Music Bandnet Proves Successful

The annual Music Department bandnet proved a success last night in a Halloween motif with clusters of goblins, ghouls and ghosts wandering up and down the hallways, their faces and clothing, hanging in the corner—even in the ceiling.

The entertainment was put on by the Music Department. The Women's Choir Club, which recently performed at San Jose, and the College Men's Choir performed. The applause and the crystalline music filled the auditorium. The goblins, under the direction of Cadet Pat Brown, sang and acted as hosts.

Eli Rodeo Begins Photo Snapping

Students are reminded that the editorial staff of Cal Poly Rodeo will take pictures of all entries. Students and staff are reminded to alert the editorial staff of Cal Poly Rodeo to participate in the photo contest.

"Unfortunately, we will not be able to wait for the prints, even if they are returned within the specified time," Mr. Rosenblum advised.

The second annual Photo contest pictures will be taken at this year’s Rodeo the best in Cal Poly History. Addition of names, pages, clubs, living groups, and previous winners will be printed. The winners will be announced at the Rodeo.

Eli Rodeo is primarily a photo contest. The success of the contest depends upon the students. Their full cooperation is appreciated.

Lovable People Central Theme Of Ingles’ “Picnic”

The annual Music Department drama production of “Picnic” will be presented this Friday and Saturday at 8:30 P.M. in the AC Auditorium. The production produced by the Drama Department has been decided to use flexible staging in the AC Auditorium. The production will take place on three sides of the stage.

Much of the play centers around love and marriage. At the Arkansas, the author of the play, published by the Drama Department, uses the love story to be one of the major themes in the production.

Theater-goers are invited to the excitement of the play in the AC Auditorium on the Thursday night performance.

ROTC Takes Part In Vet Programs

Cal Poly ROTC will observe Veterans Day tomorrow, November 11, in a "get acquainted" dinner held by the regional office of the Regional Office for the Los Angeles Regional Office. Veterans files will be presented by the Los Angeles Regional Office.

Diablos Nip Mustangs 29-28
In Rose Bowl CCAA Thriller

Pendleton's Rose Bowl has been the site of some memorable games, but for sheer thrill potential, the 1959 Diablo-Mustang contest was one of the most spectacular clashes in the Rose Bowl's history.

The Mustangs, with apparent disadvantage for the Diablo press conference, started the game in the first half, leading 9-4 at the end of the first quarter. The Mustangs opened the scoring with a 3-yard touchdown pass from Carey to Williams, followed by a Carey-to-Williams 3-yard touchdown pass in the second quarter. The Mustangs led 18-0 at the half.

In the second half, the Mustangs expanded their lead, jumping back into the lead for the first time in the third quarter with a Carey-to-Williams 3-yard touchdown pass. The Mustangs led 25-7 at the end of the third quarter.

In the fourth quarter, the Mustangs continued their dominance, with Carey-to-Williams 3-yard touchdown pass. The Mustangs led 32-7 at the end of the third quarter.

The Mustangs sealed the victory with a Carey-to-Williams 3-yard touchdown pass. The Mustangs led 39-7 at the end of the third quarter.

The Mustangs won the game 39-7, ending their regular season with a comfortable 9-1-2 victory over the Mustangs.

ENGINEERS & PHYSICAL SCIENTISTS

From atomic research to engineering cost accounting, there's a world of opportunity in the field you're most interested in. If you prefer, you can choose to enter a management program, or you can develop and use your technical abilities to the fullest.

Technical and non-technical graduates for engineering and administrative positions on the Pacific Coast.

BUSINESS MAJORS & LIBERAL ARTS

There's no "getting lost in a big company" if you enter our Management Development Program. It often training you can't get anywhere else, and a chance to get into management in a surprisingly short time. We're growing fast, and we need executive talent that always comes from "within".

Technical and non-technical graduates for engineering and administrative positions throughout the United States.

John Hancock Appeals

When in the course of human events one is compelled to dissolve the bonds of friendship of the students and Rally Committee, we the undersigned deprecate the idea that all students are created equal and are entitled to certain unalienable rights. To secure these rights, B&G has been instituted, deriving its just powers from the consent of the governed.

It is our belief that the attitude of the Rally Committee is such that it would make the Rally one of the most exciting events on campus. We have not objected to being told to wear our orange caps and to show our rally colors. But, the attitude with which we have been told to do these things is unwarranted. We are asked, "Put these caps on!" It is only natural for us to resist and demand justification. The recent homecoming game exhibited many moments of embarrassment when alumni, parents, and guests were asked to wear orange caps. It is our belief that this attitude is not typical of Cal Poly, what is the point of having a rally song, if we are going to have such a talented cheerleader as Don Goss?

The Student Health Service is responsible for the Environmental Sanitation on the campus. Inspection with which we have been told to do these things is unwarranted. We are asked, "Put these caps on!" It is only natural for us to resist and demand justification.
