READEVERTISEMENT CLOSING DATE: February 18

#0973: Instructional Support Technician I, Dept. of Biological Sciences (Unit 9)*, $11,000-$16,556, temporary, full-time, to 6/30/98; interest/extension Call and July 23 and August 2; half-time beginning 9/1/98 with benefits to 6/30/99 with possible extension.

NOTE: For positions marked with an asterisk, qualified on-campus applicants currently or formerly employed at the University of California, Santa Barbara must meet the academic standards for entry into the University. Therefore, a student with a disability must meet all of the academic and non-academic standards for admission and continued enrollment in a University program. The courts' interpretation of the act does not require a University to lower its standards. It does require schools to provide reasonable accommodations that will provide equal educational opportunity for students with disabilities.

All's quiet on the Cal Poly front

We haven't heard from any of you for awhile. We'd like to remind you that the Cal Poly Report's "Piece of Mind" section provides a forum in which faculty and staff can express their opinions or provide information about university affairs.

We hope to improve campus communication on individual issues and help explain universitywide policies and procedures.

Letters received by 10 am Thursday will be published in the next Wednesday's Report. Please keep them brief and submit them typed and double-spaced. Include your name, department, and a phone number. Letters may be e-mailed to polynews@calpoly.edu, mailed to the Communications Office, Hiron Hall, or faxed to 805-756-6533. We might need to edit letters for clarity and brevity.

ADVANCEMENT

Cal Poly Fund campaign triples donations in 2 years

Cal Poly alumni have again increased their giving to the colleges and the University Center for Teacher Education during the six months from July 1 through December 31, 1997.

A gift total of $501,351 as of Dec. 31, 1997, is 38.7 percent increase from the $361,444 raised in the same months in 1996. The total from July through December 1995 was $158,575.

"The success is due to a team effort," said Eric DoppeI, Cal Poly Fund director. "The Advancement Services office responsible for managing the donor information has done a fantastic job. This has allowed the Cal Poly Fund office to do the best job possible at our direct-mail, telemarketing and phone efforts," DoppeI said.

Equally important is the focus on college-based fundraising. With the help of college advancement directors, we are best able to represent the many programs across campus and raise the much-needed funds for our educational programs," DoppeI said.

Comments invited on student housing

Faculty and staff are invited to comment Feb. 14 and 19 on the proposal for the unafforded build more student housing.

Forums will be held in Santa Lucia Room 2 from 3 pm on Wednesday the 18th and from 11 am to noon on Thursday the 19th.

Faculty and staff comments are to be included with student and community opinion as part of the study being conducted by the San Francisco consulting firm of Gordon H. Chang & Partners. Cal Poly has proposed building a new housing complex for approximately 610 students. The current study is intended to help decide whether and where to build it. What it should be like, and how to finance it.

A two-page survey seeking student opinion was published in the Jan. 16 Mustang Daily.

The consultants' report is now scheduled to be ready by the end of winter quarters.

More information is available on the project's Web site at www.housing.calpoly.edu/development. (Continued on page 3)

Appointments

Bianca Rosenthal has been appointed department chair of Modern Languages and Literatures, succeeding William Little. She began her new duties in fall 1997 and will serve a three-year term.

Miss America ‘98 to speak at HIV summit

Kate Shindle, Miss America 1998, will be the keynote speaker at the second annual HIV Educational Summit on Wednesday, Feb. 18, in the UU. The annual, to run from 9 a.m. to 4 p.m., is intended to "educate the educators" in current perspectives on HIV/AIDS.

Shindle’s appearance is part of a national speaking tour titled "On the Way to a Cure: Preventing HIV Transmission in America."

The summit is a community partnership involving many health and education organizations, including the Cal Poly HIV/AIDS Campuswide Education Committee.

Faculty, staff and students can attend the day-long summit or the lunch and registration for the entire conference including lunch is $40 for faculty members and $20 for students. Tickets to the lunch cost $15.

For more information or to reserve a seat, call Women’s Programs and Services at ext. 6-2600.

Statistics provides consulting service

The Statistics Department provides a consulting service to help with research design and other statistical aspects of disciplines. The service is intended to support faculty and staff projects and research, as well as help students with senior project and graduate research.

Ken Smith, the main consultant, will also offer workshops on topics and advise on computer packages available at Cal Poly. If some special area concerning statistical inference is of interest to a department or group, contact Smith to arrange lectures on that subject.

Smith’s office is in Room 108 in Facility Office Services, and can be reached at ext. 6-6239, e-mail at smih@calpoly.edu or fax to 6-2700.

Spring quarter waiver forms available

Spring quarter waiver forms are available in Human Resources, Adm. 110. The class schedule is on sale at El Corral. Improved forms are available at Cal Poly.

More than 100 employers are expected to attend and answer students’ questions regarding careers in their organizations.

Cal Poly students, as well as students from community colleges and high schools, will have an opportunity to ask about suggested course work and possible summer, co-op and career positions.

In preparation for the event, Career Services will hold a workshop, "Effectively Prepare Your Resume," at 2pm, Thursday, Feb. 11, in the Craft Center. Participant registration is required.

Fea waiver participants can register in accordance with the "Priority and Graduate Students" category of the CAPTURE cycle as listed in the Spring Quarter Class Schedule. SSF/fee waiver forms will be available to those who have completed their "Career Symposium," from 11 a.m. to noon on Thursday, Feb. 12, and from 1 to 2 p.m. Thursday, Feb. 19, at 244 Career Services Building, across from Mustang Stadium.

Nominations sought for governor’s safety awards

The chancellor’s office is encouraging Cal Poly to nominate two employees for the annual Governor’s Employee Safety Awards for 1997.

The Governor’s Employee Safety Awards program began in 1980 to recognize individuals and groups who distinguished themselves through outstanding safety efforts in the design and implementation of safety programs when this was not part of their normal duties.

For a nomination form and criteria, stop by the Risk Management Office, Adm. 116, or contact Nancy Villikits or Leanne Seret at ext. 6-2711, or visit the ORIM home page on the Internet at http://www.orim.ca.gov. Nominations must be submitted through the Internet.
