Position vacancies

STATE: For a complete listing of employment opportunities for state staff and management positions, you can:
- Come to the HREE office, Admin. 110, and view the posted positions.
- Call the HREE Job Line at ext. 6-1533.

For a listing of new openings, check The Tribune's Sunday edition.

Applications for job openings must be received by the Human Resources and Employment Equity office, Admin. 110, by 5 p.m. on the closing date.

FONDATION (Foundation Adv. Building, job line at ext. 6-7107). All Foundation applications must be received (not just postmarked) by 5 p.m. of the closing date. (No faxes.)

Dairy Herd Manager, Dairy Science: $42,356-61,466/Yr. Closing Date: Open until filled; review begins 7/13/01.

Custodian, Campus Dining: $11.46-14.87/Hr. Closing Date: Open until filled; review begins 7/1/01.

Inventory Control Clerk, El Corral Bookstore: $9.75-14.19/Hr. Closing Date: Open until filled; review begins 7/1/01.

Volunteers needed for ethnic, music fair

Volunteers are needed for both days of the ninth annual Stone Soup Ethnic Music Faire Aug. 25-26 at Ramona Garden Park in Grover Beach.

"We've had a great group of volunteers in past years and everyone has always had a great time," said Cal Poly Arts Program Manager Peter Wilt.

"The event, produced by Cal Poly Arts and the Grover Beach Chamber of Commerce, features live music on two stages, food and craft booths, health fair, a salsa contest, and activities for children.

Volunteers are needed to work in beverage concession booths. Shifts are generally 2 hours.

Crowd management volunteers are needed 6-10 p.m. for the Saturday Night of Every Other Street Dance Aug. 25.

For more information, contact Wilt at ext. 6-7101 or pwilt@calpoly.edu or DebWhove at the Grover Beach Chamber of Commerce, 489-9091 or info@groverbeachchamber.org.

Romona Garden Park is on the corner of Ramona and 9th streets in Grover Beach.
Leaves solicitation

Djinn Ruffner administrative support assistant in Extended Education, has qualified for personal catastrophic leave. Eligible state employees may donate vacation credit and/or sick leave to help

remain in full pay status during an extended absence.

The interested in donating leave may request the Catastrophic Leave Donation form from solicitor coordinator Rose Whittsworth in Extended Education at ext. 6-2055 or by e-mail.

CSEA employees in units 2, 5, 7 and 9 plus “academic professionals” in unit 4 may donate up to 16 hours sick leave and/or

vacation credits. All other state employees may donate up to 16 hours sick leave and/or vacation credits per fiscal year in increments of one hour or more. 0

Student win top prizes in book design contest

Graphic Communication students won four of five prizes in the 2001 Bookbuilders West book design competition. The contest winner was Janet Fougler, a senior, won a $1,500 scholarship. Ann Fargo, a junior, took second place and won a $1,000 scholarship. Junior Ann Amy Reisman and senior Erick Norn each received an honorable mention and $500. The students, part of the department’s design reproduction technology concentration, are asked to select and design a classic book. The page design must include the layout and typography; the cover design must try to convey the author’s intent and the atmosphere and content of the story. Cal Poly’s entries focused on “The Secret Garden” by Frances Burnett. 0

Staff bargaining updates posted on Web

The latest information on collective bargaining for represented staff employees is available on the Human Resources and Employment: Equity and Diversity Emballage at http://wwwafd.calpoly.edu/eqho/topnav/news.html.

The site is updated as reports are received from the Chancellor’s Office. For more information call ext. 6-2236. 0

Student advising booklet wins national recognition

A handbook designed to help new students adjust to life at Cal Poly is being recognized by a national group devoted to ensuring that students receive effective advising and personal attention.

“Entrance,” a 96-page booklet developed by the Summer Advising Program Committee, will receive a certificate of merit at the October national conference of the National Academic Advising Association.

The handbook is given to new students during the Summer Advising Program and during WOW.

The publication was edited by Cindy Jelic, advising director for the College of Science and Mathematics, and designed by 2000 Art and Design grad Stephen Lowe. 0

Summer softball games planned

Free, informal softball games are planned for Thursday and staff members at 5 p.m. Thursdays at the Sports Complex.

The games will be casual, “toss-the-bat-and-pick-up the ball” softball and everyone is welcome, regardless of skill,” said Joe Long of Recreational Sports. “The games are intended to provide a time for the faculty and staff to play and socialize for an hour or two.”

Summer conditioning begins today (July 5) at 5 p.m. Play is expected to begin July 12. For more information call Long at ext. 6-1366 or e-mail jlong@calpoly.edu. 0

Discussion of superstitions set for Friday the 13th

Are you afraid of Friday the 13th? If so, do you know why?

The third in a series of lunchtime discussions sponsored by the Cultural Awareness Committee — appropriately scheduled for July 13, Friday — will explore the world of superstitions.

The event will be from noon to 1 p.m. in Room 241 of the Erhart Agriculture Building.

Participants will talk about various aspects of superstitions related to religion, days of the week, holidays, animals and other factors and why superstitions are such a deep-seated part of many cultures. One question to be addressed is whether our superstitions and our perceptions of the superstitions of other cultures consciously or unconsciously influence the way we view people from different cultures.

Programs in this series on diversity-related issues are held the second Friday of each month, same time, same location.

For more information call the Mustang Ticket Office at ext. 6-5806 or visit www.gopoly.com. 0

Extended Ed offers intensive Photoshop class

Extended Education is offering an intensive course in Adobe Photoshop 6.0 Tuesday (July 10) through Aug. 2. The course will go into Photoshop in much greater detail than possible in the brief overview offered periodically by Information Technology Services.

Eight, three-hour sessions with one person at a computer will be held Tuesdays and Thursdays 6:30-9:30 p.m. in Erhart Agriculture 128. The fee is $289. The instructor is visual design consultant, former San Luis Obispo Tribune photographer and graphics instructor, Tony Hertz.

Photoshop is an image-editing software program that uses “painting,” editing, and image composition to adjust images for print and the Internet.

A working knowledge of basic computer operating systems, files, directories and directories is a prerequisite. The course is taught on the Windows platform but the interface is virtually the same as for Mac.

The required text is “Adobe Photoshop: Classroom in a Book,” available at El Corral. Participants should read chapters 1 and 2 and bring a PC 100MB Zip disk to the first day of class.

For a complete course description and to register online, go to Extended Education, the website at www.ExtendedEducation.calpoly.edu, or call ext. 6-2053. 0

Page 2
Former Army secretary named vice chancellor

Louis Caldera, former U.S. secretary of the Army and California Assembly member from 1992 to 1997, has been appointed CSU vice chancellor for university advancement.

In making the announcement, Chancellor Charles Reed said Caldera is a “multi-talented individual with a strong commitment to public service and a passion for education. As the son of immigrant parents, he has deep appreciation for the challenges many CSU students face. He has been highly successful wherever he has been asked to serve, and now it is the CSU’s turn to benefit from his talents.”

While serving as Army secretary, Caldera created the Army University Access Online distance education program, allowing solders to earn undergraduate and graduate degrees while serving.

Last year, then-secretary of Education Richard Riley appointed Caldera to the National Commission on the High School Graduation Requirements.

Grants...Continued from page 1

Helen Bill Siembieda, one of the internship program’s directors, "(It) will also greatly help economically disadvantaged students make the choice to study at a program recognized for academic excellence."

Cal Poly and USC were the only two California universities to receive the highly competitive HUG grant, according to Siembieda. Nationwide, 22 universities received funding.

The City and Regional Planning Department is now recruiting for the HUD internships among students who will start the department’s graduate program this fall. For more information on the graduate and internships, look at the department’s Web page at www.calpoly.edu/departments/crep or contact Professor David Dubinski at ext. 6-2115 or ddubinski@calpoly.edu.

Volunteers needed for ethnic, music fair

Volunteers are needed for both days of the ninth annual Stone Soup Ethnic Music Fair Aug. 25-26 at Ramona Garden Park in Grover Beach.

“We’ve had a great group of volunteers in past years and everyone has always had a great time,” said Cal Poly Arts Program Assistant Peter Wilt.

The event, produced by Cal Poly Arts and the Grover Beach Chamber of Commerce, features live music on two stages, food and craft booths, a health fair, a salsa contest, and activities for children.

Volunteers are needed to work in beverage concession booths. Shifts are generally two hours.

Crowd management volunteers are needed 6-10 p.m. for the Saturday Night End-of-Summer Street Dance Aug. 25.

For more information, contact Wilt at ext. 6-7111 or pwilt@calpoly.edu or Debosh Love at the Grover Beach Chamber of Commerce, 489-9091 or info@groverbeach.com.

Ramona Garden Park is on the corner of Ramona and 9th streets in Grover Beach.

The cats in the hats

A traditional assortment of hats adorns candidates attending June 16 Commencement ceremonies. Potential grads at the morning ceremony turned in an address by U.S. Secretary of Agriculture Ann Veneman. History Professor Dan Krieger addressed the afternoon event.

Parking fees to rise for some staff members

Beginning fall quarter, the cost of parking permits will begin a two-year phased increase for students, visitors, vendors and all employees not represented by a collective bargaining unit.

Management,confidential, Foundation and ASI employees will be affected. The fees are being raised to maintain a fiscally sound parking program, to provide for alternate transportation needs including access to public transportation for students and employees, and to build up reserve levels necessary for issuing bonds for future construction of parking facilities.

Increases for employees represented by a union are subject to the collective bargaining process. Represented employees who buy their permits at the State Cashier’s office will be required to indicate their bargaining unit on the parking permit data form in order to be excluded from paying the higher rate.

For employees who don’t know their bargaining unit number can ask the cashier. Anyone who provides inaccurate information to obtain the lower rate will be billed.

For employees on payroll deduction, no action will be necessary.

Here’s the new rate schedule:

**Parking Permit**
Fall ‘01 Fall ‘02
Quarterly $751 $606
Weekly $2.50 $2.25
Monthly $5.60 $7

CPR schedule

The Cal Poly Report is published every other week during the summer. The next issue will be July 18.

For questions on this issue, due to Public Affairs by 10 a.m. July 11. Items can be e-mailed to polynews@polymail, faxed to ext. 6-6533, or mailed to Public Affairs, Heron Hall.

For more information, call ext. 6-1511.

Grants will develop links with community

Two grants recently awarded to the College of Architecture and Environment Design will further develop student involvement in local community planning. A two-year $88,000 grant from the U.S. Department of Housing and Urban Development (HUD) will fund three provisional internships for graduate students to work in local planning and community development organizations such as the Economic Vitality Corp., People’s Self Help Housing, and San Luis Obispo city and country governments.

An award from the city of Arroyo Grande for $2,800 will help students in the intermediate environmental design studio develop options for a section of Grand Avenue bordering Grover Beach.

The grant from Arroyo Grande “demonstrates the city and regional planning program’s effort to engage in education that has community benefit and strengthens the link between the university and the community,” said project co-director and Professor Zeljka Howard.

The HUD award “allows us to build stronger partnerships with local planning agencies and non-profit organizations that provide housing and economic development services to the Central Coasts,” said City and Regional Planning Department
