Dollar limit raised for tax-deferred plans

Starting with the 2000 tax year, the annual dollar limit has been raised from $10,000 to $15,500 for the 403(b) Tax-Shifted Annuity program and the 401(k) Thrift Plan. The 457 Deferred Compensation program maximum remains unchanged, at $20,000. The 403(b), 401(k) and 457 programs enable employees to accumulate tax-deferred savings for retirement. The maximum amount an employee may contribute is determined by different formulas, and at least these different formulas exist for the 403(b) program. 

For more information about 403(b) maximums or to change a 403(b) payroll contribution, contact Human Resources and Employment Equity at ext. 6-2237 for the appropriate form. 

To make changes to existing 403(b) and 457 accounts, employees must either use the Savings Plus Program or contact a 457 administrative firm. The Savings Plus Program customer service telephone number is (800) 700-8466, and the e-mail address is saveplus@calpolycd.ca.gov.

Retirement Reception for Ramos and Rodriguez

The campus community is invited to a retirement reception in honor of Academic Records staff members Judy Ramos and Sandy Rodriguez from 2 to 4 p.m. Monday (Jan. 31) in the Venada Cafe.

Applicants sought for 'forgivable' loans

The 2000-2001 Forgivable Loan-Doctoral Incentive Program is seeking applicants.

The program is designed to increase the diversity within the pool of candidates to fill teaching positions at the CSU campuses.

Special consideration will be given to candidates whose proposed area of study is consistent with the CSU's objectives in anticipating the most difficult-to-fill instructional faculty positions.

The program, which provides a maximum of $10,000 per year, is open to new and continuing full-time students enrolled in doctoral programs at accredited universities during the academic year. Applications are due March 1. For more information and more information, call Human Resources and Employment Equity at ext. 6-2237.

Math Counts contest to be held Feb. 5

Middle school math students from three counties will compete in the annual Math Counts Competition at 1 p.m. Feb. 5 in Room E-52 in the Science Building.

Students from Kern, Santa Barbara and San Luis Obispo counties will compete as four-member teams and as individuals in a series of rigorous math tests prepared by the National Society of Professional Engineers, California Society of Professional Engineers, and National Mathematics Association.

Cal Poly faculty members Robert Adkinson, Jim LoCascio and Leonard Wall are coordinating the event and are looking for donations of money and merchandise from local merchants and community organizations.

MathCounts.org and comments about the event are also welcome. For more information or to make a donation, please call Wall at ext. 6-2095 or e-mail LoCascio at flscascio@calpoly.edu.

CPR schedule

The Cal Poly CPR program is being offered every Wednesday during the academic year.

Office aid in production of book of urban photos

The Graphic Communication Department and other Cal Poly offices have aided in the production of a new 240-page book of images chronicling life in America's multi-racial cities in the middle years of the 20th century. "Folk Photography: Poems I Have Never Written," 335 photographs by Brooklyn-born Joe Schwartz illustrate the contributions, hopes and potential of working-class Americans from the 1930s through the '80s. Now living in Atascadero, the 86-year-old photographer has spent a lifetime documenting the "successes and frustrations of urban Americans, especially working people of different races and the nation's have-nots."

What makes Schwartz' images so compelling is his clear-eyed and clear-headed insistence on the inherent dignity of human beings in spite of their dire economic conditions," said James A. Miller, director of the Africana Studies Program at The George Washington University in Washington, D.C.

The press run began Jan. 17 to coincide with the 100th anniversary of Martin Luther King Jr.'s birthday. The timing was designed to reinforce the book's message of history and hope, said Graphic Communication Department Head Harvey Levenson. The department provided technical guidance in producing the book, which is being printed by Blake Priester of San Luis Obispo. Other offices at the university aided in editing.

Information about obtaining a copy of the book will be published in a future Cal Poly Report article.

Savings Plus Program

The Cal Poly I.D. card office has moved to the Customer Service area in the Light House atrium and now provides a "one-stop" shop where employees and students can pay for and have their picture taken for their I.D. cards.

The office can also accept the $5 replacement fee for lost cards, payments for students' meal plans, and deposits for students' and employees' Campus Express accounts.

Anyone who finds an I.D. card is asked to please turn it in at the new location.

The I.D. card program is now part of Information Technology Services rather than Student Affairs.

For more information, call ext. 6-2214.

CPR schedule

The Cal Poly Report is published every Tuesday during the academic year.

Articles are due to Public Affairs by 10 a.m. Wednesday for the following week's edition. Items can be e-mailed to poly@calpoly.edu or faxed to 6-6533, or mailed to Public Affairs, Hearon Hall.

uses the flute, oboe, clarinet, bassoon and French horn, will perform Rudolf Jettel's Blaserquintett No. 3, under the direction of music professor Clifton Swanson. The Cal Poly Chamber Orchestra will feature students Jessica Getman on oboe and Mi-Young Lew on the viola in Mendelssohn's Concerto for Oboe and Violin in C Minor. Main, who also recently joined the Music Department faculty, teaches trombone. He has performed with the Los Angeles Philharmonic and is a former member of the Indianapolis Symphony and Brentwood Symphony.

Stewart is a member of the San Francisco Saxophone Quartet and has performed with the Detroit Symphony and the New American Chamberorchestras.

Swanson, head of the Music Department, conducts the Cal Poly Chamber Orchestra and several other chamber ensembles. The concerts are held to raise money to send the Wind Orchestra in June to Australia to the International Music Festival and to New Zealand for a concert tour. The cost per student, including airfare, is approximately $2,600, or a total of $156,000 for all 60 students. Almost half the money has been raised. The orchestra is in need of public and private supporter to make the trip possible. Donors are being sought to consider sponsoring or partially sponsoring one or more students of the orchestra. For information on becoming a sponsor, call Johnson at ext. 6-2556.

Concert ticket costs $7. ($)
The concert is sponsored by the College of Liberal Arts, Music Department and ASI. For more information, call the Music Department at ext. 6-2607. ($)
