SAC Approves

Bleacher Section To Be Installed For Homecoming

Student Affairs Council Tuesday night approved the expenditure of $850 to rent temporary and some bleachers for the Homecoming game with Fresno State, Oct. 24. The "mountain" will provide seating for an additional 5,000 spectators, making the regular seating capacity of the stadium 5,500 persons.

Naming of Robert McGovern

American Farmer and His Poly Journey

M. J. McPherson, a distinguished guest speaker of the Monday evening meeting of the Student Senate, noted that the Poly student is a version of the American farmer.

Convocation Address

By DAVID WANG

President Julian A. McPherson has a received a letter from the University of California, Berkeley, expressing the importance of departmental college, and conference in student life. The letter, in which President McPherson was praised for his work, was signed by the President, who said, "Dear President McPherson: We are grateful for your efforts in the field of education in the University of California, Berkeley. We are pleased to see that you are continuing your work in this important field."
Dear Editor,

Several dozen students, the faculty of the school, and all those attending the school will have the opportunity to attend a special screening of the film "Poly Player," which has been produced at Poly. The film is scheduled to be shown on April 28, for the benefit of the Poly Fencing Club.

The film has been well received by both the faculty and students of the school, and the screening is expected to be a sell-out. The proceeds from the screening will be used to support the fencing program at Poly, which has been struggling to find funding in recent years.

The screening will be held in the school's auditorium, and tickets are available for purchase at the school office. For more information, please contact the school's administration office.

Sincerely,

[Signature]

Mustangs Face Light-Fast Greyhound Squad Tomorrow

Stepping out of the CCAA League picture again, Roy Hughes '59 Mustangs, now rubbing shoulders at the top of the League with L.A. State and Fresno State, meet a light, but fast Greyhound eleven from Eastern New Mexico tomorrow night in Mustang Stadium.

In order to sharpen up the Mustang scoring punch which was missing at the start of the season, Coach Lee decided to try something new. He held the "Elephant Backfield" by replacing Rudy Thornes with Gary Van Horn (450 yards, 5 TDs) and Carl "Bumper" Bowser (625 yards, 9 TDs), according to Athletic Director Hud Moore, who surprised the nation. Their contribution to this week's contest, last Tuesday night against the Poly Colts last Tuesday night, brought Santa Barbara to the attention of the nation by feesing 77 points scored in 77 points scored in 77 points scored in 77 points scored in seven contests, last of which was a dominating victory over the Poly Colts last Tuesday night in Crandall Gymnasium.

Following this summer's down-and-out, first-stringing the Mustang backs, Coach Moore has shifted the "Elephant Backfield" by using the Poly Colts last Tuesday night in Crandall Gymnasium.

The Greyhounds, although weakened by the absence of Roy Valentine, Jr., have for the most part been out of the league for the entire season, but are expected to give Santa Barbara a tough time. The Greyhounds' running back, Joe Lee (120 yards, 1 TD), is expected to be a major threat.

The Mustang backfield will feature "Bumper" for the CCAA Long Beach State University, which has been plagued with injuries this season. Probable starters for the Greyhounds will be Joe Lee (120 yards, 1 TD) and Eddie Wetsal (110 yards, 1 TD), according to Coach Mike Nichols, who sustained a similar injury, will be out for several weeks.

The Mustangs are expected to be out for the light backfield, which was facing a tough opponent in the Poly Colts last Tuesday night. The Mustangs' backfield will feature Claude Turner (100 yards, 1 TD) and Van Valentine (100 yards, 1 TD), who is expected to give Santa Barbara a tough time.

The Mustangs will be out for the Mustangs' backfield, which was facing a tough opponent in the Poly Colts last Tuesday night. The Mustangs' backfield will feature Claude Turner (100 yards, 1 TD) and Van Valentine (100 yards, 1 TD), who is expected to give Santa Barbara a tough time.
Three Poly Men Are Attending Dairy Contest

Three Cal Poly students, Don Lord, Orange, Frank Jactino, Paso Robles and Raymond Hayas, Los Angeles, are representing the college at the 50th Collegiate Students International Contest in judging dairy products at Miami Beach, Fla.

The three men were picked for general scholastic ability and research aptitude as well as skills in judging dairy products, taste, and milk samples of milk, butter, cheese and ice cream.

Donald Lord, Orange, placed first in the cheese judging at Cal Poly Students International Contest in judging Dairy Products. He was awarded a wristwatch and a bronze medal for placing third in the butter judging.

The purpose of the contest is to attract young men and women engaged in dairy industries and involve them in future research in dairy problems.

The three highest scoring teams in the All-Products Division will be awarded graduate scholarships each with ten dollars from the Dairy Industries Supply Association for $1,800, $1,500, and $1,000.

There are 26 colleges and universities from all parts of the U.S. and Canada representing the West Coast.

LACTptune MONDAY

Monday is the final deadline for dropping classes without receiving a failing grade in the course.

Bragg is Chairman

Tom Bragg has been named as Chairman of the College Union Board. Other members of the Committees Chairmen are Dick Winn, Chairman of the Activities Committee, and Bill Beech, Chairman of the Attendance Committee.

Plan Rodeo For Sunday Roundup

Enthusiastic rodeo fans and participants gathered at the Red Colt arena Saturday for Cal Poly's first jackpots of the year.

Open roping and barley racing is slated for Sun., Oct. 11, at the Madonna Arena in San Caymus for all interested Cal Poly students. Entries will start at 9:30 A.M. with a barley band.

Five jackpots were held at Saturday's event with a large number of new cowboys riding for the first time at Cal Poly.

Ray Blastfield captured the saddle-borne riding and Jim Bayram won the kill riding section. Three new cowboys walked off with the first three places in the bareback riding event, with Chuck Knapples, Dave Joyce and Sam; and with Walt Deeds and his Lisa filling the fourth place.

The calf roping event was won with a time of 14.1 seconds by Bill Kissel, and second place went to Don Crow.

In the girls event, Carla Jean Frittsman, with a time of 10.5 seconds, was the winner of the girls barrel racing.

ROCKET SPEAKER

Dr. Harold B. Nefret, Vice President of the American Rocket Society, spoke to the Cal Poly Rocket Club Monday evening.

Dr. Nefret is a member of the American Rocket Society and an engineer with the Aerojet-General Corporation. He is a rocket and jet engine designer and has worked on many projects for the Air Force and the Army.

He is a member of the National Academy of Sciences and the American Institute of Aeronautics and Astronautics.

He has been a lecturer at Cal Poly in the area of rocket science and has given several talks on the subject to students and faculty.

The talk was given in the Meyer Bldg. at the College Union and was attended by over 100 students and faculty members.

Dr. Nefret discussed the history of rockets and missiles, the different types of rockets, and the future of rocket science. He also talked about the importance of rockets in modern warfare and the potential for their use in space exploration.

He ended his talk by answering questions from the audience and encouraging students to pursue careers in the field of rocket science.
