Caution urged in construction areas

Because of construction on the coastal water project, Public Safety Services advises visitors to use caution while in the Poly Canyon (Briozdara Creek) or Stenner Creek drainage areas.

Heavy equipment is creating traffic on and off the roads and rough, unstable terrain in excavated areas.

Visitors are advised to:

• Not go alone.
• Plan to visit only during daylight hours.
• Tell a friend when and where you are going and when you expect to return. Be sure to check in with that person when you get back.

Anxiety disorders screening day set

Employees and students will have an opportunity to learn about the signs and symptoms of anxiety and to participate in a free, confidential screening from 11 am to 3 pm Wednesday, May 1, in the UU.

The program, including videos and presentations, is being offered as part of National Anxiety Disorders Screening Day.

Anyone interested in a personal assessment can complete a screening questionnaire and meet with a mental health professional to get information about various anxiety disorders.

Representatives from Health and Psychological Services and the Employee Assistance Program office will be in the UU Plaza to distribute materials and administer the screening.

Senate changes handling of thesis course grades

A new Academic Senate resolution signed by President Baker changes how SP (satisfactory progress) and I (incomplete) grades are processed for some graduate research and thesis courses. Effective summer 1995 students in the courses listed below will have up to three years to complete a grade of I or SP.

If the grade is not changed within that time, it will automatically convert to an NC (no credit) rather than a grade of F.

Courses affected by the resolution are all courses numbered 598 and 599, Arch 561, Math 596, and Bio 500.

SP and I grades for all other 500-level courses will continue to convert to a grade of F one year after the term ends.

This change recognizes the special nature of graduate programs in general and these courses in particular.

Courses covered by the resolution are approved by the dean of research and graduate programs.

Galerie to showcase mixed-media paintings

The mixed-media paintings of longtime artist Sally Tippman will be included in an exhibit titled “Configurations” in the UU Galerie from Saturday, May 4, through Tuesday, June 4.

“My work has evolved to figurative abstraction,” the Atascadero resident said. “Working from the figure gives me a metaphor to explore meanings and to express a range of emotions.”

“I have spent the last five years using oil sticks, the ‘handful of color’ that allows me to move from drawing into painting with spontaneity, richness and complexity.”

An artist’s reception is planned from 3 to 5 pm opening day, May 4, in the Galerie.

Galerie hours are Tuesday and Wednesday from 10 am to 5 pm; Thursday, 10 am to 8 pm, Friday, 10 am to 4 pm, and Saturday and Sunday from noon to 4 pm.

For more information, call Galerie Curator Jeanne LaBarbera at ext. 1182.

Volunteers needed for national races

Cal Poly’s Wheelmen bicycle club is looking for volunteers to help at the Collegiate National Road Championships, which they are hosting Saturday and Sunday, June 1-2, at Santa Margarita Lake and in San Luis Obispo.

Saturday’s races in Santa Margarita include a team time trial at 8 am and a road race at 1 pm. The team time trial is a 12.8-mile event involving teams of four racers taking off at two-minute intervals.

In the road race, the entire field of riders starts together, and the first over the finish line wins.

The Criterium race is scheduled to take place all day Sunday on a half-mile course that loops through downtown San Luis Obispo.

Community and U.S. Cycling Federation races as well as the Collegiate National Championships will be held Sunday.

Almost 300 racers from approximately 50 colleges and universities representing 10 collegiate conferences are expected to compete.

Athletes arrive in San Luis Obispo Thursday and Friday, May 30 and May 31, and are housed at Camp San Luis Obispo. A banquet is scheduled on Saturday evening at the Officers’ Club at Camp San Luis Obispo.

A wide range of volunteer opportunities exist. Anyone interested in volunteering should call Lana Sullivan at 541-0449 or Patrick Lee at 594-2996.

...Card catalog

Several other celebration events are planned during the year, including a card catalog building contest in the fall.

Several fund-raising events are also planned, including a silent auction of the card catalog cabinets and construction of a permanent wall of recognition, where the names of donors will be displayed on the front of catalog drawers.

For more information, call Irene Hoffman of the Kennedy Library at ext. 5786.

‘Writing’ a wrong

An error appeared in an April 19 Cal Poly Report article about winners of the Cal Poly Creative Writing Contest. The student winners and honorable mentions listed under the poetry category actually won for fiction, and vice versa. We apologize for the mistake.
