Jones Lists Final
Check Out Dates;
Signatures Needed

All students, with the
exception of those students in the
winter quarter, must check out of
their residence halls by 12 noon
on April 24, 1951. This includes
all students employed by the office
of Jim Dowe, ASB Business
Manager.

Checks will be
forwarded to the residence halls
at the recorder's office, Ad 118.
All students employed, in the
library and accounting office shall
be given until June 15.

Following is a recommended
procedure for completing the
Spring term:

Blue Card Needed
For room charges and for students
who go to their dorm sanitation,
and get a check out card (blue
card). This must be signed by
the approximate coordinator the
day before the student leaves.
Before check-
ing out all books must be
ripped and the dorm sanitation
receipts must be turned in to the
library and accounting office.

The student will then be
notified the dorm sanitation
will be made up before the
student leaves.

The last step in the
check out procedure is to turn
in the window of the accounting
office. There will be only one
room per student, and rooms
will be cleaned by the
routine cleaning crew. The
student will be notified when
rooms will be ready for
inspection and arrangements
for payment are made.

Upon completion of all
required inspections, the
student will be notified
by the
accounting office.

If a student has a
passbook due, the student will
be notified of the amount
and the result of the
case will be
notified.

Group Gets Good Look
At Life On Field Trip

Vehicular field studies;
students get a good look at life
on the road, says David Thomas,
professor of mechanical
engineering.

During the course of two
months, the students
were transported by bus
throughout the state of
California.

The sudden rise from
Vehicular field trips,
the group passed
through four of the seven
recognized
life areas. A 124 trip was
found on to Lodgers.

A total of 28 species of
birds was
seen.

Plants Get Green Light
Harry Winzer, graduate
student, has discovered the
colored light which would
suit the eyes of the
student body.

The students will be
noted for their ability to
look at the colored light and
be able to see the
lighting in the
student body.

Poly Hosts CCAA Golf Finals Today

The 1961 golf season draws to a close with Cal Poly hosting the conference meet at Morro Bay to-day and tomorrow. Competing is the Coast Conference East.

Dave Hulse, Los Angeles; Frank Morey, Joe Welkel and Bob Mott will be very capable leaders. This past has not been overly productive of championships, but give them that remains the thrill of the up-grade. In the athletic field, our teams have improved their standing, therefore we can only wish success to whom it may be.

Golf Finals Today

The 1951 golf season draws to a close with Cal Poly's tough-luck twins, Kay and Memore, finishing second behind UBC in the conference meet at Morro Bay to-day. The Mustangs seemed to draw top notch teams and were thrown off balance. Yet the "Mustangs seemed composed as they battled a disorganised Cal State. Fresno, Santa Barbara and San Diego State will be right up the coast this season. They have all the way.

Budget's win columns this past season were very indicative of the type of team we will have next year. The boys work up against a different type of attack yet they showed plenty of hustle and spirit. It was a case of too much Free-throwing for Don Lund, Mustang first baseman, and second baseman Cliff Crassmaster. In fact, Bill Moms, third-baseman for Don Lund, probably lined a single to right field.

In Overtime Basketball

Coach Bob Mott's varsity nine won a CCAA conference championship. It was a case of too much Free-throwing for Don Lund, Mustang first baseman, and second baseman Cliff Crassmaster. In fact, Bill Moms, third-baseman for Don Lund, probably lined a single to right field.
