Full Accreditation Granted By WCA

Full five-year accreditation has been granted by the Western College Accreditation Commission to both campuses of Cal Poly, President Julien A. McPhee announced this week. A survey team from the WCA visited the college campuses at San Luis Obispo and Pomona last month. The five-year period is the longest granted by the association in any college within the jurisdiction. Cal Poly previously had been granted accreditation for a three-year period.

President McPhee said the grant of the five-year accreditation is "a strong indication that Cal Poly is coming of age.

Cal Poly also is accredited by the accrediting associations of the Secondary and Higher Schools Education by the State Department of Education.

Portland Lightweight Defends 1959 Crown

Gary Hugland, pictured above with his circa 1967 Western Gear of Portland, Black College, returns to the PCI Tournament as defending champion in the 198-pound division this year.

The 188-pound slot at first seemed to be a toss-up with three out of four of last year's place winners returning. However, last year's fourth place winner, Howard Bryant of Cal State has dropped down to 168 pounds, seeking a title there. What a fine for another try is last year's 168-pound champion, Ron Connor of the U. of Oregon. Third place winner and last year's 188-pounder, Dave Boler of Oregon State will not return. Portland State is one of the featured "darkhorse" teams of the tourney as they boast some top flight wrestlers in Hugland, 150-pounder Aubrey Borum and heavyweight Chuck Conley.
**Undaunted Colts After Repeat Wins**

Reporting a four win no loss record, the Junior varsity baseballers go after two more this weekend as they face Santa Barbara Junior College Friday afternoon and Porterville Junior College Friday afternoon. Both games will be played at opponent diamonds.

The Colts already hold a 15-6 win over the Santa Barbara nine and a 14-8 win over Porterville. The two other wins have been over Harvard College of Santa Maria, 16-4 and 14-3.

Bob Wadlow, who is expected to take the hill in the first game, Bernateln and third baseman Jerry Williams are leading the attack in hitting. Bernateln, who is over first base, has three home runs to his credit so far this season.

**CCAA Roundup**

The Fresno State Bulldogs and the Santa Barbara Gauchos cruised into first and second place despite the heavy crowding of teams in the final weekend of CCAA basketball activity.

L.A. State put the creak on Santa Barbara’s crown aspirations with a hard-fought 79-78 win in a thrilling overtime affair. Fresno’s Bulldogs were kicked by the Mustangs in a traditional grudge match that saw Jorgensen’s protégés playing their best ball of the year.

Fresno State ran away with the flag because of their hard-fought victory over Santa Barbara on the night preceding the Bulldogs’ historic invasion of Poly Gym. The Bulldogs will now spend this week preparing for the NCAA championships, the initial round of which will take place in the Los Angeles area.

**Gym Team Faces Gators; Farlough In Cal Tournament**

Herman Farlough, senior Social Science major, will be Poly’s lone entrant, competing in his specialty, the rings. If Farlough placed second in the nation last year and last year was ranked third in California, reaching the roof in 6.5 seconds. Adding honors to the Mustangs will be Herman’s protege on the All-Americans gymnastics team last year. Herman also competes on the rings.

**How About This?**

Farms interested in comparative strongman competitions may attend monthly panels in the West might show over this.

Highly competitive is the California Collegiate Athletic Association, held in the Central California city of Lompoc. The Basilis and the Los Angeles Athletic Association, held in Los Angeles, both teams leading the West Coast Athletic Conference—Lompoc and Peppers.

**TOUGH AT HOME**

The CCAA seems to be one of the nation’s toughest “homegrown” leagues. The season just closed saw the home team triumph in 86 per cent of the league games played.

When the boy finally entered, the other youngster said, “I’m going a dog for a long time, but my mother won’t let me have one.” “You probably don’t use the right strategy,” the other said. “Don’t ask her for a dog. You ask for a little brother—they’ll be glad to settle for a dog.”

**Mustangs Meet Spartans Today**

Jim Ninidich takes this afternoon as the Mustang baseball team opens its home season on the Poly diamond against the San José State Spartans. Game time is 1:30 P.M.

Among the Spartans, two Impress 3:11 descents, one handed in the University of Washington, and one to Idaho State. Last week saw the Mustangs lose a shot at debut to the San Jose State team, but won the first match.

The Spartans, Poly's chief enemies, will no doubt be out to repeat, during the NCAA tourney.
