far.

Jack Bolton, Ernie Gilbert, Mar-

grant, Larry Harte, and Bill Dyke-

man look good enough at ends. So far the question at left tackle seems to be by Hepp. He is big and fast and looks ‘this game of football.’ Another position that came out last week is Dave Cool from Arroyo Grande. Howie expects a lot of hard playing from Cool. Other good backfields are Elyse Copeland, a cousin of Leroy Lunt, who played for Poly in ‘41 and ‘42, Ernie Blundell, a big blocker from Martin college, and Dick Campbell, who played for Michigan before going into the service. In the backfield, at quarter, Dud Johnson and Jack Jaques and Fred-

don look like the best guards out there right now. Powell and Johnson are both Santa Barbara boys and have lots of drive. There are sever-

al more men in the running, but the best looking prospects are Pits-

gardi, who played for Michigan from before going into the service, Bob Garver, Jim Dickson and J. R.

Dekter.

Swimming, Dance Party Friday

A combined swimming and dancing party will be held at Poly Thursday, April 12, with swimming in the natatorium from 8 to 11 p.m. and dancing in El Corral from 11 p.m. to 2 a.m. It was announced by the Young Farmers Club.

All club members, prospective members, and new students are invited. The affair is for couples only, according to the announcement, and no guests will be admitted. Refreshments will be served, and for those who don't care to dance, there will be ping pong and pool tables available. The "Young Farmers" assure you of an enjoyable evening, so make your dates early.

What's On

April 8 to 13

Men's — Poly, Royal Executive Committee, Meeting. Administration Bldg.
Tuesday 8 to 9 p.m. — Y UNTS, Recreation room.
Thursday 11 to 12 noon — Student Body Assembly, A. C. Aud., 9 a.m.
Thursday Afternoon — Student Assembly, A. C. Aud., 2 p.m.
Friday — Young Farmers Swim and Dance, 7:10 Natatorium, 8:15 El Corral.

CO-EDS DELAYED

(Canceled from Page 1) 

The co-eds dance was postponed until further notice due to the lack of sufficient participants.

No promise can be made on the long planned permanent tennis program until the housing needs of the veterans have been satisfied throughout the nation. But, assurance has been given that as soon as the government restrictions on large construction are released or eased, the plan for Poly will go into effect.

With the enlarged teaching facilities, the administration will look to other fields of agriculture and industry to guide these in offering courses here. Those concerned will never find that, offers opportunity for employment, that will benefit the student and the people of the state.

Call Poly so far begun to be better than average — And quite a good prospects for a good team this year. But there'll be no team as long as the majority of the tennis players do not make any more challenges than has been the case matches will depend a great deal on the play and the players willingness to make and accept challenges.
