Santa Barbara Track Host

Still undefeated, the Cal Poly track squad under the tutelage of coach Wilt Breitenstein heads into Santa Barbara tomorrow at 8:50 p.m. to meet the University of California in a meet that is both exciting and a truly competitive. Though boasting some fine individual performers, the Mustangs lack depth and have also been hit by injuries this season. In tomorrow night's meet, the Mustangs will be unable to field entries in the mile, 880, 1500, 440, and 220, and it is to be expected that they will have only one serious competitor for the top honors.

Louis Rodriguez, Tom Pagano, and Dennis James carry the all-star team in their event, the 880, shot put and high jump respectively. Along with Eston other Mustangs these three will be in space one of the toughest teams in the CCAA.

Coach Wilt Breitenstein will also enter in the meet: Andy Rup, 100 and 200 meter, Bill Hahn, 440, Jack Wal- ford, two miles; from Kellerman, Meehn and high jumper; Bill Warmerich, high jumper Bob Blakemore, high jumper; David Anderson, Tom Johnson, Lenky Lafferty, Jim Harper, Dave Lippe, Bob Kamen, Van Winkle, and Bob Whitley, javelin.

The first NCAA-sponsored golf championships were held in 1939 at the Waikiki Country Club, Honolulu, Hawaii.

(Continued from page 1) that—students involved in activities on campus that benefit a specific student body—should receive more recognition through the organization than they are presently receiving.

"Promote Greater Inter-Campus Cooperation"—students should be informed more on developments that occur on campus by greater use of El Mustang and the proposed campus radio. This would eliminate duplication of information and encourage greater cooperation with other student organizations.

"Prevent A Cultural Desert"—that activities, concerts and events be geared to the tastes of the general student body. We should encourage name personalitas and speakers to our campus so that the benefits will be gained by all majors.
