"Visiting" Hours At SB Campus Issued

*Cal Poly spokesmen at the largest gathering of Poly students of the year report that a four-day period when the campus was closed at the end of the fall semester was a big hit with the students, who were able to get closer to the administration and the executive group. The students also had an opportunity to meet some of the faculty members.

Pre-Game Pajama Rally Tonight

All student groups are to attend the pajama rally to be held this evening in the Recreation Center. This is an opportunity for the student body to show their support for the Poly football team against the University of Southern California. The rally will be held at 7 p.m. in the Recreation Center.

Nither Woman Joins CP Faculty

Mrs. Sara H. Hahn, who has been a member of the University of California faculty for the past 20 years, has been named as a professor of English at Cal Poly. She will begin her duties in January.

Numerous Activity Officers Named

All students who are now members of the student government, led by Bill Gallaher, are urged to attend a rally to be held tonight at 7 p.m. on the library steps. It was announced today by the Rally Committee.

Nursing Home Inauguration

The new athletic director of Poly, Ream T. Smith, has announced that the student body will be invited to the opening of the new athletic director's office, located in the Administration Building. The opening will be held at 4 p.m. on Monday, October 13, 1954.
Early ‘Hear’ Checks Advised by Lovett

Now hear this, men! And Doc Lovett does mean ‘hearth’.

Good docs have imported a strange heating and sensing contraption. She has been giving audio

s考核 for appointments after physical examination. Difficulties. They can be handled

much more easily than if they’re let go until later. This is the

“Our correction,” says Doc

and a good many of the students don’t up for their cases, in fact, where we could be handling them in the first place. So if you want to 

Frankly, if you’ll all come in and do a little yeoman’s work, we can get the examinations all done for just half of what it’s going to cost at the present rate.

The examination is easy and not all expensive, Doc emphasizes. It doesn’t cost all that much. but, so far, the output of building this machine, both time and labor have been greatly reduced.

This year, the Poly Royal Board will take three paper and five photo

themselves. What a difference.

Poly Clubs Listed
To Aid You In Making Selections

Poly has a very large group of clubs that a re

organized. Here is a list to help you in your selection.

Poly Mustangs—Cal Poly’s Men’s Drive-In Restaurant located at Monterey. Students are invited to submit contributions to Dennis

Ad Libbers—The Actors

By Daniel B. O’Hare

Kans O’Hawaii—For those from Kansas or Hawaii. 

Kappa Alpha Psi—For those interested in politics and international

Poly Royal Board

Holds First Meet

A Poly Royal Board meeting was held in the Student Union on Wednesday evening, October 6.

Don Love, General Superintend-ent of Poly Royal, has announced that the Poly Royal Board will hold its first regular business

meeting on Wednesday evening, October 6, at 4:30 p.m. in Adm. 200.

The main topic of the meeting was the election of officers. The following officers will be

President: Alfred H. Hove, General Superintendent of Poly Royal.

Vice President: J. W. King, General Superintendent of Poly Royal.

Secretary: W. S. Davis, General Superintendent of Poly Royal.

Treasurer: E. J. Jones, General Superintendent of Poly Royal.

The Poly Royal Board will hold its second meeting on Wednesday evening, October 13, at 4:30 p.m. in Adm. 200.

Ski Club—For those who like to

Proposed College Union Affected By Changes in Constitution

Friday, October 1, 1954

Associated Student Body - State Polytechnic College

Section I. (Not Included.)

Section II. Meetings

1. Special meetings of the Executive Committee must be held within two weeks of notice from the Associated Student Body Secretary.

2. Special meetings must be called by the President, the Associated Student Body Secretary, or five members of the Executive Committee.

3. The President shall serve as President of the Associated Student Body in their absence.

4. Quorum is five members of the Executive Committee.

ARTICLE VIII

1. By- and/or on-positions requiring the election of members of the Associated Student Body Council shall be filled by the Associated Student Body Council.

2. Any elected office may be subject to recall upon the presentation of the Associated Student Body Council.

3. The Student Affairs Council may recall any member of the Associated Student Body Council.

4. Any selected officer may be subject to recall upon the presentation of the Associated Student Body Council.

5. The Associated Student Body Council may recall any member of the Associated Student Body Council.

6. Any member of the Associated Student Body Council may be recalled upon the presentation of the Associated Student Body Council.

7. Any member of the Associated Student Body Council may be recalled upon the presentation of the Associated Student Body Council.

8. Any member of the Associated Student Body Council may be recalled upon the presentation of the Associated Student Body Council.

9. Any member of the Associated Student Body Council may be recalled upon the presentation of the Associated Student Body Council.

10. Any member of the Associated Student Body Council may be recalled upon the presentation of the Associated Student Body Council.
Summer El Rodeo Gets Lost (sort of)

The questions have been going around campus like an A-bomb attack. "Why happened to our twenty page summer supplement?"

"Well, it seems the printers went nuts," says student body proxy George Martin. "They were setting type at a frenzied pace, and then they started to have a nervous breakdown and people just stopped coming into the office." All staff members rallied together to get the prints returned on time. After several days of frantic activity, the printer finally completed the work.

"This year, the yearbook staff will try and find a reliable company to supply their quality supplement, but to the advantage of the students, Martin explains. "There's gold in those prints, so to speak."
Hurtion IV, Special elections, presented a majority of the votes run for the

council which conforms to the provisions in Article II Sections I and III of the

Constitution. The majority of the votes cast for the office for which he is running in

the Associated Student Body election shall be kept in a

two week* after the election, for the consideration of the

boards.

Colts Battle To Tie Bulldogs 12-12 In Season Opener

By Ed Marvin

Being the very first issue, this year... AND as there is not much news, (not the kind I want) in my head, this illusirous column (can't see how you can please all) has no name.

We are leaving that task up to someone who can think of a name. Don't forget or pass up the rally Friday night... if you're lurking around and see someone with a surprise!... in fact the only comment I might even say is something "we are leaving this up to you"... I think you will be interested in the column this season is supposed to be, but have in mind your thoughts on this sort of thing...

Wanting to point out that Hancock took lead when Tucker pass was intercepted by Bulldog end, Conner who ran 70 yards to a TD. The conversion attempt failed and the score stood Hancock 12, Cal Poly 6, ending the first half of play.

The Colts countered in the third quarter when Bob Bohrer tallied a passing drive sparked by quarterback Dan Tucker by taking a pitch out and starting right end on a slant TD tying the score.

With three minutes of play remaining in the third quarter, an abortive punt and fumble set up the Bulldogs for a touchdown. Tucker was then then passed to Bob Bohrer who ran 33 yards for a TD. The conversion attempt failed and the score stood Hancock 19, Cal Poly 6, ending the third quarter.

In the fourth quarter left end Bill Moore kicked in a pass from Tucker to Moore, and then ran 20 yards for a TD, Tucker's first TD pass. Tucker, who was hurt late in the second quarter, was able to return to action.

With 11 minutes remaining in the game, Hancock took the lead when Tucker pass was intercepted by Bulldog end, Conner who ran 70 yards to a TD. The conversion attempt failed and the score stood Hancock 25, Cal Poly 12.

It will be the talk of the campus until the next rally... and all of you who will be potential fans and future contributors, at the last rally this season... will be interested in the running play of Jerry Puncun, transfer from San Francisco State. He guided the Mustangs to a record 14-0 season last year attributed to the running style of the Mustangs, which was taken away by the passing attack of Tucker and Bob Bohrer, junior.

Many of you missed the opening season game... so hurry, don't miss much. It will be the talk of the campus until the next rally... and all of you who will be potential fans and future contributors, at the last rally this season... will be interested in the running play of Jerry Puncun, transfer from San Francisco State. He guided the Mustangs to a record 14-0 season last year attributed to the running style of the Mustangs, which was taken away by the passing attack of Tucker and Bob Bohrer, junior.

With three minutes of play remaining in the fourth quarter, Tucker pass was intercepted by Bulldog end, Conner who ran 70 yards to a TD. The conversion attempt failed and the score stood Hancock 29, Cal Poly 12.

It will be the talk of the campus until the next rally... and all of you who will be potential fans and future contributors, at the last rally this season... will be interested in the running play of Jerry Puncun, transfer from San Francisco State. He guided the Mustangs to a record 14-0 season last year attributed to the running style of the Mustangs, which was taken away by the passing attack of Tucker and Bob Bohrer, junior.
California Poly Soccer Team Opens '54 Season Tomorrow

Saturday afternoon, October 2, marks the opening of another sport at Cal Poly - a rough sport played mostly in foreign countries and considered by many as the basis for American football. The 1954 Cal Poly soccer season passes underway tomorrow in Pasadena as Coach John Vandenberg's men begin with Cal Tech in a probable meeting practice game.

On field play UCLA October 2 for the season opener, but tomorrow's clash is expected to help the Mustangs locate any problems present in the fall meeting with the Midwest All-Stars.}

The Cal Poly team, a club that will be in a far advanced stage of preparation will be a member of a league for the first time, as they have joined the California Southern, Intercollegiate and International Soccer Association. The Mustangs will meet the following teams during the season: UCLA, Pomona, Cal State Poly by playing a home and home series with each.

Some 350 players will practice during the opening weeks of school. Although 13 players make up a team, several players will be needed to have sufficient reserve power. Poly's hopes for a victory in tomorrow's clash with Cal Tech relies mainly in the hands of the eight returnees from the past season, including standouts such as Andris Adventu, Don Ausloos, Jack Sweet, Paul Anderson, John Bues, and John Vandenberg. Preserve cars will be furnished for all trips as well as gasoline and overnight expenses however, first and other expenses must be paid by each player. All players attending the International Soccer Club will receive the season's squad on the occurrence of the team.

Standing Committee:
Still Need Members

Eileen Hanson, student body vice-president, announced yesterday that there are still committee members needed for ten of the standing committees here on campus.

The openings are on the following committees: assembly, house meetings, diet, Colleges Union, and a student activities. To accept the activities, interested students can contact the members of the board in whose area they are interested.

Rodemeyer Starts Intramural Sports For Fall Quarter

Full intramural sports activities come out of hiding this week with John Rodemeyer, in the chairmanship of the 1954-55 intramural program. The appointments were made by A.B. Board President George C. Martin.

Rodemeyer called his forces together and called the first intramural sports activity meeting for next Monday Oct. 4, at 18 noon in Cram Auditorium.

According to the head hitting Mustangs, there will be any other organization willing to participate in the intramural activities must have a representative at the Monday meeting. Organizations not represented at this meeting will not be considered for participation by the intramural committee.

Mustangs Lose Unlucky '13 But Recover For Salem Repeat Win

Number 18 proved unlucky for the Mustangs when they opened their 1954 grid season against the San Diego Padres. The Mustangs were riding high but after 60 minutes of play were struggling to keep the best of teams from being beaten.

The Mustang's fighting eleven met the Padres of San Diego but the final score saw the Padres coming out on the short end of the game. The combined crowd of 3,500 made the game a sell out, according to the head hitting Mustangs, there will be any other organization willing to participate in the intramural activities.

Standing Committee:
Still Need Members

ERICA WRIGHT says: "I'll be 16, my knowledge of acting has been gleaned from seeing movies. When I saw my first professional play, that was it. I only wanted to act. I got into high school plays, theater groups at Provincetown, understudied, set for malaria in producer's option races. One morning I walked in to see the group and was asked if I wanted a job. Why not? It was a good role, and just like that, I was here!"

Registrar's Shorts

Have you failed to turn in your registration card? If these cards aren't in, you aren't officially registered in school, and no grades can be issued to you.

ATTENTION, ALL STUDENTS:

Are you taking an active course (F.B. Band, One Club, etc.)? If you aren't registered at least two weeks in advance, you can be dropped from the course.

Have you changed your address? Be sure to make such changes on your cards in the registrar's office, so that you can be reached in cases of emergency.

This is a service to you.

Unit Load Requirements:

- PL 660: 14 units
- PL 1661: 16 units
- State Veterans: 15 units
- Selective Service: 16 units

All regularly enrolled students must be registered for at least 15 units or present a special consideration form signed by his advisor and division dean.

PL 560 Veterans: Be sure you are carrying a minimum of 14 units (Independent of Repatriate) if you expect to receive full subsistence.

State Veterans: Your monthly attendance vouchers for Regular Enrollment forms for this quarter. Under no consideration to the recorder's office prior to the 10th of the month for which the certification is being made.

Deadline date for adding courses was Sept. 14. It is possible, however, to drop courses without a penalty until Oct. 14. The student is required to process a "change in program" permit in order to accomplish this.

After the three-week period, (Oct. 18) a "withdrawal from course" form must be processed. The instructor will assign a "W" grade unless the student is failing the course. In such case, an "F" grade will be assigned.

You probably have a snapshot like it in your own photograph album. It happens when you get too close to your subject, and the camera can't handle the perspective.

In another sense, you can get an equally distorted picture of the modern corporation. For viewed too close-up, it frequently looks bigger than it is.

Take Union Oil. In 1930—when we did but a $10,000,000 volume—we seemed much smaller. Yet at that time the vouchers were due in the recorders office prior to the 10th of the month for which the certification is being made.

In 1958 we did a whopping $325,000,000 volume, but this was only 19% of the petroleum business in the western states.

Certainly we've grown. We've had to grow to serve a bigger market, to meet increased competition and to satisfy more consumer needs. But in proportion to the total business, we aren't as big as we were of years ago.

Some in perspective, the picture is clear: the Union Oil Company, like so many so-called "big" companies, is really getting smaller all the time!

YOU FRESHMAN.... you're on your way... registration seems somewhat endless waiting lines, billfold stripping and the beginning days of college (life are now old stuff and ready for that first big letter of which Mom and Dad are so anxiously awaiting.

You filled with welcoming spaces, ready smiles from old-timers and probably well-informed on the female situation. And you should know by now that the female situation. And you should know by now that the Green and Gold's smiling welcome mate is everlasting and not only for a few to dust their feet on but for each of you. We've held the area for a story for a bit... Poly's history, as you have probably read in the catalog, has been a long and interesting one. Opening its doors for the first time back in 1901, classes were held in a building high school level and was soon the forerunner in California of vocational education in agriculture and industry. When 1927 rolled around, It was converted into the modern day Junior College.

Growth was continuous and in 1958 the change was made from a Junior College to a two-year and three-year program, President Julian A. Mc-

Phea has announced that with the meeting of the fall quarter's enrolling figure at a near 2700 stu-

dents, the Poly philosophy, mathematics, has

been changed to junior college standing.

Prior 11.00 p.m. for advancement, affirm.

Growth was continuous and in 1981, the college was approved for offering teaching credentials in any of the following majors: social studies, mathematics, physical sciences, general science, agriculture, science, agriculture and physical education.

The march of progress continued and in 1948 the college was granted by the State of California for 15 years. Then in 1964, a fifth year of Instruction was added.

The march of progress continued and in 1948 the college was granted by the State of California for 15 years. Then in 1964, a fifth year of Inspection was added.
