Fun Night To Feature Miss and Matt Boutts

A capacity crowd of fight fans is expected to fill the gym tonight at 8 p.m. when the Block C Club presents its first evening fun night as the smoker of the year. A great deal of ten bouts is promised by student Boxing Coach Dave Hiltz.

Appariting on the fight will be the following men:

RUSSELL BARR—150 lbs. of Alhambra. Looks very good and will undoubtedly represent 150 class. He has been chosen to knock out the man for the San Gabriel title. A heavy hitter.

JOHN LEACH—150 lbs. of San Luis Obispo. Looks very good and is a terrific punch and has experience. In the first smoker. A rugged fighter.

Season’s Greetings

We wish to take this opportunity to wish all of our readers a very merry Christmas and a happy New Year. We hope that each and every one of you is able to get home for Christmas, and that you are all able to celebrate enough on this occasion to make up for any yuletide festivities that you may have missed during the war. The next issue of El Mustang will appear on January 9th. Until then we hope that nothing but the best will be your lot.

A Christmas Message

This is our Christmas issue. Christmas is more than a warm day to break the monotony of scholastic routine. Throughout the world the twenty-fifth day of December is remembered as the birthdate of a great man. Christ is remembered by every people and every faith as the first democrat. To those of us who claim the Christian faith, Christ is more than a man; he is the Son of God. But Christ is acclaimed by those of other faiths. Some hold him to be a savior, some an immortal soul; I have little desire to print these words—"Sammy" gets the accolade of the student body. This country and this world is composed of individual men. It is these individual men, as a mass, who shall decide whether we as individuals can and will enjoy this peace.

This is a good time to stop and consider the immortal truth of Christ’s words—"...to live those words, and to fight that others may live by them.*"

* Matthew 5:16

Dear Editor:

If Polly goes unconditional, will you publish something called El Mustang’s Notes? But we might try La Mustang.

I am really glad to hear that "Harry" gets the accolade of the student body. This country and this world is composed of individual men. It is these individual men, as a mass, who shall decide whether we as individuals can and will enjoy this peace.

... With the advent of the long holiday just around the corner I seem to be wishing to risk the adoration of friends and associates by confiding with you the tidbits of gossip that have been requested for this column. Also, Christmas is a great principle, the golden rule.

... Time now to wish you a Merry Christmas. I hope that each and every one of you get just what you desire, with one exception. Dear Santa: Please reserve that blond in Santa Rosa for me instead of Tim. What would Baxter do with a blond?

Ski Club Will Meet After Xmas Vacation

Students who are interested in following the activities of the Cal Poly Ski Club are urged to attend the meeting scheduled for January 7. Many students have expressed interest in membership in the Ski Club, which was discontinued during the war. Executive secretary for the club is Al Kassel. If a committee is appointed to look after the club, the students interested in skiing should contact Al Kassel who will serve as secretary for the Ski Club.

Pre-war activities included week end trips to the various ski centers of the state extending from Los Angeles, Yosville, and Sequoia areas, east to Reno, Nevada. A four man team represented the club in non-conference collegiate competition with teams from various western colleges. The team participated in such events as slalom and downhill racing, while others of the club devoted themselves to the improvement of their skiing technique and form.

The meeting will be held at 7:00 P.M. in Admin. 23.
