One Killed, Two Hurt in Motorcycle Crash

Accident Fatal To Polyite: Hospital Reports Gassel in "Poor Condition"

Jack Gassel, 26, seriously hurt in the motorcycle accident which killed Steve Taylor, 20, last Poly science junior, was reported in "poor condition" by General Hospital authorities, Tuesday. The accident occurred 1.5 miles east of Pismo Beach by the "back way." The accident, turn to page 1.

Reports Gassel In "Poor Condition"

Cattle Judges Fifth; Invade Portland Next

Placing fifth for the second straight year at Waterloo, Poly's cattle judging team next travels to Portland for the Pacific International Livestock Exposition slated for today and tomorrow. The team, composed of the most experienced judges, will participate in this quarter from Agricultural Education in the college's systems. Two of its members are expected to make the team, as they are the ones with the most experience among the team members.

Wolf New At Door; Edd Within Grasp

Getting a doctor's degree is no easy task. Harry Wolf, Poly student who is finishing up his studies this quarter from Agricultural Education in the college's systems, has completed the longest and hardest part of obtaining his Doctor's Degree. He is now working on his dissertation, which he expects to complete in the next school year.

He has spent two summers and the regular year at U.C. working on his subject. He has also worked on the administration of residential development projects and as a faculty member of post high school level.

During the time that Wolf found quite a few of the Poly faculty members who had helped him. Among them were: Claude Purcell and his brother, Fisher, the math department; Dave Logan, the French department; and Jack Huffman, the English department.

Political Leaders
Plan Defenses
Mayer Tim O'Brien, young Democratic party chairman, and Victor P. Jones, Palo Alto attorney and national and state Young Republican leader, have accepted invitations to attend the next meeting of the Student's Women's Discussion group, Oct. 1 at Hilmar Hostel Insurgency. Questions made at 4:30 p.m. Invitations also have been extended to candidates for the Cal Poly Student Association, Young Muslims president, and Mary Walker, Democratic candidate for the 4th district congressional post.

In an effort to become better informed, O'Brien became more intelligent voters, the Students' Women's group is devising its meeting at 4:30 p.m. to serve both as an issue to an international affairs discussion for the evening will discuss principles of their respective parties and issues to come in November elections.

Mrs. A. T. Taube, newly appointed chairman, attended the meeting and participated in the discussion.

ounced.

Singers Foresee
Successful Year

Last year's Poly men will re-
member the successful barbershop
singers known as the "Majors and
Minors."

This year, only three of the
troop, Ly Conover, Paul Ayl-
and Joe Frazing, have returned;
however, nine men have been
chosen as replacements from last
year's veterans' list club. They
are Jerry Laker, Al Beets,
Fred Walker and Don Perry, en-
tertaining Bill Vespre and Wayne
Ehler, Harmon; Canadian
Field and Don Walker, homes.

This year's outfit will be as
good if, any better than last
year," says Mr Conover, cli-
ent leader of the group.

Good Band Takes
Plenty Of Work

Five people realize the work
necessary to turn out a snappy
marching band each week.

Five days before the Penna
State game, the band was prac-
ticing from 6 a.m. and a half to
two hours each day. Now men had
arranged to learn new arrangements, which
are handled by Ken Krieger. Uniforms
were issued, as well as the
instruments, by the band manager,
Bob Strong. Band drum major Art
Candy and assistant Don D. an-
announced had just received and work
out practice. In addition to putting
all the men attended to march-
ning in step and keeping in file and
rhythm.

"We think," said John Anderson,
president of the band, "that
this year's outfit will be as good or if not better than last
year's. We have many old de-
sirable band men as well as sev-
eral fine new members."

Campus Interviews on Cigarette Tests
Number 2...THE BLOW FISH

By the poor Pilo! He's been making all those
trick cigarette tests you've been reading about! He's taken one puff of this
brand—one sniff of that. A quick inhale of cigarette "A"—a fast exhale
of cigarette "B"—and he's still confused! Seriously, isn't the sensible way to
test a cigarette to smoke pack after pack, day after day?

That's the test Camel asks you to make—
the 80-Day Mildness Test. Smoke Camels—and
only Camels—regularly for 30 days. Your "T-Zone"
(T for Throat and T for Taste)—is the real proving
ground for any cigarette. After you've tried Camels
as your regular smoke, you'll know why...

More People Smoke Camels
than any other cigarette!

Cal Poly Club News

Air Conditioning
"Welcome Freshmen" will be the theme of the club meeting on Oct. 6, in Casa Cuesta. Admission is free to all freshmen in the Air Conditioning department only, and $1.00 for all others.

Committee chairman of the Air Conditioning Engineering club is

K. J. Alsworth, social committee
chairman; W. Dugan, president; L. R. Duggan, vice-president; 
R. L. Plimpton, and G. L. Tischler. The club is composed of the club officers, who will be elected at last week's meeting.

Official officers of this recently reorganized club are: (1) To form a student chapter of the American Society of Heating and Ventilating Engineers (2) To develop the idea of starting an active part in the AHS & VE fraternity, which will agree with the air conditioning program, and (3) to provide aid in locating positions for graduating seniors.

Mech Engineering
All mechanical engineering students interested in seeing the new \"American Legion\" in action are invited to the club meeting on Oct. 6, at 11 a.m. in Room 208, Quadrangle.

S.A.E.
Society of Automotive Engineers
merchandise is sold by the club each week. The club is composed of the Mechanical Engineering department's junior and senior members, and members of the department.

I.A.S.
Institute of Aeronautical Sciences
holds a short business meeting, said Oarsa. It has been arranged at the Casa Cuesta for 7. The club will hold a three-day sale for the next home game.

I.O. Heydenfolt's
The ticket booth was open from 9 a.m. until 4:80 p.m. Friday, and booths will remain open the earns hours for the next home game.

The meeting will be held at the Ord mentioned in the schedule.

Little Response Showed To Early Ticket Sale
Pregame ticket sales were start- ed at the request of students, and club officers. The purpose is to help the American Legion ball, held Saturday night, fund the club's winter activities, and to provide financial aid to the club.

Latin American
Latin American club attended a black-and-white ball given at the Cal Poly American Legion hall last Saturday night. Club President, Julian A. McPhee, Cal Poly, said the ball was sponsored by the club.

Club To COLt Their Own
The usual period allowed stu- dents for changing their fall quar- ter classes is the same as for spring quarter, but the student has the right to change his classes at any time. The ticket booth was open from 9 a.m. until 4:80 p.m. Friday, and from 9 a.m. until 1:00 p.m. Saturday, with about 50 sales each day. Both sales will remain open the same hours for the next home game.

HELP! MUSTANG

By Bob Hardy

For the first time in five years a Mustang football team came from behind to win, beating Redlands 8-14. This victory would prove to be a very important one. It may well serve to overcome the defeatist attitude which has plagued other schools during their games with the Mustangs. To overcome Redlands was important. Helm was not beat this team, if

Frosh Pigskinners To Invade Bulldog Lair

A mighty squad of Frosh from University of Southern California is due to arrive on campus to enliven a touch-down day with the University of California for a match beside Student Union at 3:30 this afternoon. A large and enthusiastic crowd is expected to move to the playing field to witness the clash of two talented squads.

The team consists of 24 men, including John Robinson, noted wrestler and track man, and a score of others who have done well in other sports. The squad is under the direction of Capt. John Hennes, an upperclassman, and is expected to give a spirited performance.

Tickets are available at the Union, at the price of $1.00 each, for the match.

**Football Schedule**

**El Mustang**

**FRIDAY, OCTOBER 6, 1960**

**Track Prospects**

Counting heavily on a Frosh and J. C. cheerleaders from Los Angeles, Poly has a good chance to be stronger than any of the five teams it has met so far. All except for Loyola.

The Frosh, led by Chad M. Robert, has a great difference between the freshman and varsity squads which is not the case in many schools.

The main stars of the Frosh squad are:
- **Bob** (
- **George** (300-pounder)
- **Dick** (220-pounder)
- **Al** (180-pounder)
- **Jack** (170-pounder)

The varsity team, on the other hand, has a great many returnees from last year, including:
- **Bill** (running back)
- **Tom** (center)
- **Jim** (guard)
- **Bob** (fullback)

**Basketball Practice**

With basketball practice starting Monday on the Cal Poly campus, Coach Ed Imbrogno announced today that the Mustang rugers will have their first practice this afternoon at 4:00 p.m.

The Mustang rugers have been invited back to the 1960 tournament which will be held this year on Nov. 1st, and Dec. 1.
Accident Victim To Benefit From New Insurance Plan

Darrell Bemis, who received minor injuries in last Friday's motorcycle accident, will be the first student to derive benefits from the new Student Medical Expense Accident Insurance Plan. Jack H. Casmel, more seriously injured and so present hospital, was not a policyholder.

Carmen Berrone said "It is too soon to say that the insurance plan was faulty," but Varmen Merman, dean of students, "lacks accidents are covered by the college medical plan. It serves accidents happening off campus. As far as we can determine, this is the most logical policy available. It has broad coverage and payments will be made immediately," he added.

The insurance is voluntary and may be bought at the Welfare office at anytime. The cost is $8 per quarter to a full year.

"It covers all kinds of accidents," he said. "It's a good deal for students. It could pay off in the long run. It may be bought at the Welfare office at anytime. The coat is $8 per quarter."

No School Pride? Hill Still Sports

"It's been 18 days since the gridiron encounter with Fresno State, and our campus still sports a red-tinged "F" rather than the traditional "P." This seems in all likelihood to be a case of a mischievous "F." Here is the latest:

Jack H. Gessel, head yell leader, reports Wayne "Mutt" Bittenbender, who received minor injuries in last Friday motorcycle tragedy, will be the first student to derive benefits from the college medical plan. It covers all kinds of accidents." It covers minor injuries in last Friday motorcycle tragedy. It covers all kinds of accidents." It covers minor injuries in last Friday motorcycle tragedy. It covers all kinds of accidents."

Aggies Learn Ropes In School Feed Mill

James M. Davis, assistant agricultural technician, reported that students from the various off-campus departments are getting training in their job pitches learning the proper methods of handling grain in Poly's new feed mill. Davis said the students were first instructed in buying grain and were then taught practical experience how to handle it, saw feed mixer, feed mixer will maintain a constant feedingOperations.

Case, a 1953 Poly graduate, is manager of the feed mill. He said that in meeting the feed requirements of the school livestock the mill turns out fifty to sixty tons of mixed feed per week. Most of the labor is furnished by students.

New Directory Guaranteed To Turn On The Light

In your pocket in the dark as to where to find a faculty member, it would be easy and quickly. Mike Blake of I.O.M. Plumbing, secured the members that the forthcoming school directory would be out soon.
