Vaccine Nicks Flu Bug: He Loses Kick

A threatened flu epidemic has led Dr. Kent Lovett, of the health center, to obtain ample supply of flu vaccine for use by campus students and personnel, he announced today.

Starting today, persons may take advantage of "these special shots, especially if they are susceptible to the infection.

A charge of 60 to 75 cents will be made, in order to cover costs of the vaccine, reports Lovett.

"If we were to order enough to cover everyone on campus, our expenses would run upwards of $100. We can't afford that now," commented the doctor.

Persons wishing to take advantage of this special service may go directly to the health center any time. This is the latest type of vaccine being used by the US Army, Lovett concluded.

Overhaul Planned By ASB Awards Committee

"Re-organization," says ASB secretary Joe Critt, is the theme of this year's student body awards committee, which he heads.

"Our aim," he says, "is for a more fair and equitable distribution. This move," continued Critt, was recommended by the Inter-Campus council at the quarterly meeting here last October.

Other plans call for an inter-campus exchange system with the San Dimas group. As it stands now, activity award points are not comparable. The whole plan would call for changes in the student body constitution and by-laws, and only one part of the major overhaul is underway.

Critt and his four man committee, Al Dever, Ron Clark, Bob Fite, and David Corpus also have chosen this year's key design.

Poly Matmen Lose To Alameda NAS

Coach Sheldon Harden’s Mustang wrestlers opened their 10th season last Saturday night against a tough Alameda NAS squad, and though losing a close decision to Chip Rich who won 8-7 in the 106-pound weight class, and losing to another Alameda NAS wrestler, 8-7 in the 186-pound weight class, the Mustangs really have it down Poly’s favored five by an 84-76 count. To make matters worse, it was a league encounter, instead of the inter-city competition that the Mustangs really have it down Poly's favored five by an 84-76 count.

Other men elated to see action was Alameda NAS's Lightweight Jack Lapham, Heavyweight Kill Rants, Middleweight Bruce Abernathy at 177 pounds, and the highly-regarded Pepperdine Waves were to meet Poly the next night. It looked like the Mustangs would start CCAA competition with a straight victory.

Starting with Dave Zieger, the freshman star on the squad, Poly's first basket against Chapman was made by Fredrick. Batiste, Charlie Essex, Gene Knott, Jack Cerrito, Tony Nance, Bill Wood, Jim Aguilar, Will Birson and Dick DaLauro. and not worry about a single one of them putting out their best effort for Chapman.

If we had the space today we'd have a lot more to say about Chapman, and while we're on it, travel down to Santa Barbara tomorrow night and help them add another league scalp to their trophy case.

Sutton's Injury

Bad Doctors Say Cal Poly's chance for taking the California Athletic conference basketball title this year took a hit this week with the announcement that the senior center Bob Sutton is out of action for at least two weeks. Sutton tore a cartilage in his knee in a game against Camp Pendleton this week and doctors report that Sutton will not be back on the court for at least two weeks, and may not be for the season.

Ad Libbers In Drive

A membership drive for Ad Libbers began little theater group, according to Wilbur Hanley, chairman, in Library 110 at 8:30 p.m. Persons interested in acting, make-up, lighting, building stages, props, wardrobe and writing are urged to be present at the drive meeting.

ROTC Directors Make Big Plans

Plans are going on to "beat the band" in the Military Science and Tactics department. This quarter, for the first time, MB 140 is being offered to military students only. This is the ROTC band.

In April, the department will participate in Poly's Spring Festival. "When they are done," says Wilbur Hanley, chairman, the Poly band will perform. The concert will be mounted later in the spring quarter. Cal Poly's military society will sponsor a military ball. Activation of this organization, an honorary military fraternity, will take place in the near future.

Drumm Elected Veep

George Drumm, dairy department head, has recently been honored by being elected vice-chairman of the American Dairy Science association's western division.

Members of this association are residents of the western states engaged in teaching, research, student industrial lines of work in dairy.

American Dairy Science association is the parent organization which publishes the Journal of Dairy Science, sponsors the national Inter-Collegiate judging contests and numerous other activities.

Soils Club

Both Regular and RUSA members will meet Jan. 27 in Williston Lounge for a social program, which members said today. At their last meeting, George Park, sales manager of a fertilizer company, was guest speaker.

A brief history of Consolidated Mining company's operation was given, followed by two movies dealing with the company's entire operation and plant operation, and Canadian grain crops.

Santa Barbara Game

Next week, RUSA members will meet Jan. 27 in Williston Lounge for a social program, which members said today. At their last meeting, George Park, sales manager of a fertilizer company, was guest speaker.

A brief history of Consolidated Mining company's operation was given, followed by two movies dealing with the company's entire operation and plant operation, and Canadian grain crops.
