San Luis Obispo, Calif.

SAN LUIS OBISPO, OCT. 23—The annual Poly Royal Coronation dance, scheduled for May 10, was postponed due to the Big Air Raid last week. The dance was rescheduled for May 15, and attendance is expected to be much greater than last year.

President Leon Garoian announced the postponement of the dance at the Poly Royal Coronation meeting held in the Student Union last night. President Garoian said that the postponement was necessary due to the exigencies of the Big Air Raid.

The meeting was called to order by President Garoian, who stated that the postponement of the dance was a necessary precaution in view of the Big Air Raid. He said that the safety of the students was the primary concern.

The meeting adjourned after President Garoian's announcement. The next meeting of the Poly Royal Coronation will be held on May 12.

Dee John: My sister and I are going to the football game on Friday night. I am a Poly student and she is from another school. We are going to let the local Mustang Booster Club hold tickets for us, but I am not sure if seats will be available on the field.

TOP OXY-POLY GAME: A package marked "unknown" exploded and threw a wrench in the powerful Mustang machine.

The "Lions"isman of the week is big, charging Marshall Samuel. Opposing tackles and ends find him hard to stop and impossible to hold. Samuel plugged the tackle slot for Pasadena. His weight and size are pronouncedly pointing toward downfield.

The Mustang Hoopla, basketballers, have been working twelve weeks in two shifts. A night and day schedule is necessary to take care of the 2000 students who make up the Oxy Hoopla. Coach Mott is expecting two or three new faces in the squad. There is also one presage signal before the calender rolls around.

Students' Wives Club Activities

Students' Wives Club members have had many activities occupying their time recently. The club has met every Monday evening at 7:30 and is still open to interested singers.

Last Wednesday night, the clubroom was the scene of much activity as some of the girls assembled to make pom poms, and others were there to attend the first meeting of the drama section. Parts were distributed by chairwoman Liz Stratton for a skit which will be presented to the rest of the club in the near future.

Rumor has it that the October social committee had an informal meeting Wednesday night. Their plans were not ready to be disclosed, but there was some mention of hot cider and doughnuts to be served after the Whittier game. These refreshments should prove to be most welcome if the weather turns out to be as cold as it was after the game with Occidental.

Thursday night, the clubroom was again open for those who wished to make pom poms and for the bridge club. All too few bridge players were present this past week and it is hoped the second Thursday in November will see a larger attendance.

Young Farmers Enjoy Hayride and for Supper

Approximately 24 Young Farmers, plus an equal number of the opposite sex, enjoyed the very comfortable hayride and the super-tasting chicken bake which was given last Friday night.

The hayride, made up of a "Un" and three wagons transported the couples up Serrano Canyon, although for some reason those couples didn't know it till they got chicken bake.
