Poly Rattles Unbeaten Chico State Wildcats 5-4 In Donnybrook

**Gow, Ollar Star As Squad Thrills 2,000 Boxing Fans**

Mustang boxers showed their worth Saturday night when they downed the formerly unbeaten Chico State Wildcats 5-4 before the largest and most riotous crowd ever seen at a home boxing event. The highly touted but hard-luck Wildcats were led by the most fearless, most stubborn fighters that ever landed on a Spider's web.

Bobby Gow, former Pacific Coast Intercollegiate champion, was ideaed to the fight against the strongest foe he has faced to date. Joe Jr., also a former champion, Terry Perry. The 18-pound blackheats traded hard blows for two rounds with Gow leading just about everything except the rounds. In the third frame, Perry contacted with a tough right hand, but it failed to momentarily alle the near Gow hanging on and dana away for the last minute in each, but allowed the champion to win on the points of strength and speed.

The delight of the evening was Bill Owen, former Junior featherweight champion. After driving hard against the quater John "punchball" Jordan, Owen knocked him out in the last round by driving him to the floor. He had the crowd howling with laughter when he acknowledged "My main man, I'm going to say what I told you before. I'm going to try again, but I'm not going to get an America because I'm going to knock you down again."

At 135 pounds, Frank Goddard Jr., former Chico State lightweight champion, delivered a knockout decision over Wildcat Paul Walker, Jr., who had defeated him last year. "The bullwhip" Fordy Fritz (147) met the "Supreme" Moore in a bout that ended in a draw. Fritz was the only former champion to win.

Chico surprised Ollar at the open. He won by a straight right hand and 2,000 screaming fans. This was the first two minutes.

"Dave Heron, now with seven with Mantle [Ollar's former foe], had a tough time with Mustang Petter. The two men met—formerly undefeated former Golden Jim—classed as the Wildcat's best shot."

At 171 pounds, former feature Don Totman, Jr., was streaked to his gane long enough to get into the ring, to come out fighting. Wildcat John Mundell—big hit man— Hyderabad, in a feature bout, took the title from Chico. Heron and his powerful left hand "Almost made the end of the round, but his punch was just too fast. He [Heron] came out of the ring fighting, and the hometown fans were not used to this. Heron has never been knocked out before."

Gary Chihiet, Mustang majors 525, scored a dead decision over stubborn "Black Bart" Evans from Chico. The Wildcat was forced to forfeit the 182 pound weight class to the Mustangs when he cost the Northerners the match.

The election is over, the ballots are counted and tallied, and you probably have little or no interest in the outcome. Many of you are already talking about the next election, who will run, what they will promise, and how they will change the Student Government. Unfortunately, the current election was the first in a long time where no current SG officers or candidates have been running. The result of this was a low voter turnout, with only about 200 students voting out of the 800 who are registered. This was not the case in the election, when 80 percent of the student body voted. When the polls are open, all students are urged to go vote, and this is especially true today.

Dr. Karl D. Lovett, college physician, said that influenza could break out at any time. He also noted that an influenza epidemic is possible.
