Position vacancies

Vacancy information and applications for the following positions are available from the appropriate office. Information is also available on the Cal Poly home page (www.calpoly.edu). Click on "General Information." STATE (Adm. 110, ext. 6-2266 or job line at ext. 6-1533). Official application forms must be submitted to the appropriate office before the closing date or be postmarked by the closing date. (No faxes, please.) For positions marked with an asterisk (*), qualified on-campus applicants currently in Bargaining Units 2, 5, and 7 will be given first consideration.

**07024: Administrative Support Assistant II, College of Liberal Arts — History (Unit 7).** Closing date: Sept. 20, 2000, with possible extension dependent upon funding. Under general supervision, the position provides technical assistance and performs a variety of clerical/administrative duties in support of academic functions for department faculty and staff.

**07025: Library Assistant II — Interlibrary Loan (Unit 7).** Closing date: Sept. 1, $2,489-$2,986/mo., plus any salary increase negotiated through collective bargaining. This position provides technical support to library users who wish to acquire articles and books from libraries in California and the United States. Information is also available on the Cal Poly home page (www.calpoly.edu; Adm. 312, ext. 6-2844). For more information, call Cindy Campbell, Parking and Commuter Services administrator, at ext. 6-6658.

**07032: Information Technology Consultant — Career; ITS User Support Services (Unit 7).** Closing date: Sept. 7, $3,457-$4,721/mo., plus any salary increase negotiated through collective bargaining. The position serves as a primary contact in the User Support Services Help Desk and provides a full range of technical support to Cal Poly's information technology users. In addition, this position will provide office support to the assistant dean of Access and Bibliographic Services and Library Systems. This position is required to work occasional weekends and evenings.

For additional information and an application, refer to Recruitment Code #09031, and send cover letter and resume to Search Committee, Mechanical Engineering Department.

**09031: Analyt/Programmer — Foundation Library Services-Multimedia Section (Unit 9).** Closing date: Sept. 26, 1984-3,842/mo., plus any salary increase negotiated through collective bargaining. Temporary position to May 2000, with possible renewal dependent upon funding. This position works under direct supervision and assists in the development and implementation of technology-based solutions to meet the information needs of the library.

**FACULTY (Adm. 131, ext. 6-2844).** Candidates interested in faculty positions are asked to contact the appropriate department office or the phone number listed for more information and an application. Please submit all application materials to the department head/chair unless otherwise specified. Rank and salary are commensurate with qualifications and experience, and timebase where applicable, unless otherwise stated.

**09312: Lecturer, Agricultural Education and Communication Department (756-2003).** Closing date: Sept. 7. Full-time position available subject to funding for the 1999-2000 academic year, starting fall 1999, at the Lecturer B level. Teach undergraduate and graduate courses in agricultural education; advise students, work with teachers of agriculture and the California 4-H as well as a team member of a group. (Adm. 312, ext. 6-2844). For more information, call Cindy Campbell, Parking and Commuter Services administrator, at ext. 6-6658.

For additional information and an application, refer to Recruitment Code #09031, and send cover letter and resume to Search Committee, Mechanical Engineering Department.

**FOUNDATION (Foundation Adm. Building, job line at ext. 6-7107).** All Foundation applications must be received (not just postmarked) by 5 pm of the closing date.

**Research Assistant, Biological Sciences — Closing date: Aug. 27, $12.11 - $15.76/hr.** Support the activities of the Environmental Biotechnology Institute in their ongoing research in the area of microbiology, environmental microbial community analysis, and microbial ecology studies. Requirements: A bachelor's degree in microbiology, molecular biology, or biochemistry or an appropriate field of science, as completion of two years of college coursework in the indicated disciplines and two years experience as a laboratory technician, or equivalent combination of experience and education. Must have knowledge of laboratory and research methods and use of scientific methods in conducting research. Must be able to operate and maintain the operations of an ABI Model 310. Must be familiar with DNA sequence analysis; and GeneScan software applications. Experience with microbial ecology a plus. Must have strong oral and written communication and the ability to work well as a team member of a group. (Adm. 312, ext. 6-2844). For more information, call Cindy Campbell, Parking and Commuter Services administrator, at ext. 6-6658.

For additional information and an application, refer to Recruitment Code #09031, and send cover letter and resume to Search Committee, Mechanical Engineering Department.

**CU Board of Trustees approved two-year contract changes**

The CSU Board of Trustees approved a two-year contract with the Academic Professionals of California (Unit 4), effective July 1, 1999, through June 30, 2000. Salary highlights include:

- A 2.77% General Salary Increase (GSI) effective Oct. 1, 1999.
- A 2.4% GSI effective July 1, 1999.
- A one-step or 2.4% Salary Service Increase (SSI) payable to eligible employees on their anniversary dates in fiscal years 1999-2000 and 2000-2001, as appropriate.
- For fiscal year 1998-99, a one-time lump-sum bonus will be paid to each full-time and part-time employee on the date of contract ratification. Full-time employees will receive $383, and part-time employees will be paid pro-rata, based on their timebase equivalent. This type of bonus is not available for fiscal year 1999-2000.

These salary adjustments will be processed as soon as possible. In addition, the contract provides for a Performance Pay Salary Increase of up to 7.5%, effective July 1, 1999, and July 1, 1999, respectively. All contract information will be distributed later.

**CPR schedule**

The final summer quarter edition of the Cal Poly Report will be out Sept. 1. Publication will resume during Full Conference week with two issues: Monday, Sept. 13, and Wednesday, Sept. 15. Articles are due in the Communications Office, Heron Hall, for the Sept. 13 issue and by 10 am Thursday, Sept. 9, for the Sept. 15 edition. Thursday the Cal Poly Report will appear every Wednesday during the academic year. The deadline to submit items is 10 am Thursday of the following week’s edition.

Items can be e-mailed to polynews@calpoly.edu, faxed to ext. 6-6533, or mailed to the Communications Office, Heron Hall. For information call ext. 6-1511, ext. 6-6911, ext. 6-6533, or ext. 6-6585.

...Young Scholars... "Young Scholars" can learn to create Web pages

The Extended Education Young Scholar's class "Create Your Own Web Page II" will be held from 9:55 am to 12:10 pm beginning Monday, Aug. 23, through Thursday, Aug. 26, in the Kennedy Library, Room 111. Extended Education students in grades 6-11 will learn to create their own Web page. Knowledge of computer programming is not necessary, teacher Judy Swanson will tailor the instruction to meet each person's skill level.

The deadline to register is Friday, Aug. 20. Stop by the Extended Education office at Jespersen Hall, Room 101, to pick up a registration form or enroll by phone with a Visa or MasterCard. For an application or more information, call ext. 6-2053 or 6-7196.

Farewell coffee set for Dale LacKorre

A farewell coffee is planned for Dale LacKorre, assistant director of Campus Dining, from 9 to 10 am Wednesday, Aug. 25, in the Veranda Conference Room.

The campus community is invited to the celebration in honor of his 40 years of service to the Foundation.

Two professionals working to change the face of LEDs

Professors David Braun of the Electrical Engineering Department and Kevin Kingsbury of the Chemistry Department are working to improve the look and performance of electronic devices such as computer monitors and could help transform them into sleeker models "as flexible as plastic wrap."

And students are having an opportunity to help them do it.

With a $120,000 grant from the National Science Foundation, the two are working to advance the technology of LEDs, devices that conduct electricity through organic diodes — key components in the electronic screens of computer monitors, digital cameras and other devices.

Braun and Kingsbury aim to improve LED displays that conduct electricity through organic polymers, or plastics, rather than through inorganic materials.

"With polymers, we can design LEDs that are as flexible as plastic wrap," Braun said. The new LEDs would be smaller and lighter and use far less electricity than the current models. "They might be found on the World Wide Web at

Paralegal studies to be discussed at open house

The campus community is invited to the Extended Education's Paralegal Studies Certificate Program Open House from 6 to 9 pm Thursday, Aug. 26, in the Education Building, Room 113.

Instructors, students and graduates will discuss the program and the paralegal profession as a career.

Program coordinator Ellen Sheffer will answer questions regarding enrollment and graduation requirements.

To reserve a space or for more information, call Sheffer at ext. 6-2053.

Prizes awarded at health, wellness fair

Several employees won prizes at the recent "Summer Shape Up" health and wellness fair sponsored by the Employee Assistance Program.

Prize winners were Tom Enmens, Library, Hope Perez, University Center for Teacher Education; Stan Rosenfield, Fiscal Services; Kittie Shaughnessy, Lit-Bracy, Rebecca Wright, ASI Busness Office; Jeanie Stiller, Campus Dining, Megan Boragine, Student Life and Shelley Aleshire, Disability Resource Center.

Prizes included gift certificates from Applebee's, Kona's Deli, and the Cliffs Resort Hotel in Shell Beach.

Jazz star Diana Krall to appear Sept. 19

Canadian pianist-vocalist Diana Krall, whose "beauty, gently tousled voice" has earned her rave reviews and loyal fans, will perform at 8 pm Sunday, Sept. 19, in Harman Hall.

The 33-year-old singer is touted in Vanity Fair for "the crisp, swinging soulfulness of her piano, the throbbing allure of her voice, her unfailing taste in the songs that she chooses to interpret, and, lastly, the movie-star appearance of her person."

She began performing at 15 and won a scholarship to the prestigious Berklee College of Music. She quit to play professionally.

College of Liberal Arts recognizes two employees

The College of Liberal Arts has named Drucil Reese of the Music Depart­ment as the first recipient of its Staff Recognition Award for Continuing Ex­cellence and Carson Crain, dean's office, as the first recipient of the Staff Recognition Award for Achievement.

In addition to her regular duties, Reese coordinates approximately 100 concerts, recitals, workshops, and guest artist activities annually. She also plays a key role in fund-raising events, even as she schedules classes and rooms, manages budgets, and contributes to campus governance and planning.

Crain and Reese each received a momento, a personalized plaque, to recognize their commitment, competi­tion, and goodwill.

Golf tourney set to benefit Youth Outreach

Evora, who sings in French, has been nominated for two Grammy awards. Her best-selling 1995 release, "Cezaria Evora," was cited as "best of the year" by more than a dozen major U.S. publications, including The New York Times, the Los Angeles Times, the Boston Globe, and the Philadelphia Inquirer.

Spin magazine called her most recent recording a "superb display of Evora's skills ... Evora's voice crosses language and culture with a warmly captivating tone."

Diana Krall will bring her jazzy vocal style to Philips Hall.

Tickets to this Cal Poly Arts event cost $17 to $34 and can be bought at the Performing Arts Ticket Office.

... Evora...

Evora, who sings in French, has been nominated for two Grammy awards. Her best-selling 1995 release, "Cezaria Evora," was cited as "best of the year" by more than a dozen major U.S. publications, including The New York Times, the Los Angeles Times, the Boston Globe, and the Philadelphia Inquirer.

Spin magazine called her most recent recording a "superb display of Evora's skills ... Evora's voice crosses language and culture with a warmly captivating tone."

Diana Krall will bring her jazzy vocal style to Philips Hall.

Tickets to this Cal Poly Arts event cost $14 to $23 and can be bought at the Performing Arts Ticket Office.

Ticket information

Tickets to the performances listed in today's Cal Poly Report are on sale at the Performing Arts Ticket Office from 10 am to 5 pm weekdays and from 10 am to 4 pm Saturdays. Cal 6-ARTS (ext. 6-2787), or to order by fax, dial ext. 6-6088.

Information on Cal Poly Arts events is available from the Performing Arts Center's Youth Outreach program. Students and staff members most frequently asked operational questions.

Crain and Reese each received a momento, a personalized plaque, to recognize their commitment, competition, initiative and goodwill.

Golf tourney set to benefit Youth Outreach

Central Coast golfers can raise their clubs to raise money for the Performing Arts Center's Youth Outreach program.

A benefit golf tournament is planned for Monday, Oct. 25, at the San Luis Obispo Golf and Country Club.

The field will be limited to 36 two-person teams. The entry fee is $125 per golfer.

For 24-hour recorded information, call 546-3515, or call the Performing Arts Center's administrative offices at ext. 6-7222 Monday through Friday, 8 am to 5 pm.

Extended Ed fall catalog now available

For a copy of Extended Education's fall 1999 catalog, stop by Room 101 in Jester Hall, call ext. 6-2053, weekdays from 8 am to 5 pm.

Diana Krall will bring her jazzy vocal style to Philips Hall.
Position vacancies

Vacancy information and applications for the following positions are available from the appropriate office. Information is also available on the Cal Poly home page (www.calpoly.edu; click on "General Information").

STATE (Adm. 110, ext. 6-2326 or job line at ext. 6-1533). Official application forms must be submitted. Applications must be postmarked by the closing date or be postmarked by the closing date, (no faxes, please.) For positions marked with an asterisk, required on-campus applicants currently in Bargaining Units 2, 5, 7 and 9 will be given first consideration.

07002: Administrative Support Assistant II, College of Liberal Arts – History (Unit 7). Closing date: Sept. 9, 1999. $2,492-$2,950/mo., plus any salary increase negotiated through collective bargaining. Under general supervision, the position provides technical support to library users who wish to acquire articles and books from libraries in California and the United States. Chanteuse Cesaria Evora to perform Sept. 17

“Mellow, sooooring voice...” "Smooth, husky tones, as sensual as the Cape Verdean music...” "Rich alto voice... a cross between Edith Piaf and Billie Holiday." These are some of the comments critics are making about musical chanteuse Cesaria Evora, who will perform at 8 pm Friday, Sept. 17, in the California Polytechnic State University’sOptions Theatre.

Cesaria Evora was adopted in Cape Verde by a family living in the coast of Senegal, Evora first became known singing the region's most-popular musical styles of Coladera and the Morna, slow, rhythmic music with lyrics expressing love, loss, sadness and longing — the Cape Verdean version of the blues.

Five members selected for Hall of Fame

Cal Poly will induct five new members into the Athletic Hall of Fame in a ceremony on Friday, Oct. 1, at the Embassy Suites Hotel.

The honorees are Louis Jackson (football), Beryl Harr (basketball), Janet Bondfod (track and field), Marie Lundie-Salyer (volleyball) and John Orton (baseball).

The members bring the number of inductees to 57 since the Hall of Fame’s inception in 1987. The first inductee (1980) was one of the most prolific running backs in collegiate football history. His 3,300 career rushing
