Grant Replaces Pendleton As English Head

Approval of the appointment of David Grant as the new chairman of the English department, of the recommendation of Dr. H. Haft in 1950, has been announced by President Julian A. McRobie. Grant replaces Dr. Paul Pendleton, retiring chairman of the department, who is resigning from administrative duties but advises of his physicians. Dr. Pendleton re- turns to full-time teaching as a member of the English department.

Rose Parade Entry Outshines All Other Educational Floats

Cal Poly's multi-colored float, "College Barn Dance," won first award in its class, "Educational Organizations," in the 60th annual Tournament of Roses parade in Pasadena. It was judged the most beautiful by vote of the University of California and Michigan and Pasadena float school's entries.

In presenting the award, Mayor John McGinnis, John Walsh, Hubert Hall, John McQuillan, Charles W. Gillett, Ontario, and Richard Emmett, Pasadena, who witnessed the spectacular on television screens.

Deary, Do You Remember?

Yes, we guess Americans are an odd people. In spite of being in one of the most critical periods of our history we take time to greet our friends with a cheerful word, to talk trash about our neighbors, to make facetious remarks about juveniles gone wild, and to aid in the war effort.

We don’t forget our boys overseas. We send them packages to help keep that “home” feeling burning within; we write letters telling the kids, their girl friend getting married; and of “Queenie” the family mongrel pre-

Waves Best Mustangs After Savage Battle

Tomlinson Leads Cal Poly To Victory Over Santa Cruz Five

By Bob Thomson

In a third-special basketball game that wasn’t decided until the final minute of play, the Pepperdine Waves defeated the Mustangs 61-59 last Saturday night in Crandall Gym. It was a nip and tuck affair, with the lead changing hands on numerous occasions. Coach Ed Tomlinson’s team went into the game as 7-point favorites, but the Waves had beaten the Mustangs all season, and that was in the final minutes of play.

Cal Poly jumped to an early 10 to 1 lead in the first five minutes of play, but at the first quarter mark the score was tied 15 all. With but two seconds left in the first half, Pepperdine dropped a basket to take the lead 26 to 25 and lead at the half.

The two clubs battled primarily in the second half, in which the lead changed hands seven times and was tied or close occasions. Never more than three points separated the teams until the last six minutes when a reserve Wave guard put two baskets and give Pepperdine a 10-point advantage.

Edgar Wext had high praise for the Mustangs. He said: "I’ve never seen a team that could do anything else but win. The Mustangs are a fine team."

Tipping Chances Fade As Forces Claim Top Men

Swimming Coach Stick Anderson received a savage blow during registration days. Anderson was told that Erle Jordan, who won both the 60 and 100 meter freestyle events, but enlisted in the Navy.

Added to this bad news was the elimination of Loren Jones in the 200 meter freestyle. Jones would turn out for Top-Poly diver. "His presence will be missed as a club performer as well," says Anderson. "He was a versatile performer and was our top diver in the meet or entered a number of other events.

Bob Benefield, another diver, has returned to the pool and will be among the missing."

In spite of these setbacks, Anderson predicts, "we have a team. Workouts began last week with Anderson. The 18 men entered for the novice meet from 4-11. Anderson says, “I’m interested in seeing all swimmers turn out for our swim club.”

El Mustang FRIDAY, JANUARY 12, 1963

Last fall an article appeared in "El Mustang" to the effect that track promoters at Cal Poly were selling their star athletes. That was true. However, a closer look shows that the star athletes are sold to the promoters.

Twelve of Tomlinson’s top forces have joined the service ranks. But it was the fact that Tomlinson had met the challenge of the local athletic world that made him the coach of the Mustangs.

**El Mustang**

In the past, Mustang sports fans have found it difficult to excuse themselves on Cal Poly athletic programs. We'd like to take this chance to do right. If anyone has a gripe, let's have this whole school know. No doubt some fans would like to quit on the easiest way to express their feelings. We will print the question and the answer as given by the master.

If the response is immediate, the next step will be to publish the gripe, questions and answers. Write out your material and put it in the copy basket in the "El Mustang" office. Let's get this thing going. It may prove to be quite explosive.

**Full Timers**

Poly hopes for future basketball championships will rise about next week. Coming to Cal Poly is James Bell from San Jose. Bell is a throw back to the Redwood giants, standing over seven feet in his stocking feet. He played his high school basketball in San Jose and will gain further seasoning for the Frosh eager this season.

When asked if Bell would brighten the Gaucho future at Mustang city, Coach Ed Jorgensen replied, "He's a mighty big boy."

**No Crow Yet**

Prior to the collegiate basketball season, Sports Corner predicted a conference championship for Jorgensen's horses. We have not changed our minds in spite of the loss to Pepperdine. That defeat may well have been a win. Shooting from the foul line was the margin of defeat in that game.

The Waves had better not count on that buffer in the remaining games. Jorgensen's hoopmon has predicted a conference championship for Jorgensen's hoopmon. We have not changed our minds in spite of the loss to Pepperdine.

**Mustangs Meet Gauchos Tonight In Southland**

After splitting a weekend pair of basketball games, the Mustang courthouse traveled south to play Santa Barbara's Gauchos tonight. Each team has a one and one record having both beaten and lost to the same teams. Cal Poly beat San Diego by 18 points one time and the Gauchos defeated them by two points another. San Barbara lost to Pepperdine by five points and the Pepperdine band, Poly by seven.

The Gauchos defeated the Mustangs in both games. The Los Angeles State tourney gives the Gauchos the edge, but Mustangs have a brand new star in center Howard Tilton.

The teams were pressure to the San Jose high school this week when they defeated the PROMLEY Vikings, East, and now Tulear high school's Redanlos. The Mustangs defeated the Redanlos on their court last week.

In the first game Friday night, the Mustangs, with Bob Harms at the center, won their third game in a row with three straight points. Bill Otis scored the first of these points, Bob Harms added the second and Tilden, one of the Mustangs' three guards, scored the third.

In the second game of the doubleheader, the Mustangs beat the Redanlos 48-26. The Mustangs piled up the first six points set by Poly. Bob Harms hit a pair of 3-pointers in the first half and then added another. The Mustangs went on to win 26-4.

In the third game of the doubleheader, Poly beat the Redanlos 36-31. Bob Harms again came through with two 3-pointers, one in each half of the game.

Livestock Judges Vie For Honors

In Denver Classic

Local livestock judges, under direction of Lyla Hoy, compete in the Denver Intercollegiate Livestock judging contest today and Saturday in Denver, Colo. It was announced today. The contest will be held as part of the Denver Livestock show.

The six-man 1961 team will be the first Cal Poly squad to compete in the Denver classic.

John Primalshg of Walnut Grove, Martin Clark of Belmont, Charles Hollister of Goleta, Charles Gow of Montague, Jim Dyer of Chico and Alex Yoo of San Bruno comprise the student judging team.

The 1959-60 team met the instructions of Lyle Hoy, a professor of animal science. The only change expected from the midwest schools.

The 1961 team has a high pace for the midwest schools.

Lynn Tilton... lovely cousin of "Like" Martha Tilton, will be heard next Tuesday night with Ralph Flanagan's band.

Porter Sheds Independence; Becomes Mrs. Elwood Lehman

Marie Porter, a member of the math department since 1946, resigned Dec. 30 to take over new duties—those of a housewife.

Miss Porter became Mrs. Elwood Lehman during the Christmas holidays. The couple will reside at the newly-formed San Luis Obispo Junior College.

The books are valued at $5 each. The books are scheduled for next Wednesday afternoon.

Senior portraits for "El Rodeo," Cal Poly yearbook, are scheduled to be taken next Wednesday afternoon. They will be available anytime, they said today.
