Football, tennis and swimming all reflected this.

In their Saturday doubleheader, Fresno State won a closer-than-expected 7-6 victory in the opener and a 6-1 decision in the nightcap.

A doubleheader split with noted Long Beach State placed fourth in the Western Division. The Mustangs placed sixth in the conference.

Out Of The Bin

An open letter to the students body.

Some of the distressing results of the recent non-violent movement demonstrations in the South and elsewhere are coming home to Cal Poly. A recent demonstration on the campus of the Vanderbilt University in Nashville, Tenn., was arrested for compelling young people in techniques of non-violent resistance to such "outrages" on society as sitting at lunch counters.

The charges of law were only too frequently supported by the contrary inculcation of the gospel, in the form of slogans to uphold segregation. The success of which the courts will decide. However, Jim was exonerated in the story, as the university admits, solely because of the actions of the Divinity School of Vanderbilt. It is vigorously protested the assumption of guilt of Jim. "The University says. "We have no evidence of guilt in any of these actions, and we contend the University should guarantee innocence of guilt."'

The University of the South to hold debate for the rights of Negroes.

Continuing the expression of concern for justice and preservation of the democratic processes the Westminster Fellowship, Los Angeles, will conduct a national debate on democracy and upkeep of the rights of Negroes during the ABC sessions today and tomorrow as an integral part of the annual sessions of the National Council of the Churches of Christ in America.

The purpose of the debate is to promote the BASIC principles of the United Nations Charter and to demonstrate the relationship between the church and the democratic process. The event is open to the public and will be held in the University of the South auditorium.

Hughes Puts Out Call for Grodders

BY AL MARINAS

The "old twinkle" is starting to shine in Mustang Football Coach Lonnie Harry Hughes' eyes once again since "King Football," 1959 vintage, will soon make its appearance on campus, under the guise of "Coach." This is the first time since last fall that Hughes has been able to manage his football team, due to his prior commitments.

On the eve of his sixteenth season as Mustang Football mentor, Hughes has been quoted as saying, "This is a very important season for us, and we are looking forward to a successful year." Hughes is known for his."You always have to work hard, to be patient, and to have faith in yourself."'

The Mustangs are expected to have a successful season, as they have been practicing diligently with just a few players absent due to injuries. Hughes is looking forward to a "new beginning" for the Mustangs, and is determined to lead them to victory.
