1. A calendar for meetings of the Executive Committee and the Academic Senate was distributed.

Attached is a copy of the schedule of meeting dates which I am sending to Ron Granvold in Audio Visual. They are willing to furnish a tape recorder for the meetings, but the longest tapes they have will only record for an hour and a half per side. Audio Visual will show one of the Academic Senators (whomever you designate) how to switch the tape.

They will also supply a two microphone system: one at the front table and one out on the floor for the use of speakers from the floor. You will be more certain of getting everything on the tape if the speakers will use one of the microphones.

We will then transcribe the tapes here in the office and make a rough draft of them which we will send to you for editing.

Discuss this matter at Executive Meeting.

Academic Senate Meeting Schedule

I'm sending you the schedule of Academic Senate meetings which we discussed this morning. They are usually the second Tuesday of each month, with a few variations, from 3-5 p.m. in Staff Dining Room B.

Please have two microphones available: one at the head table and one out on the floor. I've asked Dr. Olsen to arrange for someone from the Senate to change the tapes if you will show them how do to it.

The General Office will then need a machine to play back the tapes (preferably with earphones) for a day or two after each meeting so that we can type the material.

I appreciate your help with these arrangements.
