Aztec Coed to Reign

As Poly Royal Queen

By Paul Seaton

Million Brown, general superintendent of the 15th An-

nual Poly Royal, announced today that San Diego Col-

gle faculty called Cal Poly's invitation to select one of its

eleven coeds to be Poly Royal Queen for 1947.

As the selection of Poly Royal Queen is one of the most

important features of the "country fair" on a college campus,

students and faculty alike look forward to this annual occa-

sion of the offer marks the beginning of the "show window" of the educational prog-

ess of this college.

The decision to invite San Diego State College to select one of its coeds to

be Poly Royal Queen for 1947 was made several weeks ago by the Com-

mittee. Letters were sent to the representatives from San Diego State and the College of

Fresno State, atid San Francisco State, to select one of its coeds to be Poly Royal Queen for 1947.

Dear John... 

Being one of the pressed occupants of the Bluff "H," a poly rich backgammon game last Thursday night. It took on a high level. It was a good game, and a good game. We had a lot of fun playing, and in the end we all had a good time. The atmosphere was good, and everyone enjoyed themselves.

The next time we play, we will try to make it even better.

Sincerely,
[Name]

Free T. S. Cards This Week...

LOOKIN' ON...

with GLENN ARNOLD

My hat's off to the publications staff that put out this week's edition. It has been planned for a long time but the necessary equipment could not be obtained until last week. We appreciate your patience.

I hope until the next issue I hope to have four page job. There is something in it now besides ads and editorials. I hope that the new computer control will fill the present six pages so full of ads that copy will be crowded out.

I hate to hark on things but the "I" is really a mess. All this good weather looks like it will soon make the runts come and then it will be impossible to get up to playing some classes it is well nigh irresistible. No one knows that the curve is a manifestly unfair way to base grades. That still doesn't solve the problem. We could go on for weeks about the malicious effects of cheating. The fact remains that the problem is up to you.

A Froeh who is there
Eugene Lemperre

INDIANAPOLIS. Ind. — There are more than 100,000 GI babies around the world now. Some are married women and some are not.

Other than the above mentioned, Free T. S. cards are available to the students through the student body office, room 17.

Dear John:

On the 14th of March, 1947, we will print a letter from "Arab" to Dear John.

Dear John of last week. As I see your side of it, I don't see how you can call it cheating. It is just that the "I" does not represent the college as a whole or official opinion.

Gordon Landry, John Moroslly, Roy Bethel, Ilsrry Sella, Jr., R. V. Thompson, Guy Thomas, Leon Garoian.

4 p. m.

This week's Kettle of Fish goes to Bill Brown for the small yell he led at the basketball game last Saturday night. They really brought the house down.

Dear Lee Garold: Just an open note to let you know I am thinking of you. I was looking over your election platform form of last year. You carried on splendidly last quarter, but things have been slipping badly of late. Why don't you check your platform and see what you can do about Articles IV, VIII, and X.

I was down looking over the new track and baseball teams. They are quite good. It is a fine athletic set-up. It is to bad somebody goofed off some where along the line and the contractor went down a foot or so. That project is finished and the track is almost ready. The food is going to be put in strategic places on the campus.

A Vassar Carlson and Marion Repp, who had temporarily held the pupilage of the student body, resigned, corrected, and finally severed all contact with the body. The issue was voted on at the Student Senate meeting held last Tuesday night. The new janitor will be announced at the meeting held last Wednesday night.

The staff of this rag would like to know what you students think of how it is being run and also get some suggestions for improvement. There are minutes of the current survey sheets with a lot of questions about everything from student fees to who publishes this rag being distributed by staff members. If you are interested in this rag, fill out one of these sheets and turn it in to Room 16. Instead of individual complaints, this questionaire will consolidate all opinions both pro and con.

The "borrowing" that I mentioned last week of towels and underwear from the clothes lines at the upper units. Such items as T-shirts, shorts, and even pajamas have been "borrowed" in the past couple of weeks.

I can say that I hope the "borrower" doesn't try something else to do at their free time.

'Earn While Learning' No Idle Motto in Crops

by John Colombl

Members of the crops department are now engaged in numerous products, staying in from two to 10 acres, according to Paul Douglas.

Stuart Porter and Finally crop workers are also engaged in two large corn, and large field of beans, peas, spinach, radish and turnip projects.

The largest project is one hundred, under direction of Jack Fleming and Floyd Lee, growing beets and lettuce and cauliflower. The project is handling a field crop of 100 acres of dryland peas and Irish potatoes.

Another interesting process seen he agid. When a transplant crop is desired, the seed is treated for higher germination.

Boxing, Wrestling on Tap Tonight

Pimentel vs. Rosen, Main Event on Fun Nite Card

Sports fans will want to be on hand this evening at 8 p.m., when the Block "P" presents the annual night of the current boxing and wrestling season in the Poly gym. Fighting for supremacy in each division will be head-biting Gene Pimentel at 170 pounds, and Howard "Hot" Rosen, of Clovis, at 140 pounds. Pimentel has not fought this year but has had considerable boxing experience. Rosen has participated in four fights this year and has been victorious in each.

In the semi-middleweight, southeast Kansas Batt, of Albuquerque, will step into the ring to meet Ken Glick of Los Angeles. Glick and Batt will both enter the "squared circle" at weights of about 150 pounds each. Batt, in his appearance against Santa Barbara's Grecu, never has been brought down.

Curtain raiser of the fun night will be Del Butler, 116 pounds at 5'11". A sharp, quick athlete, Rutan, who appears at 116 pounds, is the smallest and fastest man on the Poly boxing team.

If an entrance for Santa Barbara cannot be located, Fernando Nunez, of Cuba, will take the ring to match with Archibald Ambros, of Pasadena, in the event of a "no-show". Each fighter weighs about 156 pounds.

Locals that have not appeared before, including 141 lbs. will meet 143 pound Anthony Cusano, of Phoenix, who has the most experience of the two and will be the fan's favorite.

Pimentel vs. Rosen, Main Event on Fun Nite Card

Intramural Hoop League Standings

The following intramural basketball games are scheduled for this coming weekend, Tuesday Feb. 11, at 7:30 p.m.

- Duarte vs. Deauville, 5'10" Hill, 175 lbs.
- Newell vs. Duarte, 5'11" Hill, 175 lbs.
- Hill vs. Deauville, 5'11" Hill, 175 lbs.
- Duarte vs. Newell, 5'10" Hill, 175 lbs.

Last week's results were: Harter 19, Newell 18, Duarte 17, Hill 15, Cook 9, Araujo 8, Duarte 6.

Intramural basketball standings as of February 7th:

- Club League
  - West Los Pinos: Los Angeles 6, Duarte 5
  - Long Beach: Long 2, Los Angeles 2
  - West Los Pinos: Los Angeles 2, Long 2
- Men's League
  - Duarte: Duarte 7, Newell 6
  - Deauville: Deauville 6, Newell 5
  - Hill: Hill 5, Newell 4
  - Duarte: Duarte 4, Newell 3
- Women's League
  - West Los Pinos: Los Angeles 4, Duarte 3
  - Long Beach: Long 3, Los Angeles 2
  - West Los Pinos: Los Angeles 2, Long 2

Mott Issues Call for Horseholders

By Roy Bethel

The first organized meeting of those going out for baseball will be held Thursday, February 13, in the Engineering Auditorium. At this time, the American National League 10th world series pictures will be shown. Pitchers and catchers will start practice on February 24th.

Bob Kent, who is the baseball coach as well as the basketball coach, has stated that a long, hard, interesting schedule has been arranged and that it will depend on your physical condition in how fast you will be able to progress in making the varsity club. All men that plan to go out for baseball should spend their time getting in condition. Mott says your time should be spent in running, jumping, stretching exercises, and light throwing.

While it is conceded that conditioning is more important than winning, try to obtain a disputed decision to Fogata, of Walla Walla, Wash., and weighs 128 pounds. Art dropped a much disputed decision to Morgan, of Santa Barbara's Cresset, and weighs 105 pounds and an exciting match against Santa Barbara's Cresset, and weighs 105 pounds.

Cuba, will trade punches with Mallory's 153 pounds. Both men weigh 8 p.m. An admission charge of 80 cents is made, all net proceeds being turned over to the fund for the Poly track team.

Track is a major sport at Poly, and all men who make the team are eligible for letters. At present, the track team is working out daily on the old football field opposite Crawford Gym. Practice is being held every day Monday through Friday at 4:30 p.m. All men who are interested, contact Dr. Vollmer, Poly's head coach, in the Poly Athletics Office in the gym.

There has been a tentative date set up for an intramural meet here at Poly on March 9. An interesting intra-collegiate schedule has been arranged with such schools as San Francisco State, Santa Barbara, and San Diego. The top event of the season will be a 5000 meter runs extravaganza. The contest East at Fresno on May 10.

Aztocs and Gauchos to Be Hosts for Mustangs

Cal Poly's cagers take to the road for their next four games. On Thursday, February 6, the Mottmen play doubleheaders against the border city of San Diego. The Mustangs will be meeting a team of unknown quality when they play the men from San Diego.

However, in all fairness a victory or at least a point for the Mustangs. The Mustangs then will travel to the border city of San Diego to battle the Aztec's who are defied to be one of the strongest basketball teams in the state of California. The majority of the players that will make up the Mustangs lineup are of foreign birth.

Every Saturday night the two teams will square off in an exhibition for the general public. Leading the Aztec assault will be 6 ft., 6 inch center, Laulo Mallory of Washington, D.C. This year in basketball he has displayed his prowess from a forward post. Don Nuttal, 6 ft., 2 inch freshman, is the team's leading scorer. Another outstanding performer the Gauchos boast, is 6 ft., 4 inch center, Stare is National A.A.D. crown jumping champ. Barney Newsall is also one of the Gauchos high point men.

Cal Poly will return home for two days and then play Santa Barbara College in a return engagement, Thursday, February 13, at the Gauchos pavilion. Coach Bob Mott and his fighting band of hopefuls will be out to avenge an earlier season loss of 50-45. In Saturday's encounter, Poly will have to stop the Gauchos in the limelight or come out on top. For all of these contests, Coach Mott has stated that he will stand by his starting five of Rosa, Leiser, Ball, Tlstra, and Moroskl. The Mustangs are ready to give their all.

John Wright, played his basketball at Hayward High. He has been in valid guard for Coach Mott-this season. John compiled, in his hometown in the flatland of Hayward, John is low man on the return pole. He has run on at four points this season. Two last week against the K.C. Stars.

Poly Cagees Hold Stars in Close Game

By Joe Kal

The valiant mascot-deaths of the Kansas City Stars failed to make much of an impression on Cal Poly as they pressed the pace of all the way. Kansas played up to the outstanding basketball merits in the nation's capital to hold the Pace out. Befo Poly lost out in the closing minutes 54-39, Stars kept pace with an early 16-lead after ten minutes had elapsed in the last game. With TIlstra, Moroskl, and Ball hitting the jump, the head man ended with the Mustangs on the short end of a 54-39 score.

In the second half, an inopportune Poly five name in life and brought the score to 25-25. But this was as far as the Mustangs could get in their attempts to win the contest. The remainder of the game saw each team hit the hop all over, but the Stars held onto a four point advantage throughout.

Rolland TIlstra died for his final honors with Phelps and Knot of Kansas. Each man hit the basket for 12 points. Ray Ball and Hans Moroskl playing heads up his eight and eight points each. Floyd Leiser, who fished in for William Moore, played a good game defensively and deep in the two field goals.

The Cal Poly Five dropped the game and now start in the preliminary game.

SUNDAY SWIMMING

All students and families, faculty, staff and friends are welcome to swim on Sundays from 1 to 2 p.m. in the Pomona College, athletic director. Many others not connected with the college have been coming, however, he said. In previous weeks when the Pomona team was not up to form the Poly people, permit cards are being issued through the Information office. Student permit cards will serve the same purpose. Please come up a card to identify yourself and family members to the life guard in charge of the pool.

OPEN DAILY 6:30 AM TO 10:30PM

1019 Morro St.
Mobile Mustang Market Serves Vet Village

When well-wishers ask Cal Poly Veterans Brad Arrington and Paul Bowman how their new business enterprise is doing, their stock answer is, "It’s rolling along!" and they really mean it. This is rolling for these ambitious students who are now operating a complete, super food mart on wheels serving the 135 on-campus veteran family units, and the new faculty family housing of 20 units.

Appropriately named "Mustang Market," the mobile food store began operations last Tuesday with Mrs. Elizabeth Case, wife of student Jim Case, in charge of sales.

The mobile market was remodeled from an old Los Angeles Transit company bus with a seating capacity of 50. The renovation is the result of the efforts of the sanitation department at the university.

The market was Bowman’s idea, and with friend Arrington they began working on details last April. They applied for permission from the administration to operate on the campus, but were delayed by difficulties in obtaining a bus.

They finally located the bus in Burbank around Thanksgiving, and have since been remodeling it. Painted green with the name "Mustang Market" spray-painted on the side, the bus is now a far-cry from its former dilapidated appearance.

Bowman and Arrington help out between classes and one or the other of them drives the bus to move it from one location to another. At present they are parking it in the veterans village from 9 to noon each day and at the trailer units from 1 to 4 p.m.

Ag. Inspection Club Meets

Sixteen students, representing the SLO Ag Inspection Club, held a recent meeting to formulate plans for the winter quarter and to discuss plans for the club’s participation in Poly Royal.

Dr. Essig, club adviser, opened the meeting with the announcement that a club reporter was needed for El Mustang. The members then unanimously elected Lawrence Small as their club reporter.

After a discussion of the coming Poly Royal, the members voted to again sponsor the inspection station at the entrance to the campus, where a copy of the school paper and a Poly Royal Blue Book are distributed to each automobile entering the campus during Poly Royal.

Wives Benefit... When the "Mustang Market" opened officially last Tuesday, Mrs. Brad Arrington (left) and Mrs. Paul Bowman (right from left) were there with bells on to buy their week’s supply of groceries on the cuff at their highest expense. They are shown here with Brad and Paul and an unidentified customer.

Congratulations

MUSTANG MARKET
POLY’S OWN MOBILE FOOD MART

This Super Food Market on Wheels serves married students and teachers on the Poly Campus.

We wish to take this opportunity to publicly thank those people who aided and encouraged us in the formation of the Mustang Market.
