SAC Sets Grid, Poly Royal Prices

Prices for this year's Poly Royal and next year's football games were presented at the Poly Student Body meeting at Thursday's Student Senate meeting.

Applications Open

For Dorm Managers

Applications are now being accepted for a dorm manager. Dan Morris, current dorm manager, is resigning July 1 and has requested that applications be considered this month. Interested persons should contact Col. David F. MacGhee, the principal, and Col. David F. MacGhee, the Dean of Engineering Council representative.

Dorm Managers

For Music Tours

In preparation for their music tour, beginning March 16, to the Bay Area, the Male-Voiced Men's Quartet will include Jerry Hurley, Stan Lulich, Ollie Frank Berger, Turlock; Rod Fry, Chowchilla; Bill Jones, San Diego. Accompanists are Bill Roska, Robert Alinek, Aauea, and Hob Yount of Portola. Other engineering students who will be on the trip are Howard E. Barlow, Officers-In-Charge of the local Veterans Administration Office, and Charles Tye, Charles, a former student officer.

Greatest Team In The History Of Poly Says Coach; Records Fall

Grapplers Wrestle Bruins Today; Split Indian, JSJ Meets

Making their last home appearance, Mustang matmen are scheduled to meet UCLA in Crandall gym at 6:30 tonight. The Bruins will be led by heavyweight Alex Prince and 160-pounder John Healy.

Cal Poly's win streak was halted last Tuesday when the San Jose State Spartans toppled the Mustangs, 18-18. The Mustangs had wrestled 84 dual meets before being subdued.

Rained Out By Fresno State

Steve Johnson clinched their win by pinning 167-pounder G. W. Wing and 177-pounder Darwin McGill, Poly's last score came when heavyweight Pat Lovell dethroned San Jose State's runner-up, Nick Sanger. Lovell turned in his usual bone-crushing performance and claimed the fastest pin of the day. Other Poly men who pinned their opponents were Darnell, Hopping, and Machado.

The Mustangs returned to the win column the next day by dropping the California Guidon Beers, 75-59. In Friday night's game forward R. Leroux sparked the Mustangs with nine points in the first 10 minutes of the game. Since then they added two players, one 6'4" and another 6'8", to their roster.

Weather Tonight

Cagers Thumb Gauchos, 75-59

After chalking up two more wins last weekend, Mustang men return to Santa Barbara to take on the Westmont Warriors. Poly lost its 48-0 victory over the Warriors in last year's championship game.

Although the Green and Gold men have shown great improvement, they may find things rough in the Blue Onion city. Westmont almost dropped the Mustangs in their first meeting and trailed by only two points with less than a minute left in the game. Since then they have added two stars, one 6'6" and the other 6'9", to their roster.

Last week Poly played several of their best games to move to 4-0 in the new season, splitting with Santa Barbara, 79-70, and the Santa Monica Gauchos, 57-37.

In Friday night's game forward R. Leroux sparked the Mustangs with nine points in the first 10 minutes of the game. Since then they added two players, one 6'4" and another 6'8", to their roster.

Wildcats last Saturday night in Crandall gym.

Although the Green and Gold hoopaters have shown great improvement in boosting their win-loss record to 15-7, they may find things rough in the Blue Onion city. Westmont almost dropped the Mustangs in their first meeting and trailed by only two points with less than a minute left in the game. Since then they have added two stars, one 6'6" and the other 6'9", to their roster.

Parking Problem...  
To the Editor:  
Today, she every other day I
park my car in a small
space. And it turned out to be a
very good parking spot.  
Next it was parking lot B, usu­
ally there is at least one or two
spaces there, even if occasionally
they are illegal, but still acceptable.

From there I went to Parking lot
D, which is supposed to be O clock
lab. Just as I was about to give
up and head for the parking area
I spied one tiny and very empty
space.

My story does not end here, for
it seems that certain people claim
there is no parking problem, the
faculty apparently have no parking
problems, nor do the instructors.

Assuming that the average
length of a stop is two and one
half feet long, here are the fol­
lowing calculations that I have
made, those given are only esti­
mates, 1,000 feet, or 1,100 feet, 6

Sure there is no parking
problem—just a multi million

Our Slip is Showing...  

I wish to point out that a word
written from my recent let­
tter which very much distorts its
meaning I used the phrase, "quite
besides the point.

Blindly, Bill Alexander

Poly Wives...  

"South Sea Hair" has been the
theme of the dinner dance sponsored
by the Poly Wives March 7.

A large number of the instruc­
tors arecopying Mambo
hairstyles. But a larger number of
the instructors are copying the "Camel
blend of coarsely tobacco-, has never been equalled for rich flavor
and length in cigarette form."

Girls! Here's Your Chance
To Help Over Playboy Dance

Girls! Now is your chance to
work toward a dance. All the Playboy
dances, sponsored by the sophomores,
class, a girl will be chosen to
represent the title of "Playmate". All girls attending the dance will
be eligible.

The dance will be Feb. 28, 9 to
11, in the Veterans Memorial
Building.

Souvenirs and bids will be given
to the dance and there will also
be a floor show.

Dress for the dance is semi-
formal, and the Collegians will
play.

It's easy to tell your friends
from your enemies on this camp-
us—friends are the ones who
think you in the front.
