**Grid Scrimmage Points Out Good Bad Sports To Coach**

Head Football Coach Roy Hughes was still optimistic about the coming season following last Saturday's inter-squad scrimmage in the stadium. "We are doing good for what we have to work with," said Hughes, "but we just don't have enough manpower." Although not thoroughly impressed with the scrimmage, Hughes was quick to add, "We are working hard and hope to improve our team for the upcoming season." Hughes also pointed out that the team needs to improve its defense and special teams.

**Sports Bulletin**

The University of Redlands won their second straight district night college division NAIA track and field meet with 102 points to 77 points in the fourth annual Grid Scrimmage.

Tom Paget, Mustang, weight thrower, set a new record in the sport this season with a height of 5'6". Second best last season, this year he has improved by five inches, setting a new personal record.

Parker blackjack, are not in shape yet." Hughes predicted the defeated team but we'll probably have a good game with them."

Hughes also added, "Our weak spot is still at the center and, of course, with our defense." Hughes was optimistic about the upcoming season following last Saturday's Inter-squad scrimmage at the Claremont pool.

The squad was divided into two teams for the scrimmage. The Yellow Squad with three points, and the Blue Squad with two points.

The University of Redlands won their second straight district night college division NAIA track and field meet with 102 points to 77 points in the fourth annual Grid Scrimmage.

The Mustangs, led by Tom Paget, weight thrower, set a new record in the sport this season with a height of 5'6". Second best last season, this year he has improved by five inches, setting a new personal record.

Hughes also added, "Our weak spot is still at the center and, of course, with our defense." Hughes was optimistic about the upcoming season following last Saturday's Inter-squad scrimmage at the Claremont pool.

The squad was divided into two teams for the scrimmage. The Yellow Squad with three points, and the Blue Squad with two points.

**Engineers, Paddie Ramblers Top Poly Bowling League**

Cal Poly's bowling league came to a close last Monday night at Laurel Lanes with the Rice Paddie Ramblers winning the second half of play. The Electrons came in a close second to grab a berth in the playoffs against the first half top teams, the Engineers and the Rambler.

In the play-offs, held Friday evening at the Rambler Bowl in the basement of the Engineering building, the Ramblers were favored to take away top honors. The Rambler team topped the Paddie Ramblers three games to one to take first place and give the Ramblers second. The Electrons were not able to win enough EUSA games to advance and thus lost the third spot in the league.

All four squad will receive trophies for their performances. They will be given Sunday after the awards banquet will be held at the Breakaro in Monterey.

Individual high game, bowling league series, and improved bowler trophies will also be given out at the awards dinner.

Bob Thomas of the Engineers came in the class of the leagues in the second half of play. He took the championship in the league.

Rodeo Club Hosted
By Bert Followers

A.M. "Bert" Followers, President of Rodeo Club department, will be the fea-
tured speaker at the Rodeo Club meeting tonight at 7:30 in Ag.
Engineering, Room 197, announced Ray Ronald, club president.

Followers, a member of the Cal Poly Rodeo Club since 1954, will host
Rodeo Club members and guests with guitar picking, western songs and
stunts of his own stetson.

Before coming to Poly, Followers was an employee of the Santa
Monica Publishing Co. for 18
years, during which time he served on the board of directors as a Repre-
sentative for the printing indus-
tree.

We refer to ourselves as the "dashing dozen," since safety is the
watchword. Each jumper has his own saddle and a red and yellow cap-
ion his side. Also, we wear ap-
Proved crush helmets and boots.

An inspection of our logbooks will show an enviable safety rec-
ord. We are on a par with the
clubs at the country’s leading col-
lleges and universities who, by the way, are the country’s finest riding
clubs.

Darcy Higgins

Ag Engineers Given Life Memberships

Life Memberships at the Cal Poly Agriculture Engineers Club was
awarded to 15 members.

Receiving the awards were: Fred A. Hulbert, Charles J.
Chu, William L. Heinrich, Mildred R. Hoel, Don Holm, W. H. Hitchcock,
