THURSDAY ATTRACTION. Christmas Formal To Feature Sale Of Hawaiian Lilo

Lei imported from Hawaii will be among the highlights of December 4th's Christmas Formal, sponsored by the Craftsmen's Society. The sale will be held in the Memorial Building.

The theme of the Hawaiian night will be presented by the traditional attire of the dancers, who will eliminate the tradition of the Lei. The social event will be held on December 4th, 8:00 to 9:30, in the Memorial Building.

The sale will feature clothing, handcrafts, and various items related to Hawaiian culture. Donations may be taken to Mrs. Robert Lauser in advance of the sale.

Two Poly Entrants

Big Bay Area AAU Gymnast

Two-Poly gymnasts—Herman Parfog and Arnie Day—participated recently in an out-of-season meet when they entered the San Francisco’s Southern Pacific AAU meet at the Olympic Club.

Parfog, who competed, local followers lost a year with his combination routines. When the event up in the big city was 4:1 minute, a freshman, missed the scoring criterion and third place for a profit in tumbling competition. Poly’s gymnastic season starts next March.

SJS and Long Beach

Ruled Favorites In

Water Polo Tourney

Long Beach and San Jose State, both rated No. 1 in the state, are expected to be in the top four in the State Water Polo Tournament, hosted by Coach Don Anderson’s Mustangs this Friday and Saturday, Nov. 22 and 23.

On the basis of season performances, Long Beach and San Jose are rated heavy favorites. Anderson feels that Long Beach has the depth and talented personnel. The Mustangs have one of the top five goalies in the nation in Paul Dunn.

The locals fall to both SJS and Long Beach, but the Mustang master plans to feel his own team would get lucky and defeat either of the favorites. He sees a fight between the Green and Gold and San Francisco State for third place honors. Los Angeles State is not expected to be in contention for the honors.

A meet under way on Friday night at 7 o’clock with games to be played.

In another session, two ties

It was another “no contest” met Friday night at Poly’s Big Green tilted in its sixth major meet against a tourney over the Long Beach State Five-Nineteen, 41-7. The Mustangs gained two places in the event only lost on an otherwise disastrous record.

The meet in the losers’ field, the Long Beach State Five-Nineteen scored their initial match of the night by filling in the blanks from one yard out to tap the 15 yard line.

The Forty-Niners asserted notice early, the first half that they were capable of playing an all brand of ball, but held the trophy to a 3-1-1 halftime lead. Mustang depth proved more than the final ratio, following a scoreless third quarter. When the Big Green tilted 44-7 to win, Long Beach cleared their bench against the hosts who have improved their recent team play.

Despite the old Washington contingent, Long Beach has been in football competition only a few seasons, and, subsequent Forty-Niner eleven has been an improvement.

Local followers’ question of how the Mustangs would react following their first attack of the season, at San Diego, had the query answered Friday. The Mustangs won their team by rushing the Naval Mariner, 11-0, Saturday. They emerged victorious in ten minutes.

The decisive triumph over the southerners indicates that the Big Green should continue their sharp winning ways against San Francisca and Santa Barbara. Poly travels to the Bay City this Saturday night, and concludes this season Thanksgiving Day against Santa Barbara.

A meet scheduled for 10 a.m. Saturday at 1 p.m. the final four will be in the air.

A big interest has been in the past and Anderson hopes for a large spectator turnout.

In 1956, Julian A. McPhee became the chief of the state bureau of agricultural education. In 1964, he accepted appointment as state director of all vocational education in California.
