With the election of big wheels, the "Turnbuckle" is now going into high speed planning of the annual "Country Fair on a College Cam­pus." Paul Pendleton, director of the annual, is working closely with local merchants, public officials, and businessmen to make the event a success.

Chairman Martin Clark led the college administration in a tour of the campus, with major business for the day: the planning of the "Country Fair on a College Campus." Clark, who has been involved in the planning of the event for the past two years, is confident that the fair will be a success.

Active Today
Five to six members from each school are expected here today to register for the convocation, says local chapter official Bob McCabe. Last year it was held in late June.

Alpha Phi Omega is a service fraternity, founded in 1906, with members throughout the United States. Local chapter chair Bob Bradstreet, secretary, is looking forward to the convocation, saying that "our membership is growing every day."

A newly organized Long Beach chapter of IRE, which will be represented at the regional meet­ings, has been formed by local chapter chair Bob Bradstreet, secretary, who is excited to see the new chapter grow. "We have a lot of support from the community," he says.

Registration begins at 4 p.m. with an opening address by President James Perry. It will continue from 5 to 9 p.m. tomorrow. There will be on chaper event and 6 p.m. that evening.

The national IRE award for outstanding student work in electronics will be presented to the winning team. The awards, which are given annually, are presented to the winning team. The awards, which are given annually, are presented to the winning team.

American Blood Is Flowing

A prophet spoke to the people of Babylon. He spoke about his country's great armistice, but began his speech strangely:

"Today Babylonian blood is flowing, preserving deep, red and willingly. It's dripping deep in a foreign soil, red, red, red. It's flowing like the dreaming of youth and ebbing and clotting in the mud and snow."

"Some say they are fighting to preserve Babylonian freedom; some say they are fighting for the Tower of Babel. Some say they are fighting because they were told to fight."

"They are fighting in a war that can mean the beginning of a new world. Or they can be fighting for what others before us fought, nationalism."

"If we call ourselves fighting for a cause, we are fighting for. He can be fighting for Justice, but Justice can be changed to mean tyranny."

"They can be fighting for a world of Peace. But Peace can bring death, strife and starvation. In Peace new dangers can be revealed."

**Alpha Phi Sigma**
Radio station XMNR has offered time to Alpha Phi Sigma fraternity, to present a program of literature to the college and community and afford radio exposure to its members. How best to use the available time was the subject discussed at the Tuesday evening meeting of the group. Suggestions were made to include an "Aireday" (a day in the life of Alpha Phi Sigma members) through the various radio administrations, discussion upon programs, etc.

A script committee was appointed by President Don Upton, comprising himself, Don Petrozzi, Bob McDonald and Gene Gleason. These groups will prepare several scripts for the approval of the fraternity members. A program of every two tunes is prepared andqueued for the members to hear and evaluate.

Louis P. Bregman, English instructor, will be on the air next week, discussing a new book.

**Mustangs in Salinas Paper**
The Oct. 26 issue of the "Salinas Californian" Western Band and Home section carried a story of interest to Poly, Poly Royal, general superintendent, and Mr. Clark, Salinas, Monterey County. Written by William H. Smith, "Our Boys in Salinas," a story featured Clark's personal experiences and Poly's athletic programs.

Local Boy Makes Good

By BOB HARDY

With the cage season, a new deal on tickets begins. Due to the limited seating capacity of Cran dall gym, 600 students will be admitted per game on a first-come-first-serve basis. Each student will pay the regular two-bit fee. There will be 340 reserved seats going at 51 cents. Leasing about 110 seats to be filled by 75 cent ticket holders.

Everyone associated with the basketball situation expresses regret at having to limit a 77 seat on student seats. They realize many students will be disappointed. However, finances are so acute that even the customary seating arrangements will be out of the question.

Local Boy Makes Good

An exceptional job handling high school kids. That's the record turned in by Emmett Thompson of Cal Poly. Emmett, a P.E. major, has gained a lot of practical knowledge on coaching the local Mission Indians to a championship this year. He had only 18 boys, but he's won five straight games thus far. Should the Indians beat Templeton again next Saturday, they complete the only undefeated season in their history.

CCAA — A Powerhouse

Sure hope the print shop threw away that old filler about the CCAA being the second strongest conference on coast. What a joke! The league this year is more pedestrian than the SICL, now. No doubt about it, the rest of us ham­ches, 55-14.

The Westsiders lived in the reflected glory of San Jose and COP. Only at Poly did these tired peepers have never seen. Rip Slevol of baseball fame was supposed to have a fluster hall. Chico used a combination pass, half-fumble-half-way.

### Local's Fly To Oregon

Cal Poly's Mustangs fly to Ashland, Ore., tomorrow to tangle with the Red Devils of Southern Oregon college.

Game time is 2 p.m.

A couple of tough possibilities face the Mustangs. One assignment from Roy Hughes will be to stop the terrific running attack of the Red Devils. Oregon holds the record for longest run of the season.

### Mustangs Against Poly

With Poly running, the Red Devils are coached by Howard Heilman, the rugged wound-tough back who coached Poly for several seasons.

Fifty member class 1934, serving in many positions from administrative assistant to dean of extension, in addition to teaching public speaking and agriculture mathematics, he was advisor to Alpha Phi Sigma.

He is survived by his wife, Allene; a daughter, Mrs. Rosemary Fierman of Berkeley; a son, Fred Luskiner; four Luskiner children, two grandchildren, Mark and Frederick; and a brother, Ralph Luskiner, Modesto.

Field Trip Shows New Methods To Boost Production

Twenty-three members of Poly's commercial seed production class viewed steps in the production of seed potatoes, cultivated for planting and sale, at 9 a.m. last Monday at Bakersfield and vicinity, reports Paul Dougherty, department head.

Kern county's Agricultural Commission, Lucia A. Burch, and members of M. E. Hall, distributors in Bakersfield, conducted the tour.

The program of growing certified seed was further explained by Ward Waterman, currently growing 100 acres of seed averaging 800 pounds per acre on a first year harvest.

Civil Service Team To Brief Students

Student applicants for Civil Service exams will assemble in the Engineering auditorium at noon today, says John Jones, placement head. The assembly will last from 11:30 to 1 p.m.

Personal interviews will be announced at the assembly, Jones says.

J. P. Phillips, Civil Service staff assistant, Los Angeles region, and his recruitment team will outline requirements and then discuss the examinations now being offered.

This year will be increased so that every acre in California may be planted from this seed variety five years from now.
