Local Candidates Vie In Homecoming Queen Race

Homecoming preparations, headed by Bob Bostrum, Homecoming committee chairman, were sliding into full swing this week with the choosing of five San Luis Obispo junior college veterans to grace the annual Cal Poly Homecoming festivities. According to Homecoming committee assistant activities chairman, Jerry Reeves, assistant activities chairman, candidates will have the chance to meet and select one of the five candidates at a special assembly scheduled for this Monday at 8 p.m., in the engineering auditorium. Also scheduled for the assembly, when ballots will be passed out, is entertainment panel headed by Miss Horne. At press time poll totals were not released. The king contest will be held Oct. 1 at the stadium. Reeves said the contest will be run on a television program.

College Union Now Closer: Johnson

"The Student Body shows their desire for a college union by the majority of those voting casting their ballots in favor of the establishment of a board for such a program, in the recent student body election," stated Dick Johnson, A.B.B. Union and Election Committee chairman. "However," remarked Johnson, "less than half of the student body stopped at the polls to mark a ballot, of the 463 votes cast, 451 voted in the affirmative, and 12 opposing the formation of a College Union Board and the reimbursing of their vice-president's duties."

Ex-Poly Prof Slings Hash

Exchanging his tutor's stick for a chef's apron, Ken Lowrey, former Cal Poly English and Speech instructor, is still practicing his "operational definition" methods, but at a place of slightly different atmosphere. Lowrey, who was labeled by many during his three-year stay at Poly as the "quietest" man of the campus, is this time not preparing students to eat...the cafe looks.

Opening the door to his new business late last June, Lowrey, San Luis Obispo's Bank of America bank president's son, returned to the home of his mother and stepfather, Virginia, specialized in home cooking. "But despite is preparing a very simplistic method to cook..."

Chef's name: Lowrey

Culinary Fitness

According to Lowrey, he learned of his cooking-from-his father a long time ago. The older Lowrey had operated numerous kitchens throughout the midwest. The father and son even worked together partnership back in 1924, when they opened the "Owen's Bar & Grill" of East Marion.

"'My father's name was Harvey McDougal and D. MePhee Welcome."

The A.B.B. Veree practical all of the duties now controlled by the Colly Homecoming board, and Harris. Both men are the executive to the president, student body parliamentarian, and chairman of the Constitution and Calling Committees. These duties are in addition to acting as chairman of the Inter-Departmental Club Council, the Inter-Club Council, and substituting for the president.

3S Lifts 'Out of Bounds' For Co-ed Escorts; Ticket Sale

At an executive meeting last week, it was decided that a plan- ing by Santa Barbara college student for Co-Ed escorts will now not be considered out of bounds if they escort the court to the Cal Poly Homecoming game, Oct. 16, will cost 50 cents with A.B.B. card. Winser also reminded students, ticket for the game studenta 50 cents with A.B.B. card.

McPhee Says
1955 Co-Eds
Not Definite

The big issue of the day around Cal Poly seems to be whether or not the campus will find the presence of coeds next year. To remove the minds of those interested, Presi
dent McPhee has issued the following
statement to El Mustang for publication at this time:

"We are working hopefully this year toward the possibility of ad-
nitting the first 1955 women stu
dents in the fall of 1955. Cal Poly's budget request for 1955-56 in-
cudes funds essential to meet the
expenses of providing instruction for such a number of women in
the Poly Phase Alumni, who are em
acting favorably upon that portion of
the appropriation bills.

"However, it should be kept well in mind that no definite understandings
are to be admitted next year until the Legislature has act-
ited favorably upon that portion of
the appropriation bills.

Mustangs Defeat Aztecs In CCAA League Opener

Inspired by the excellent running of Perry Jeter and Thad Murrin plus the sensational blocking and hustling of the linemen, the Green and Gold Mustangs surprised their first CCAA league opponent, the Astees of San Diego State, 48-22.

A fast moving grid spectacle featuring a total yardage of 486 yards to 188 for the Astees, the Mustangs will lead his rather unexperienced forward reserves are Vic Buntine and Jim Cox. The Green and Gold forwards are returning. Coach Vanderburg

Soccer Squad Opens Season In Game With UCLA Bruins

Cal Poly’s soccer team officially opened the 1954 season this afternoon as they played host to the UCLA Bruins in a Southern California Intercollegiate and Interfraternity Soccer Association match, scheduled to be played at 11 a.m. on the practice football field. This game will mark the opener for both squads. Cal Poly was previously scheduled to meet Cal Tech last Saturday at Pasadena in a practice match, but the game was postponed at the last moment by Coach Camp.

Today’s clash marks the Poly soccer team’s debut in a league game, since they were independent during the past few seasons.

Playing Coach John Vanderburg will lead his rather unexperienced Poly eleven, which has had only five practices to date, against a strong Bruin squad in this all important opener.

Last season Cal Poly handed the Bruins a defeat in their meeting in Los Angeles, and although eight members of the 1953 team are returning, Coach Vanderburg still doesn’t feel as safe as he thinks, “We are not in top shape,” he states, “but we are getting better.” The statement probably can be explained by more two day week practices, which means the players have very little time to get into their form. The capabilities of these players are not what they should be.

Poly will go all out to win its opener, a victory which certainly strengthens their morale in their attempt for the league championship. The game will be played in forty minute halves.

Water Polo Starts Daily Workouts

Looking no time at all, Coach Dick Anderson began water polo workouts during the first week of school. Twenty-Five regulars started on their way for the Mustangs 1954-55 season. However, Anderson heavily emphasized that most of the players who are more than others are Poly pool from 4 to 6:00 Monday through Friday.

Four returning men from the Mustangs 56-54 squad, which finished second in the state tournament, will be back again to renew the Poly grid. Anderson and Steve Olmsted, Chuck Basile, and Vic Cutino. The Mustangs 55-56 pool squad will also enter the State College Tournament early in November.

About 11 players will compose the traveling squad. Anyone who considers himself a good swimmer is urged to try out for the team right away.

New players who are tabbed with the traveling squad are Charles Stelzer, John Petrowsky, and Thad Murrin, president of the Dairy Club. Thad Murrin secured the eventful 40 yard touchdown sprint in the third quarter and boosted his total yardage for the game.
