Mize Pleads For Okay Vote
At Universal Fee Election

Neccessity for an affirmative vote on Universal Student Body cards at the April 18 election was emphasized today by ASB President Vern Mize. A negative vote on the part of the students would result in a probable 60 percent clash in ASB funds for the next school year, said Mize.

Coed Plans Being Set In Motion
By Marilyn Mullen
Miss Marilyn Mullen, a recent graduate of Antioch and Mills colleges, has been appointed to the newly-created position of coed advisor at Poly. Local Golfers Play

USC Trojans Today.

Pendleton Saturday.

By Robert Hardy

Today Cal Poly's golf brigade marches with the Southern California Trojans on the Los Angeles country club course. Conference play was ended for the week yesterday when the league tied off with Los Angeles State.

Waldemar Englund, the Mustangs' Panthers coach, is a native of the Mile-High city.

2. Again with SF State providing the cue ball, the golfers won without the services of Bob Englund and Roy Rogn, who were entered into the California invitationals. Standings follow.

Sonnies were the name of the day yesterday where the score of Lido Bitlec, Bill Wood, Tom Yanag, Don Begart, and Bob Whitlock, tangible record.

In an earlier engagement, Poly golfers defeated the University of the Pacific, 22 holes to 12, at the Pacific Grove golf club.

Baseball games scheduled for April 28 will be played in the Cal Poly Experimental sports field. The games will be played at 7 p.m. in the Cal Poly Experimental sports field. The games will be played at 7 p.m.

Although little is known of the visitors, Matt says the Mustangs will have to set them down in the first game. They must pull a repeat performance on the Pacific Waves in two games to avoid being placed in the wildcats.

With Kashaik will start on the practice team to meet the Pacific Waves, Frank Romeo and Ray Coash.

The University of California defeated the Mustangs Tuesday 9-1, on a grand-slam homer by Tom Fellowship, a pinch-hitter, in the 4 2/3 inning.

Polys Trackmen in

CCAA Track Meet

An today-organized Cal Poly track team will return to San Jose tomorrow to compete in the annual CCAA conference meet at 7:30 p.m. in the Poly gymnasium.

Mike Pautser received the award for the evening college against Fresno, but will vault high jump. Mike Wilson is scheduled with a stiff back, but will be expected to win. Wilson has jumped 10 1/2 feet.

Jensen says, "We have a good chance to win both events, and also better if Bechart, Wilson and Fielding are all right.

The Mustangs have been the whipping boys since 1948 but this year Wilson justified him.

The Mustangs host the Whittier college Friday and Tuesday at 8 p.m. on the Poly oval. Kelley Vertrees will attempt to top the record for the first time this month. Wilson has a new arm.

Building Program Takes On Expensive 'New Look'  

Cal Poly's progressive building program takes on Expensive 'New Look' recently when the budget for its developmental program was released.

The boost to the building program came as a result of approval by the Board of Trustees of a $10,000,000 building fund for Manager Donald Nielsen. The new building is destined for the experimental world and will be a part of the campus for only six years, but the financing of such a tremendous structure is just a part of the Poly picture for the near future of the college.

A science building. The southern Obispo campus, the new power building. Further news from Business College, as only properly supplied Poly men will see larger, brighter,-better sights as the new power building.

Building work is to be tolerated by the coming fall and ground may very well be under the direction of E. B. W. and, of course, Bob Nielsen and Dean Maxine. Bob Nielsen and Dean Maxine are both very active people, and students will, 'know when, where, and why.

El Corral Hosts Fellowship Feast  
The Bear-Knothook foundation, which presently owns $2,000 each in scholarships for farm boys, was attended Cal Poly sponsored a banquet last Wednesday at the El Corral restaurant.

More than 40 students who have received Bear-Knothook scholarships and an equal number of guests representing the college and the community were present. Pettigrew, public relations director for Dean Pacific coast territory, explained that the group is holding a series of five project meetings so that the Sears Public Relations group of the foundation may have a chance to be acquainted with the project activity of the Sears group.

President Julian McPhae and other members of the college administration met the group at the San Luis Obispo airport and took the students to farm and agricultural departments.
