Dear John...

A very peculiar situation has arisen on this campus. During the

next week, both of the gales in the face around the new athletic

field, specifically the gales leading to the dorms, have been

locked. The lack of these gales has resulted in inconvenience to

the residents of the three dorms located

near the field. The question has

been asked of me and I have asked

myself as to the reason for locking

those gales. What the residents of

these dorms would like to see is

the reopening of those gales.

When the men from the dorms want to

play softball, it is necessary for them to travel around to the gate

located on California Blvd.

Sincerely,

E. E. Thompson

BOWING OUT

This is "50" for the year, dear readers. I want to

thank you for your interest and comments in El Mustang.

It has been a wonderful experience to act as editor, and if you do

not enjoy it, for any part of the paper during the

year, I'll feel well repaid for the work. It has been fun.

El Mustang would never be possible if it wasn't for

the staff. I haven't space to name names. However, the list is

already printed in the masthead. Thanks a lot to all of you.

CONGRATULATIONS

Congratulations to next year's Student Body Officers.

It was a great battle. We think that all of you do a fine

job next year, and we’re happy we are going to see some

arounds and watch Polly’s progress under your leadership.

We are particularly happy that you, the students, have

ratified the new Constitution and By-laws. With, this new

organization, we’ll keep the traditions of El Mustang.

This is the new military class. If you are interested

in the traditions of El Mustang, you’ll find them in

the new Constitution and By-laws.

Yates 'Most Valuable Athlete'

Crawford and Bebernes Win Baseball Honors

Following the election last week by the baseball team, coach Bob Mott announced that Don Crawford had voted the team’s most valuable player and that “Pinky” Bebernes was the team’s outstanding defender for next season.

Don Crawford, who was easily the squad’s outstanding catcher, came to this institution in ‘41 from Atwater, California. He took the baseball under Coach Bill O’Dell’s wing and did a better than average job of it for two seasons until entering service in ‘44. During these two pre-war seasons Poly played several strong service teams such as Camp Roberts. Don took the mound against such stars as Larry Powell and Earl Jackson of the Roberts’ squad, and in two starts broke even with them. Crawford’s record this season speaks for itself. In league competition he accounted for four out of seven lost games.

“Pinky” Bebernes, the leading hitter on this year’s team, was also elected at the end of the season by his teammates. “Pinky”, who also does a good job of playing football, is from Sf City, California. While in the service he managed to get in a little baseball in a tough league in England. “Pinky” came to Poly in ‘46, after playing ball for the San Luis Obispo High School. He had a better than average year with the Blues, batting .640 and had a better than average year

125 Prospective Teachers at Rally

The teacher recruitment rally, held May 26, was a surprising success, according to Dr. H. B. Daniels, chairman of the committee, who was well satisfied with the attendance of some 300 at the rally. Of the students present, 50 were interested in the General Secondary Credential Program, which permits the holder to teach any subject in a high school, 46 in Vocational Agriculture, 50 in teaching Industrial Arts, and the balance divided among physical education teaching and other fields.

Dr. Bowls enumerated the advantages of the teaching profession. Stated also was the fact that more positions are available at the present time in agricultural schools than there are teachers to fill these positions.

11 ROOD READY Monday

El Mustang has been decided to distribute to seniors only on Monday night. The meeting was mostly for the purpose of getting the final dates for a winter roast to be held before the second place team from the major league.

Officers elected at Young Farmers Meet

By Charles Hitchcock

At the meeting of the Young Farmers for this quarter was held last Tuesday night. The meeting was mostly for the purpose of electing new officers and setting a date for a winter roast to be held before the second place team from the major league.

Officers elected were as follows: president, Jim Jeeup; vice-president, William St. John; secretary, Bill Humm; treasurer, Bob Pryor; Dietert Representatives, Alice Phillips, and text-tim manager, Frank Fox. Much discussion was held as to the excellence of the winter roast, which was to be held about the first of December. One of the most interesting points was the fact that the present realistic plans of the school indicate that it will be ready to offer this credential in the years of 1947-48.

In other business, the question of pay for electrical work done by students on campus was considered seriously.

JARRIN’ JIM YATES... winner of the annual bowling tournament... will try to confront the grille... Poly for next to last season.

P. E. Teaching Credentials to Be Granted Here

An additional step in the progress of the California Polytechnic College was made recently when the State Board of Education approved the application of Cal Poly for accreditation to grant physical education credentials in the field of physical education. The college had previously been accredited to grant credentials in agricultural education, and this latter accreditation is extended until 1945.

Under the new set-up, Cal Poly will be able to train physical educators and major this special secondary in P. E. starting with the Summer quarter, June, 1947. This means that students now enrolled can take advantage of the new major in physical education starting with courses to be given in the Summer quarter. The State Board granted the accreditation in this division effective until 1949. At that time it will be necessary to forestall the college to apply for re-accreditation, which would then be re-tested by the State Board of Education according to the standards of the years 1945-47 as the regulations allow it.

Big Jim Takes Dempsey Cup

By Joe Griffen

In elections held last Thursday for the election of student body officers, the students also voted for the school’s most outstanding athlete for the past year. Jim Yates won the nomination hands down and as he was second in the race. Others polling many votes were "Pinky" Bebernes, "Max" Samuels, Bob Bennett, and Bud McInerny.

Jim was Paly’s hard going halfback in the Mustang’s successful first grid season. Pre-season pep on Yates was that he was Harry O’Dell’s candidate for “Little All-America” honors.

Yates came to Poly from Porterville, California where he may have "All-Country" and "All-State" at football. He took up baseball under Coach Bob Mott, announced that Don Crawford had been elected the team’s most valuable player and that “Pinky” Bebernes was the team’s outstanding defender for next season.

Tom Barry won the voting hands down and as he was second in the race. Others polling many votes were "Pinky" Bebernes, "Max" Samuels, Bob Bennett, and Bud McInerny.

Jim was Paly’s hard going halfback in the Mustang’s successful ‘45 grid season. Pre-season pep on Yates was that he was Harry O’Dell’s candidate for “Little All-America” honors.
