IBM's Promise Speedier Registration, Scheduling

Will Begin Operation Next Fall

IBM equipment will be offered in the recorders office next year. Most of the equipment is installed, Thomas L. Lemons, registrar, is now taking a course in the operation of IBM equipment and will instruct the office secretaries. The machines are an antibiotic key punch, sorter/interpreter, reproducing punch with a master

State Requirements

The test will be administered by the state as part of an upcoming registration test to determine if the students who have completed the one-year requirement of application for PHT degree, are eligible for admission. The test will be given at the students' convenience in the months of May and June.

Registration for
Summer Quarter Slated for June 23

All students who expect to enroll for the first four-week term should obtain a copy of the Summer Quarter Registration and Scheduling Instructions booklet from Adm. of deltions. They will be available at the offices of the various deans of colleges and university affairs.

Chase Appointed to Assist
Foreign Student Program

Dr. Dan C. Chase, Cal Poly Farm Management instructor, will assist in organizing a communications course for foreign students at Michigan State College, East Lansing, Mich., June 2 to 5. The assignment is the outgrowth of a similar course which was coordinated by Dr. Chase on a pilot-study basis at Cal Poly last summer.

Chase has been selected as one of three students in the United States who foreign students in the field of agriculture will receive this training to enable them to more effectively communicate ideas, information, and skills to people in their home countries.

In explaining the overall approach to the training which will be given, Chase alluded to the various international agencies which will be involved in the training program.

The award consists of a copy of the latest edition of the Chemical Laboratory of the University of California, S. L. McCall, head of the Chemical Science department, washrooms, and Dr. Crulkehaaka, Social Science Head.

Travel Scholarships Set Up For Western College Students

Five travel scholarships, $400 each, are available at the University of California at Berkeley to enter Western students who are interested in attending the summer session of the summer quarter at the University of California. The scholarship is sponsored by the Council on Student Travel in San Francisco.

Poly Travels For CCAA Gym Meet

Poly's gym team clinched its 1968 season titles competing in the CCAA gymnastics meet at Long Beach State. The affair is set for tomorrow. Poly is expected to attract Fresno State, San Francisco State, Los Angeles State, and host Long Beach. Tonight's participation in the conference meet will be the first time the Mustangs have competed in the CCAA championships since Barlow and Barlow is not expected to field a team.

Heading Poly's efforts will be captains and two-year veteran Roger Booth and NCAA runner-up rope climber Herman Petrell. Coaches Charles Plish and Dr. Glenn Notte infused the following men would complete the Cal Poly traveling squad: Artie Dav, Kit Burton, John Alday, Bruce Sherman, Allen Passe, Dalton Shovin, Bill Fisher, Herb Schall, Booth and Parlough.

Gridders 'Knocking Heads'

Silver Fox Heppers' during gridder sentiment knocking heads in preparation for May 18's inter-squad dormin overbreak between the Greens and Whites strength. Some 1,000 persons turned out to witness last year's gridder.

Recent scrimmages have revealed several surprise packages. Corner Hill, a Bakersfield College out and brother of Letterman halfback Willis, has turned out to be the center of the flying sessions. The 5-1 stand out has the potential to become one of the Mustang's all-time greats. He shines on defense as well as being a capable pass receiver.

The running of halfback Dave Haller has changed the snatching staff and letterman Freddie Ford is showing well at the LE age, also. In the forward wall several gridder have looked outstanding, but the most outstanding feature of the workouts is the struggle between a trio of blocking tackles for starting positions. John Allen, the rust of the Greens at 180 pounds, has been outspoken in his bid for a regular job. Poly's Paul Vanderpool, 200 pounder and Arthur and his 240 pound Pat Lovell.

The running time of the day will be Freddie Ford and his halfback running of and his teammate who has been knocking heads during the week in scrimmage sessions. Coach Roy, Silver Fox Heppers, speaking of Ford's nothing in the scrimmages, described the former Cal Poly football star as "The least loose all over again."

Elect... Archie Soto SUPERVISOR DISTRICT NO. 2 SAN LUIS OBISPO COUNTY I Will Give Careful, Full Time Attention To The Duties of This Office

Golfers Host SJIS Spartans Saturday

Coach Charles Hanke's golfers will climax their season tomorrow by hosting powerful San Jose State at San Luis Obispo. Start time will be 11:00 A.M. Festival match of the day will be San Jose's Eddie Dailey against CCAA champion Tom McFadden.

Donnie will be backed by Dave Lauth, Alameda companion champ Marv Rockwell, Harry Kohut, and long ball hitting Don Hambelton.

Donnie paced his team to second place in the Northern California Intercollegiate Championship and the Spartans held victories over Fresno State and Stanford, two of California's most powerful teams.

Elected to play for the locals and McFadden, Red Little, Bob Cull, G. W. B. Hale, and Don Fishcomb.

The Spartans will be favored to take the Mustangs because of their superior depth has a few come through performances by a few of the local golfers could upset the apple cart for the invaders.

UPDATE: 1968 Mustangs have competed in the CCAA championships since Barlow and Barlow is not expected to field a team.
Enrollment Here Nearly Matches
General Population Distribution

Student enrollment this year at the San Luis Obispo Campus of Cal Poly was within one per cent of the general population distribution between Northern and Southern California, reveals a State Chamber report.

Sixty-five per cent of Cal Poly enrollment was from the Southern geographical half of the state which has 56 per cent of the state's total population. The statistical showman's report must await is shown in the college's Annual Report for the 1957-58 academic year. It was presented to the State Board of Education and the State College Presidents in present last week by Julian A. McPherson, President Cal-Poly.

According to the estimated population of the state (July, 1957) as shown in State Chamber of Commerce reports, 3,118,656 persons (56 per cent of the state total) reside in the 16 counties comprising the geographical southern half of the state.

The fall quarter enrollment at Cal-Poly, 876,415—56 per cent of the state total, Cal-Poly quarter enrollment was from the Southern geographical half which has 56 per cent of the state's population.

Ag Engineers Form Blood Bank Within Their Department

by J. H.

Aside from the annual blood bank the Agricultural Engineering Department of Cal Poly has formed a blood bank for the use of the College and faculty in the Department.

When the students became aware of the need for emergency blood, there were 60 students enrolled in the course. It was decided to form a blood bank for the first time.

President of the organization Robert B. Hamlin explains that when the need arises for blood it may not be available in the area.

The club hopes that the bank may be made available to any student who needs urgent blood.

Hamlin also explained that their Blood Bank would help those who are in need of blood.

In order to warehouse the blood, the club on Wednesday of every week will deliver the donations to the Red Cross.

Education Major Has Part in Elmo Play

Patricia Ann Mahan, education major at Cal Poly, will play the role of “Prickles” in the upcoming play “The Tender Trap.”

She was an Injury to Larry Zanetti, the student who played the role of “Prickles” last year. The play is being performed at the Memorial Auditorium tonight and tomorrow.
