THE BEATER VALUES

New Students Meet Faculty At Barbecue

Classes will be starting in a very few days. At many colleges, students do not get to know their teachers, until their class meets for the first time. Not so here at Cal Poly.

The "Meet the Faculty" barbeque in Poly Grove on Saturday, Sept. 21, 2 p.m. is possibly the best introduction a student can have to his classroom departments—and ask questions.

This is an annual event that has proven to be highly popular in the past. It will feature the traditional barbecued meat, stakks, chill beans, and ice-cream for dessert. The cafeteria will be open until the end of the evening. Everyone is invited to help cheer on the green machine at the home away from home, the Linfield college team.

Football

(Continued from page one)

The Mustangs are in such a quandary as to whether they will completely replace their defensive line or switch some of the players and have them fill two spots. Terry Plcknell, the tackle who had 10 sacks last season's 7-8-0 record with the Mustangs of Linfield college.

Probable Mustang starting line-up: GB, Bob Beatnard; RH, Dan Delgado; LT, Larry Mitchell; LE, John Allen; RG, Mathias Medrano; RT, Bob Moore. Whatever they do, they will be trying to outscore to the Wildcats of Linfield college.

It is possible that the defensive line will be retooled in order to contest some very tricky and speedy shoes. Linebacker Bob Williams, Mathias Medrano and Bob Moore opening those needed holes.

There's a great big "howdy" being extended to all you new students, and it's under the sponsorship of the Alpha Pi Omega fraternity.
